Holdup and Robbery in Westford Street

BOLD HOLDUP AND ROBBERY IN WESTFORD STREET TODAY

Gunmen Accost Francis J. Roane and Get Away With \$800 and Diamond Ring—Men Jump From Behind House With Guns Drawn

Leveling revolvers and sternly commanding him to "throw up his hands," Francis J. Roane, of 46 Burrill street, was held up on Westford street, by two unidentified men at 4:15 a. m. today and relieved of \$800 in cash and a valuable diamond ring.

According to the story as told by the victim to the police, Roane had motored with a friend from Associate hall with the receipts of a dancing party and at a point about 100 yards from the corner of Burrill street, he alighted from the machine and started to walk the remainder of the distance. Suddenly two men jumped from behind a house and with drawn revolvers demanded his money. Going through his pockets they found the purse containing \$800 and after taking the diamond ring from his finger, the hold-up men beat it down Westford street in the direction of the armory.

Upon arriving at his home, Roane immediately notified the police and Officers Paul Sullivan and Owen Conway were detailed to the scene in a police automobile. The only description given was that one of the men was about 5 feet, 11 inches in height and the other about 5 feet, 6 inches, both wore caps drawn over their eyes and were without overcoats.

BILL AUTHORIZING CITY OF LOWELL TO BORROW \$700,000 BEYOND DEBT LIMIT IS KILLED BY COMMITTEE ON RULES

(Special to The Sun) BOSTON, April 27.—The bill authorizing the city of Lowell to borrow \$700,000 outside the debt limit for the erection of a new grammar school in the South End district was killed today when the house committee on rules after a hearing submitted an adverse report.

The bill went before the rules committee on the question of admittance inasmuch as it came in under the head of lardy legislation.

Speaking before the committee in favor of the bill were Mayor John J. Donovan, Thomas B. Delaney, James J. Bruin, Dr. Emma Y. Slaughter and James H. Riley of the school committee; Leo A. King, master of the Edison school, and Major Walter R. Joyce, supervisor of accident and fire prevention.

Present at the hearing in addition to the speakers named were Eugene Mullin of the school committee, Supl. Continued to Page 17

Charles Clavin, about 20 years old, of 171 Pawtucket street, was found in an unconscious condition in an alley beside the Opera House shortly after 11 o'clock last night. He was first noticed by Officer James Considine, who called for the ambulance and had the man removed to St. John's hospital where he was still unconscious at an early hour this afternoon and his name has been placed on the dangerous list.

It is believed that it was while attempting to mount a box in the alleyway, the aid of which he sought to gain admittance to a neighborhood club to which he belonged, that the accident occurred. It is assumed that he slipped from the box, striking his head on the ground.

Second Day of Royal Arcanum Convention in Memorial Auditorium

Next Convention in Boston

OFFICERS OF THE 46TH ANNUAL CONVENTION OF THE ROYAL ARCANUM IN SESSION HERE

Left to right, front row—John F. McGarranhan of Boston, grand guide; John M. Brennan of Nantasket, grand vice regent; Henry L. Hines of Springfield, grand regent; John T. Friary of West Roxbury, past grand regent; Charles H. Holgate of Dorchester, grand orator; Silas B. Keith of Palmer, grand chaplain. Back row, from left to right—Neil A. Clark of Lowell, grand squire; William L. Kelt of Allston, grand secretary; George E. Hill of Worcester, grand treasurer; and William C. Root of Pittsfield, grand warden.

The delegates to the 46th annual session of the Royal Arcanum in session at the Memorial Auditorium, voted this morning to hold the next convention in Boston. The motion to hold the annual session in Boston was made by Grand Secretary William L. Kelt of Allston.

Interesting reports of progress in Arcanum affairs were read by District Manager Frederick Goodwin of East Millis, a member of the supreme council, and from Hon. Michael J. Murray, chairman of the committee on council work. The morning session was de-

veloped to the discussion of amendments and reports of various committees that had previously been detailed to investigate resolutions. The nomination, election and installation of officers will take place this afternoon.

Hon. Howard G. Avery of Norfolk, Va., will have charge of the installation. Samuel N. Hoag of Newton, supreme secretary of the Arcanum, will be present to assist. All unfinished business will be completed this afternoon. Past Grand Regent Albert W. David of this city presented William L. Kelt,

grand secretary of the convention, with a handsome bouquet of pinks, the gift of four Lowell councils, at the banquet held last night in the Memorial hall of the library building.

Mr. Kelt has served for 25 years on the grand council, 11 years as grand treasurer and the past 14 years as the grand secretary. The presentation was made in appreciation of his faithful service. Hon. Howard G. Avery, Henry L. Hines and John M. Brennan made short responses at the banquet. After Continued to Page 17

DROPS SUIT AGAINST RUTH

Dolores Dixon, Who Sued "Babe" for \$50,000, Withdraws Her Case

NEW YORK, April 27.—Miss Dolores Dixon, who recently brought a suit for \$50,000 damages against "Babe" Ruth, the New York Yankees' home run king, alleging seduction and assault, withdrew her case today. The withdrawal was made just as the case of Robert McCaskey, who was to have been examined in supreme court as to the record of Miss Dixon, was about to be called.

NO TRACE OF MARY CURTIN
Despite the united efforts of local boy and girl scouts, municipal and state police, the whereabouts of 20-year-old Mary Curtin who disappeared from her Arcanum street home last Friday, remains a mystery.

GENERAL PERSHING VERY MUCH PLEASED

Francis B. Langhlin, well known insurance man, located in the Hildreth building, who has been greatly entertained in the local activities of the Organized Reserves and who has forwarded every newspaper clipping concerning the reserve to General Pershing, received the following personal letter from the general today:

"The clippings regarding the Patriots day celebration in Lowell interested me very much and I am glad to have this evidence of the high interest the citizens of Lowell are taking in matters concerning the national defense. Your courtesy in sending me the clippings is much appreciated. Cordially yours, John J. Pershing, General of the Armies."

Mr. Langhlin, while not a member of the reserve, is a firm believer in the national defense and believed that the head of the army should know what Lowell is doing along this line. General Pershing evidently was pleased to receive the clippings for his letter came in a personal envelope and was signed by the general himself.

NEW YORK, April 27. (By the Associated Press.)—Twelve persons lost their lives early today in a fire of mysterious origin which started in a pile of rubbish on the first floor of a five-story brick tenement in East 108th street.

Twenty persons were injured and firemen made spectacular rescues of many of the 200 living in the building.

Seven of the dead were members of the family of David Mandelbaum, a painter, who had planned to move today to a little frame up-state. They were: Mrs. Mandelbaum and her children, Alexander, aged 4; Benjamin, 3; Morris, 10; Michael, 12; Minnie, 14, and a year old baby.

The other dead were Aaron Kniss, his wife, their daughter, Bertha, 21, and their son, David, 18, and a relative, Mrs. Isaac Brownstein who was visiting them.

Mandelbaum, who was rescued by firemen and police after he had made desperate attempts to rescue his family, said he was awakened by smoke and when he opened the door of his bedroom, he was met with a rush of flames.

EVERY CHURCH IN BOSTON TO BE WATCHED UNTIL FURTHER NOTICE

Guards Ordered Out by Police Chief Crowley as Result of Discovery That Chas. Blamfield Had Sold a Number of His Automatic Incendiary Devices, Coupled With Recent Threats

BOSTON, April 27.—As a result of the discovery that Charles Blamfield had sold a number of his automatic incendiary devices, coupled with recent threats to burn several churches, Police Superintendent Michael H. Crowley today ordered that every church in the city should be watched until further notice and that guards should be posted constantly at some.

ELECTION COMMISSIONERS BELIEVE THEY SHOULD GET MORE PAY AND MAY TAKE CASE TO COURT

Members of the election commission were officially informed this morning of the city solicitor's opinion relative to their salary for the year 1923, which, according to the opinion will be the same as last year, \$1200 for the chairman and \$1000 each for the other members of the board. The information came from the office of the city auditor.

COUNSEL FOR REMONSTRANTS TO SAGO-LOWELL PETITION SENDS STATEMENT TO COUNCIL

John M. O'Donoghue and William A. Hogan, counsel for the remonstrants to the Saco-Lowell shops' petition to the city council relative to the closing of Kitson street and a part of Worthen street, have sent to the city council a copy of their reasons for the statements made by them before the council, that the petition could not legally be granted, and they further request another opinion from the city solicitor on the ground that his first opinion did not advise the council in relation to the particular matters upon which the remonstrants' legal objections are based.

The communication sent to the council is as follows:

Gentlemen of the Council:

In view of the form and substance of the opinion addressed to the city council in relation to the petition of the Saco-Lowell company for the closing of Kitson street and a part of Worthen street, the remonstrants

desire to place on record their reasons for the claim which they have asserted before the council that this petition could not legally be granted.

The city solicitor's opinion may be based on the following grounds:

VACATION PERIOD IN THE PUBLIC SCHOOLS

The public schools close today to remain closed until May 7. This is the last vacation before the close of schools and both the teachers and pupils are bound to make the most of it. Many of the teachers have arranged for sight-seeing trips during their rest period and many more are staying at home and resting up for the strenuous eight weeks yet to come before graduation time. Amateur baseball will have its first real opportunity next week and the parks and playgrounds will be flooded with a mass of children from early morning until darkness falls.

The State Normal school will also be closed next week, and out-of-town students arrived this morning with the bags all packed so that not a moment would be lost in getting back to their home towns for the rest period they have all looked forward to.

AMERICANISM DAY OBSERVED

Legion Official Warns of
Plans for Radical Demonstration on May 1

Communists and Other
Organizations Concentrate
Against Law and Order

INDIANAPOLIS, Ind., April 27.—A radical demonstration on May 1 that would disrupt the nation, it is charged, is developing under direction of Communist and revolutionary organizations in this country, declares Garland W. Powell, national director of the American Legion, in a statement concerning the observance of Americanism day today by all local organizations of the Legion.

Americanism day was established by the fourth national convention of the Legion for the Friday preceding the first of May of each year, as an offset to the "May Day" of the radicals.

"The Communist and revolutionary party of this country, and the forces of which are composed of men born, have given this annual observance of May Day as the time for concentration

propaganda against law and order," says Powell. "The I.W.O.M. have called a general strike all over this country. In the Pacific northwest the men are to strike for white sheets and pillow slips in all lumber camps and for the release of all so-called political prisoners by the federal government. A recent I.W.O.M. bulletin declares that the object of the strike is to paralyze the lumber industry and strike a heavy blow at law and order in the Pacific northwest. In New York, Boston, Bal-

timore, Los Angeles and San Francisco, the revolutionaries have posted their slogan on all waterfronts. It reads: "Let us awaken, rise up and show the might that is ours." The aim is to confuse, delay and, if possible, paralyze ocean traffic.

"This is just one fraction of the revolutionary May Day program. The orders of the Third Internationale, inspired from Moscow, are designed to start walkouts and revolutionary disorders all over the world, wherever

settled government and orderly society prevails."

HELD FOR MURDER OF PATROLMAN WELCH

FRAMINGHAM, April 27.—Salvatore Lettieri, arrested in Cambridge yesterday, pleaded not guilty to a charge of murder in the district court here today in connection with the shooting

of Patrolman William H. Welch in the Saxonville district of this town, on February 23. The case was continued until May 4, and Lettieri was remanded without bail to the East Cambridge Jail.

Charges of breaking and entering a dwelling in Saxonville on December 23 last and stealing two gold watches and a ring also were preferred against Lettieri. Welch was shot at a lodging house while apparently starting to telephone to police headquarters after arresting a man suspected of burglary at South Sudbury.

EVER HAVE A SUIT CRAWL ON YOU?

Bunch up at the shoulders as though it had mumps, fall away from your collar like an old bathrobe, pinch and pull at the arm-pits—your elbows—your knees—your back?

Certainly You Have—Here's Why

Whether you are a perfect 38 or 44—tall or short—slim or stout—erect or stooping—YOUR figure is your OWN, not exactly like any other figure perhaps in the world. Then how can ready-made or careless clothing fit you properly?

But, Men, Get This Straight

We provide for twenty different measurements and descriptions in drafting your pattern before the garment is cut—it's yours—made specially for you. It fits every line at every point—not merely over the chest.

CENTRALVILLE REBEKAH LODGE ANNIVERSARY

Centralville Rebekah Lodge, 187, celebrated the 10th anniversary of Odd Fellowship in this country by staging an entertainment and got-together in their hall on Bridge street last night. The feature of the evening was a three-act drama, "The Doctor," put on by the Centralville Dramatic club, and the Centralville Rebekah orchestra also entertained with several selections.

Mrs. L. A. Ayer was in charge of the play, the production was under the direction of Miss Marion Garrett, and Miss Frances Marion was stage manager. The play reflected great credit upon the members of the cast and the

"TIZ" PUTS JOY IN SORE, ACHING FEET

"TIZ" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters and bunions.

"TIZ" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. "TIZ" is wonderful for tired, aching, swollen, smarting feet. Your feet just tingle for joy; shoes never hurt or seem tight.

Get a box of "TIZ" now from any drugist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy.—Adv.

directors and added to the already great reputation which the club has won for its dramatic ability.

The cast was as follows: Dillingham Hopper, a New York stock broker, who wants some fun, and gets it. Charles E. Hatabrook, Thomas Pickett, his friend, who wants peace, and doesn't get it. Winthrop Bartlett, Crumley Chuggs, a nice old man who wants the widow and gets her. Richard Chadwick, Napoleon B. Plunkett, an inventor, who wants the earth, and keeps on waiting. Arthur Lyons, Jr., Mrs. Panny Mayfair, a dashing widow, who wants a "hark" and has it.

Mrs. L. A. Ayer, Mrs. Anastasia Billowby, another widow, who wants to elope, and is disappointed. Etta M. Park, Etta Pickett, Tom's wife, who wants revenge, and then there's trouble.

The committee in charge of the entertainment was as follows: Miss Betty Merrill, chairman; Miss Mary Hill, Mrs. Ethel Atwood, Mrs. Mabelle Sanders, Mrs. Helen P. Lanouy, Mrs. Elizabeth Stickney, Miss Elsie MacLeod and Mr. Linwood Sanders.

The members of the lodge orchestra are Mr. and Mrs. Joseph H. Ridings, Miss Louise Drew, Mr. Robert Parker, and Miss Bernice Russell.

SPRINGTIME DANCE

The spacious hall of the Highland clubhouse will be the scene of a very pretty dancing party tonight, when the Sonoras will hold their springtime dance. The many friends of this popular organization have been looking forward eagerly to this affair and all indications point to a very enjoyable evening. The music for the dancing will be furnished by Camerons' band orchestra. Arrangements have been made for our service after the party. The affair is in charge of Daniel J. O'Connor and Edward J. Timan.

WILL HOLD SPECIAL TOWN MEETING

A special meeting for the voters of the town of Tewksbury will be held at the town hall, Centre village, next Wednesday evening. The warrant, which has been posted, contains seven articles, most of which have to do with the schools of the town. The articles of the warrant are as follows: Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the town will vote to accept the report of the school and advisory committee, appointed at the last annual meeting, or act in any way relative thereto.

Article 3. To see if the town will vote to build two additional rooms at the Foster school, or act in any way relative thereto.

Article 4. To see what sum the town will vote to raise and appropriate by loan or otherwise, for the purpose of building an addition to the Foster school, or act in any way relative thereto.

Article 5. To see if the town will authorize the board of selectmen to sell its interest in the Wampanoag schoolhouse lot, or take any other action relative thereto.

Article 6. To see if the town will authorize the selectmen to sell the Delco lighting plant, or take any other action relative thereto.

Article 7. To see if the town will vote to raise and appropriate the sum of \$500, to maintain the electric lights, voted at the annual town meeting, or take any other action relative to same.

KNIGHTS WILL NOT GO TO LAWRENCE

At the regular meeting of Lowell Council, Knights of Columbus last night, it was announced that the tournament with the members of Lawrence council in the down-river city sched-

uled for this evening, had been called off owing to the futile attempts of the latter to procure a suitable hall. Tonight's contests were to be in the nature of a return engagement for a visit paid to Lowell by Lawrence men last Monday evening. Friday evening, May 4, has been set as the date for the tournament.

The annual communion Sunday of Lowell council will be observed on May 20 when the members will march from the council rooms to St. Peter's church and return to the Dutton street rooms for a communion breakfast. Several prominent speakers will address the members after the breakfast.

ST. JOSEPH'S COLLEGE ALUMNI

President Joseph F. Montminy occupied the chair at last evening's general meeting of the members of St. Joseph's college alumni, which was held at the college hall in Merrimack street. There was a large attendance and considerable business was transacted. It was announced that "Simon Le Veux," a drama, will be presented at the school hall Sunday and Monday evening for the benefit of the association. It was voted to hold the annual election of officers at the next general meeting instead of at the annual outing as heretofore. Routine business was transacted and Rev. Lucien Brassard, O.M.I., of Notre Dame de Lourdes parish addressed the gathering.

MILITARY CLASS CLOSING

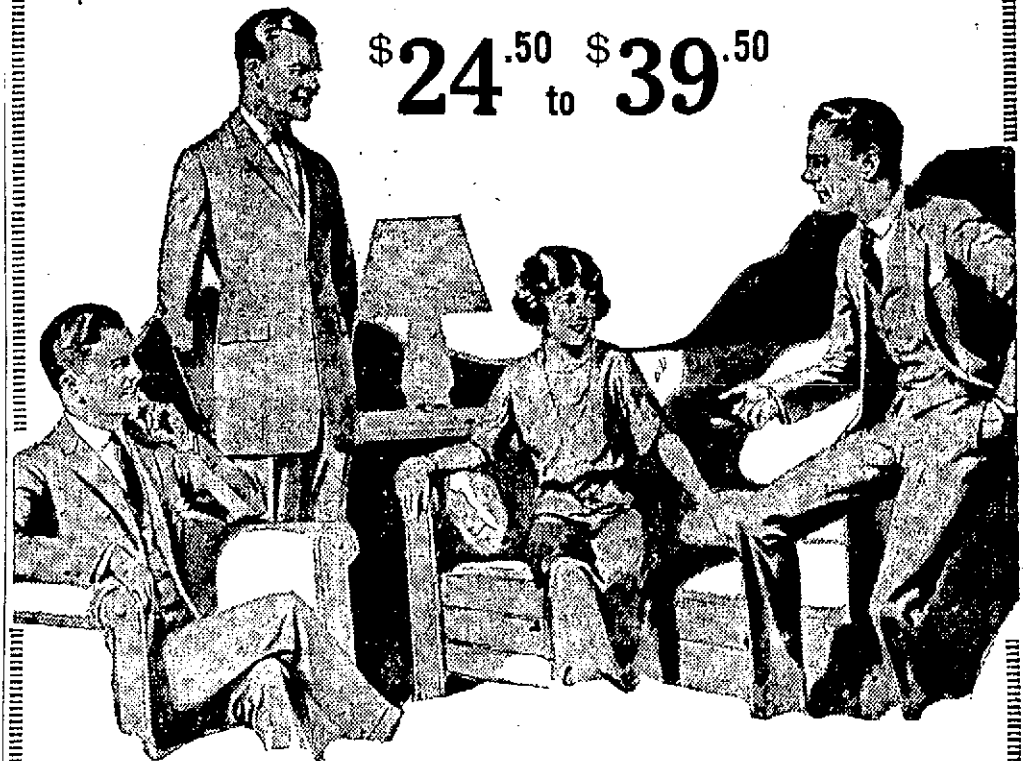

The closing session of the Mrs. Agnes Dalton military class held in the Edison school building Wednesday evening was marked with an interesting literary and musical program. Among the entertainers were Master Joseph Welch at the piano, William Cahill at the violin, and Miss Eastman who sang a solo.

The Cream Pitcher

TODAY'S club column is written at the special request of Jane Ellison, who is the secretary of the Borden Recipe Club. When Jane Ellison was a little girl, she and her brothers and sisters were never allowed to buy candy.

But every Saturday afternoon, Jane Ellison's mother would make some special kind of candy for them. It was a genuine treat for everybody, and on that one day, the children could have all that they wanted.

Some children favor giving a child one or two pieces of candy after dinner every day. But Jane Ellison's mother's plan was a very happy one after all. You are absolutely sure of what goes into the candy you make yourself. Also it really satisfies the child to have all that he wants—within reason, of course—once in a long time.

Here are Jane Ellison's mother's favorites. If you know any better recipes than these won't you let us have them?

UNCOOKED FONDANT

White of 1 egg
1 tablespoon evaporated milk
1 teaspoon cold water
1 teaspoon vanilla
Confectioner's sugar

Put egg white, water, milk and flavoring into a bowl and beat until well blended. Add the sugar, a little at a time, beating until well mixed before each addition. Continue adding a little sugar at a time until the mixture is stiff enough to knead. Take out on a board and knead until smooth. This fondant may be used as a stuffing for nuts or for fruits or centers of chocolates and bonbons. In making bonbons, the fondant may be colored green, pink, lavender or orange with a vegetable paste and other flavors substituted for the vanilla.

WALNUT CREAMS

Fondant, English walnut meats: Shape fondant in balls. Flatten and place halves of English walnuts on each side. Pecan meats may be used in place of walnuts.

STUFFED DATES

Dates, Fondant, Granulated Sugar: Remove stones from dates. Roll fondant in small cylinders and place in dates where stone was removed. Roll in granulated sugar.

ALMOND CREAMS

Blanched Almonds, Fondant, Granulated Sugar: Cover almonds with fondant. Shape like a very small egg and roll in granulated sugar. Filbert meats may be substituted for the almond if desired.

FRUIT CREAMS

Candied or Maraschino Cherries or Candied Pineapple, Fondant: Roll out fondant about 1/8 inch in thickness. Cut into rounds about 1 1/2 inches in diameter. Roll around small piece of pineapple or candied cherry, leaving a small portion exposed. 3 cups maple sugar.

MAPLE CROQUETTES

3 cups maple sugar
1 cup evaporated milk
1/2 cup water
2 tablespoons butter
1 cup broken pecan meats

Roll together the sugar and diluted milk until the mixture forms a soft ball when dropped in cold water. Remove from fire, cool, and beat until creamy. Add nut meats and drop in spoonfuls on waxed paper.

DATES STUFFED WITH NUTS

Wash dates, remove the pits. Fill with pecan or hickory nut meats and roll in granulated sugar.

Because of its creamy richness, Borden's Evaporated Milk is particularly good for uncooked fondant. It gives the fondant a flavor and consistency that you can get in no other way.

For cooked candies, such as the maple croquettes above, or for ordinary fudge, it is superior to ordinary bottled milk because it has less tendency to curdle.

If you would like to be a member of the Borden Recipe Club write to Jane Ellison, and send her your name to the Executive Office, Address 26 Hudson Bldg., 250 Madison Ave., New York.

FOIL WHOLESALE JAIL BREAK

Six Prisoners Shot and Several Others Severely Beaten by Guards at St. Louis

ST. LOUIS, April 27.—Six prisoners were shot and several others beaten severely when guards frustrated a wholesale escape at the city workhouse, early today.

About 15 prisoners sawed through bars in the cell room and let themselves into the prison yard by a rope. One of the prisoners with a clever imitation of a pistol carved out of wood attempted to hold up Fred Giese, 50-year-old guard, and obtain his keys.

Giese opened fire and two of the group fell. The shots attracted five other guards who sent volleys into the crowd of prisoners, wounding four

more. A police riot call was sounded, but by the time the officers arrived, the guards had subdued the prisoners. The other prisoners of the group which attempted to escape later were found hiding in the yard.

REBELS ATTACK DOCK YARD IN CORK HARBOR

CORK, April 27.—(By the Associated Press)—Irregular forces made an abortive attack on the Haubowline Island dock yard, in Cork harbor, early today, pouring a hail of machine gun bullets into the buildings on the island from two points on the mainland.

The Free State troops replied and after the firing had been in progress two hours succeeded in clearing the attacking parties from their positions. The irregulars eluded troop reinforcements for the garrison, sent from Queenstown.

There are no reports as to the casualties. Houses in the vicinity of the irregulars' positions were damaged by the fire of the defenders.

CHILDREN AND MATCHES CAUSE OF FIRE

Three children, aged between 2 and 4 years, playing with matches and paper, were responsible for an alarm from box 55 at 8:45 this morning. The children were playing in the attic of a house numbered 592 Middlesex street, occupied by Joseph Brown, and set fire to the paper. The flames quickly spread to the wall of the house and burned a blind of the rear window. The house is situated over the rear of a garage in a congested area, but the prompt action of the fire department prevented the blaze before it spread from the room.

CASES IN THE DISTRICT COURT

Joseph Tuxera was fined \$100 in the district court this morning, on his plea of guilty to a complaint charging him with illegal keeping of intoxicating liquor. He was arrested last night following a successful raid on his premises at 22 Bradford street, by Sgt. Winn, Officers Moore, Conney, Adrich, Killy and Federal Agents Sullivan and Hall. A large hole had been dug in the cellar presumably for the purpose of installing an underground still.

GILLET TO SUPPORT WORLD COURT PLAN

SPRINGFIELD, April 27.—Allegiance himself with the president in support of a permanent court of international justice, Speaker Frederick D. Gillett, addressing a regional conference of republican women here today, declared such a court "an advance and a national action to the benefit of mankind." He said it was "always planned ourselves was an American policy." Meeting the objection that such a court would make the United States a participant in the League of Nations, Mr. Gillett said that his objection is imaginary, for the nation would not be compelled in any way to be even a partial member of the league. Speaker Gillett believed that the nations that are eager to obtain the moral and financial support of the United States for the world court, would acquiesce in a plan to have this nation participate in the selection of judges without becoming in any sense a member of the league. He warned the republican party against the danger of being driven by the tactics of its opponents and the urgency of a few extremists into "an indefensible hatred of the league and all its works." "All efforts toward a co-operation of nations to do away with the resentment and irritations that lead to war, we want to encourage and participate in," he said in closing, and "we don't want the name League of Nations to be a bogey to prevent our co-operation when assured that it involves no departure from our traditional policy."

BUCKLE AND AUTO IN MIX-UP

Vernon E. Osborn of 1019 Chelmsford street, reported to the police that at 8:15 last night, while driving out Middlesex street, a boy named Sherman, residing at 218 Thorndike street, ran his bicycle into the left rear mudguard of the machine, damaging the bicycle and slightly injuring his leg. Mr. Osborn took the boy to his home, where he received medical treatment.

CITY OF LOWELL MAY HAVE TO PAY BACK \$114,000 IN TAXES TO NATIONAL BANKS

(Special to The Sun.)
STATE HOUSE, Boston, April 27.—Unless legislation, which was sponsored by practically every city and town in the state before the house ways and means committee yesterday, is enacted into law the city of Lowell will be compelled to pay back to national banks \$114,000 in taxes that it has collected since 1917.

The measure, which was introduced by John A. Sullivan, special counsel for the city of Boston, will validate all taxes that have been collected by the state, cities and towns since 1917 from national banks. The measure will also allow national banks or their shares to be taxed by some method that will come within the limitation of a federal statute relating to the taxation of such banks. The federal act was passed when the United States supreme court ruled that the present

method of collecting such taxes is illegal.

The national banks claim that, since the passage of the state income tax law in 1916 the levies have been illegal. Unless the law is enacted, according to its advocates, all the cities and towns and the state itself will have to refund these taxes.

Denouncing the action of the national banks at the hearing yesterday, Mayor James M. Curley of Boston, in a brilliant speech, declared that their attempts to recover the taxes "is a raid on the commonwealth, the cities and towns and the state itself. These banks do not justify this pilferage."

He declared that if a measure to validate the taxes was not adopted by the legislature the state would have to pay back \$114,000. "These banks have shouldered the tax for twenty years and they should continue to

shoulder it," he declared. "I am unalterably opposed to any plan which would give them back a part of the taxes that have been collected or would reduce the amount in the future."

"Rents will be raised if this law is not adopted. National bankers ought to be ashamed of themselves in trying to avoid the just tax. There is no surer way to make Bolsheviks than to have the banks escape from paying this tax and let it fall on the public. It is a raid on the treasury and nothing else."

Special Counsel Sullivan declared that all the state has to do is to utilize the act passed by congress.

"This commonwealth," he said, "ought to have a decent regard for the general taxpayers of the state. I have never heard of a case where anyone ever became popular by robbing the poor and bestowing it on the rich. Despite the claim of the national banks that they were discriminated against when the income tax law was passed in 1916 because private bankers were not taxed as highly as them the national banks have not suffered in dollars and cents. They have no moral right to institute suits for the recovery of these taxes."

"It is not right for them to claim that private bankers are in competition with them because it is well known that the amount of business

How To Put A "Kick" In It

—A tip for "wets" and "drys!"

We are all liable to feel "out of sorts" at times—need something with a "kick" in it to clear the brain, brighten the eye, put "pop" in the system.

Best way to do this is to take—with, or without, a "chaser"—that harmless yet thoroughly efficient family medicine, Beecham's Pills.

"Two for adults and one for children" is the phrase of health that has meant good digestion and a clear system to countless healthy, happy people the world over for the past 80 years.

At All Druggists—25c and 50c

done by the private banker is negligible when compared with that done by the national banks.

"The scale of public expenditures has been rising. They will not consent to economies which will reduce public service. Where shall we put these taxes if we take them off the national banks? From 1917 to 1922 the capital of national banks in Massachusetts has increased \$10,418,000; their surplus has increased \$10,496,000; their undivided profits have increased \$9,355,000 and their deposits have increased \$235,471,000.

"There has not been a failure of a national bank in the state since 1917 while there have been 3322 business failures. National banks have had so much business that they can't accommodate people. Does this show evidence of poverty? Their action in asking that the taxes be shifted onto other shoulders, far less able to bear them, exhibits something that closely approaches insolence. There is no doubt that the state can pass a retroactive law."

"The present chief justice of the United States supreme court, on the floor of congress, lobbied in favor of a retroactive law. The principle is recognized. It is permissible when necessary and public necessity now certainly requires it."

BIBLICAL AND LATIN STUDENTS IN DISPUTE

NEW YORK, April 27.—An old controversy flared up today among biblical and Latin scholars over the assertion of Dr. E. S. Buchanan, former manuscript curator of the Hispanic society of America, that he has discovered a second century version of the new testament. The New York Times today quoted Dr. Buchanan as saying that the new version furnished no basis for belief in the day of judgment, the end of the world, baptism and hell and assigns to woman a more superior place than previously accepted versions.

Dr. Buchanan's text was taken from vellum manuscripts known as the Codex Bezae Cantabrigiae. Palladius, supposedly brought here after it was stolen from a Spanish monastery. His assertion that he deciphered the text after months of patient reading of undeciphering which had been washed out by acid but which was indelibly imprinted by a steel instrument by the original writer, is contradicted by others who say they carefully examined the manuscript.

MACMILLAN ORATOR AS WELL AS EXPLORER

Donald R. MacMillan, the famous explorer who comes to the Memorial Auditorium next Monday evening, has the happy quality of being a good orator as well as a good explorer. The combination makes for a delightful evening, and those who attend his lecture on Monday are promised a genuine treat.

The title of MacMillan's latest lecture is "The Unknown Arctic Land." It is a record of his latest trip to the arctic regions and he is well equipped with a wealth of material to speak interestingly upon it. There is no man who has spent such time in the frozen region as MacMillan and the fact is reflected in his lecture work.

The coming to Lowell of this well known explorer has been received with great pleasure on the part of many Lowell educational institutions and many reservations have been made for tickets. The Downtown Men's club has applied for a large section of the floor of the auditorium to have taken it up. The Ad club is interested to a good extent and will be well represented. Edward J. Cooney spoke yesterday before the Normal school girls and this morning he went to the Lowell Textile school.

Tickets may yet be secured at Steinert's for the MacMillan lecture.

BOSTON, April 27.—Congressman William D. Upshaw of Atlanta, Ga., in the People's Temple on Columbus avenue last evening, pretended to be very much exercised over the idea that Massachusetts is contemplating secession

from the union because the state legislature is considering a referendum on the liquor question.

The thought—or the idea—furnished him an opportunity to indulge in a tirade of faction rhetoric which should be the means of selecting him to congress.

For as a southerner who fully appreciated the consequences of secession he was able to warn Massachusetts of her impending fate if she dared bolt from the "Prohibition Union of States." And he did not forget the "New Boston twice"—his colleagues in congress—the "Terrible Tinkham and Gynaestatic Gallivan."

There were only about 300 present at the meeting to hear Congressman Up-

DATELESS NIGHTS FOR NORTHWESTERN BOYS

EVANSTON, Ill., April 27.—The young men at Northwestern university have agreed to join the young women of that institution in observing three dateless nights each week, according to an announcement made at the university recently.

The action was taken by representatives of fraternities and various other groups, mainly in the interest of men students working their way through college who are not able financially to engage in intensive social life. It has the approval of President Walter Dill Scott of the university.

President Scott, in commenting on the voluntary regulation said: "The students and faculty of Northwestern wish the university to be an arbiter of brains, not an arbiter of money. We want to give the brains a chance to grow, instead of being submerged by excessive social activities."

The men feel their stand also through the better, less frequent engagements with the fair sex will result in higher standards of scholarship and more attention to the development of athletics.

The dateless night agreement was in conformity with a recent vote taken among the women by the Women's self government association of the university. This vote showed that the women favored the idea of dateless nights, not having a success. They voted almost unanimously to continue the plan.

Miss Abbie Merrill, vice-president of the Women's Self Government association, said: "Since we adopted the rule of no dates on Monday, Tuesday and Thursday nights, the scholarship of the girls has shown improvement. They know each other better and are getting more benefit from their work in the university."

The men have pledged that they would not have engagements on three nights a week, either with university girls, or with young women of Chicago or Evanston.

VOTES WILL DECIDE TWO LIQUOR ISSUES

WINNIPEG, Man., April 27.—The people of Manitoba will be asked to vote not only for the establishment of government liquor stores, to dispense liquor for beverage purposes, but also on a petition put forward by the Beer and Wine League for the sale of beer and wine with meals in hotels. Separate referendums will be taken, according to a decision reached by the Manitoba legislature.

The referendum submitted by the Moderate League of Manitoba, calling for establishment of government liquor stores, will be voted on June 1, while the beer and wine question will be settled by the electorate probably in September.

TOMBSTONE WAKES AUTOISTS
READING, Pa., April 27.—A tombstone, erected near Hagerstown, Pa., is a grim reminder to reckless automobilists of the dangers of careless drivers on the highways.

The stone, about four feet high has the word "Tombstones" at the top. On the side toward Reading a skull and crossbones appears with the inscription "11 miles to the nearest hospital."

20 BANDITS SUMMARILY SHOT
HONG KONG, China, March 27.—After one of those swift and informal hearings characteristic of Chinese legal procedure in the lesser centers of the interior, 20 of 30 prisoners held to be bandits by the city magistrate were summarily shot here recently.

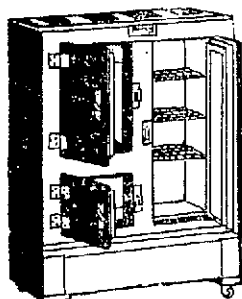

The rule of procedure in dealing with the bandit menace is that the "killing of one puts fear into the hearts of a hundred."

PATROLMAN SUSPENDED FOR SIX MONTHS

Patrolman John Mahan has been suspended from the department for a period of six months for conduct unbecoming an officer of the law on the evening of April 26, the suspension to take effect immediately. It was only a few days ago that the same officer was publicly commended for his capture of a clothing-store thief in this city.

Election Commissioners Want More Pay

Continued
ing that in his opinion there can be no redress from the council, for there is nothing in the city charter empowering the municipal council to increase salaries after the budget is made out. "Although we may feel that the members of the election commission are entitled to more pay," he said, "because of additional work through the listing board we are powerless." It was intimated at city hall this morning that the case of the election commissioners may be taken to court on the ground that it was the intent of the legislature in enacting the bill to make the salary of the board \$2000 a year for each member, and that inasmuch as the work of the board has been increased 100 per cent, its members are entitled to a higher salary.

Assessors' Department
The work of assessing real estate is about half finished and has been dropped temporarily in order that the temporary clerks in the office may be given something to do. The clerks have caught up with the work that is being given them by the listing board and today they started on the compiling of statements that are being filed by taxpayers of the city. These statements are gone over carefully by the board of assessors, checked up and then turned over to the clerks, who make final disposition of them. As soon as the assessors are through with the statements they will resume their task of assessing real estate.

Memorial Drive
Invitations to attend the exercises which will be carried out in Knapp avenue tomorrow in conjunction with the planting of trees for the so-called Memorial drive have been sent out to the O.A.R., Spanish-War Veterans, American Legion, Disabled Veterans and Foreign War Veterans. The plant-

ing of the trees will be under the direction of the park department, while the exercises will be in care of the Legion. The program will be carried out at 3 o'clock.
ANOTHER CUT IN GASOLINE
NEW YORK, April 27.—The Standard Oil Co., of New Jersey today announced another cut of one cent a gallon in the price of gasoline. This is the second cut within a week, and is due, the company states to a surplus production.
The Texas company and the Gulf Refining Co. also announced reductions of one cent a gallon in the price of gasoline in their territories.

COURT DENIES PETITIONS FOR NEW TRIAL

According to a notification received at the office of Donahue and Donahue, this city, Judge Cox of the superior court, has overruled the petition of Quin Howard and Rogers for a new trial in the case of Andrew Jones vs. the B. F. Butler Co-operative bank for breach of contract. Donahue and Donahue appeared for the plaintiff in the original trial and Quin Howard and Rogers for the

complainant, and after a verdict of \$1400 had been returned, Mr. Rogers asked for the new trial.

FASCISTI ATTACK PALERMO CHAMBER

PALESTINE, Sicily, April 27.—(By the Associated Press) The Fascisti here, indignant at a Communiqué issued by the socialists and communists denouncing the action of the government for suppressing the labor holiday of May 1, attacked the Palermo chamber of labor last night. The interior of the building was wrecked and the furniture hauled out and set on fire.

HOW HESTER REED WON AN ESSAY PRIZE

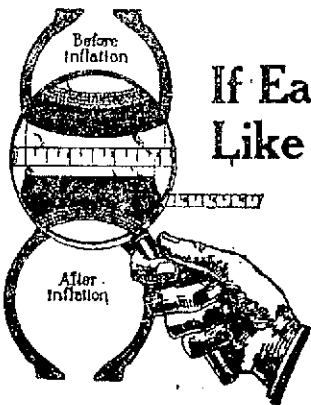

Herewith is Miss Hester Reed's solution to the question asked by the chamber of commerce in its essay contest, "How Can We Make Our Streets Safe For School Children?" Miss Reed is a pupil of the Greenbush School and was awarded an Evergreen pencil for her composition. Her essay follows:

"The city should carry out all rules of the state, within its own limits, and make what additional regulations are needed locally. Municipal policemen, especially those assigned to traffic, assist greatly to obtain safety on our streets. Such officers of the law should see to it that all laws of the state are obeyed, and that all crossing signals are heeded. When a crossing signal is needed, policemen for all dangerous corners 'Silent Police' or automatic signal posts may be erected in those places. A city or any political unit may supplement its program for safety by billboard advertisements pointing out causes and results of accidents. Next come causes of accidents. Some people do not care how they are going or who is going to suffer. These persons go around corners as if they were on some important errand, when they are only trying to see how fast they can go. All such offenders should be punished to the extent of the law. As in life it is the little things that count, so it is in this instance. Failure to know the horn, signal, slow down, or observe all rules of the road—such as may seem trivial by some drivers—cause serious accidents and sometimes death. Last of all come victims of accidents. Some of these victims would not have been hurt or killed if they had not been so careless. By crossing streets without first looking in every direction from which any vehicle might come, by playing in streets and by hopping on vehicles, many children are hurt or killed annually. Considering the fact that a large percentage of victims are children, it seems to be the fact that a great part of the remedy lies in the children themselves. Caution on the part of drivers would remedy this situation greatly."

"Such a record as Lowell now has needs radical change and lies on the part of every body. 'We' include the whole human race and not a few here and there. State and community can make laws but without the co-operation of all resident people, law making becomes a farce."

persons go around corners as if they were on some important errand, when they are only trying to see how fast they can go. All such offenders should be punished to the extent of the law. As in life it is the little things that count, so it is in this instance. Failure to know the horn, signal, slow down, or observe all rules of the road—such as may seem trivial by some drivers—cause serious accidents and sometimes death. Last of all come victims of accidents. Some of these victims would not have been hurt or killed if they had not been so careless. By crossing streets without first looking in every direction from which any vehicle might come, by playing in streets and by hopping on vehicles, many children are hurt or killed annually. Considering the fact that a large percentage of victims are children, it seems to be the fact that a great part of the remedy lies in the children themselves. Caution on the part of drivers would remedy this situation greatly."

"Such a record as Lowell now has needs radical change and lies on the part of every body. 'We' include the whole human race and not a few here and there. State and community can make laws but without the co-operation of all resident people, law making becomes a farce."

PROHIBITION FINDS FAVOR N CHILE

CHICAGO, April 27.—As far as the cause being supported by powerful political factors is concerned, Chile is on the verge of prohibition, according to Bishop William F. Oldham, resident bishop of the Methodist Episcopal church at Buenos Aires who recently arrived at Chicago.

"With the president of Chile an ardent prohibitionist and with the movement of the labor party behind the movement, the sentiment in favor of prohibition has grown by leaps and bounds," said Bishop Oldham. "The only obstacle now is the economic one of the disposition of their vast vineyards. Delegation from Chile have gone in the past year to California and Italy to study the possibilities of the raisin industry as a means of saving the value of the vineyards on the advent of prohibition. With the solution of this problem I believe that prohibition will be an easy matter in Chile."

"The Chilean people are studying prohibition as it is in evidence in the United States, and a great deal of information has been spread before them through the medium of the press."

ROADSTONE WAJNS AUTOISTS

READING, Pa., April 27.—A tombstone, erected near Hughes Hill, on the Potomac river near Washington, is a grim reminder to reckless automobilists of the dangers of careless driving on the highway.

The stone, about four feet high has the word "Barricade" at the top on the side toward Reading, a skull and crossbones appears with the announcement "11 miles to the nearest hospital."

Blood Pressure Down Five Degrees

Mrs. Charles Whitney of Troy Tells How to Quickly Reduce High Blood Pressure

"I have suffered from high blood pressure since last July with a pressure of 27. I would have these severe headaches that came with high blood pressure, such as dull, throbbing pain and ringing in my ears. I had terrible dizzy spells, at times so bad I would have to catch hold of something to keep from falling. I would become very weak and often I would faint away. Finally, I became nervous and could not sleep at night. I read of NORMA and decided to give it a trial and I'm terribly glad I did. Why, you know the first day my headache went down five degrees and I slept that night. A few nights later those dizzy spells have left and I have had a week of sleeping right sound. The first few days, I had these headaches about as bad as I can remember for they were terrible. I can recommend NORMA to anyone suffering as I did." Mrs. Charles Whitney, Troy, N. Y., writes, April 22, 1923.

NORMA is the new way for high blood pressure that A. M. Davis & Co. is selling so rapidly these days. It is a first grade blood purifier, blood cleanser with relaxing properties. All that less druggists need to guarantee it. Mail orders, please, to A. M. Davis & Co., Inc., Albany, N. Y., N. Y.

ROSWELL R. ROBINSON DEAD
Was Trustee and Associate Founder of Boston University—Retired Soap Manufacturer and Banker
MALDEN, April 27.—Roswell R. Robinson, trustee and associate founder of Boston University and for many years in Methodist Episcopal church affairs, died at his home here today. Mr. Robinson, who was born in Taunton, in 1855, was a retired soap manufacturer and banker. He had been a generous contributor to Boston University and to various other bodies. He was a delegate to the general Methodist conference at Baltimore in 1908.

TO OBSERVE PRIEST'S GOLDEN JUBILEE

Plans are under way among the residents of St. Paul de Jollette, Que., for a big celebration on the occasion of the golden jubilee of Rev. Antoine A. Amyot, O.M.I., of St. Joseph's parish, this city, dean of the Oblate Fathers of Lowell and former pastor of St. Marie's church, in South Lowell.
Rev. Fr. Amyot was born and christened at St. Paul de Jollette and the residents of the quiet old Canadian village will not allow such an occasion as the golden jubilee of a priest, who was born in their midst to go by unheeded and hence the plans, which have already been started.
On Oct. 26 next Rev. Fr. Amyot will round up a half century as a priest and it is very probable that an appropriate celebration will be held in this city at that time. But in August the venerable priest, accompanied by his province, Very Rev. J. E. Turcotte, O.M.I., will journey to his native town where the big celebration, in which it is expected all the residents will take part, will be carried out. While in the Dominion, Rev. Fr. Amyot will also visit his alma mater, the Assumption college at Assumption, Que., and will be the guest of a great number of his relatives in the surrounding towns, whom he has not seen for a great many years.
Rev. Fr. Amyot observed his 75th birthday anniversary last Feb. 9 and despite his advanced age he is still enjoying the best of health and is quite alert. Last summer he celebrated the 50th anniversary of his entrance into the Oblate order with a solemn high mass at St. Jean Baptiste church, which

was celebrated by Rev. Leonora Perreault, assisted by Rev. Adrien Perreault, as deacon and Rev. Avila Perreault, O.S.A., as sub-deacon, all three nephews of the Lowell priest.

Every Church in Boston To Be Guarded

and two bombs found with it in his South End rooms. At the same time department of justice agents conducted an inquiry into his alleged radical activities, because of which a charge of distributing anarchistic propaganda was joined with that of having explosives in his possession.

Among Blamfield's effects in his South End apartment were scores of daily papers with detailed accounts of various Catholic church fires. It was also discovered that Blamfield sold one of his fire starters to a suspicious looking character an hour before the fire that threatened St. Peter's Catholic church in South Boston.

Blamfield told the court when arraigned yesterday that he was a native of the British empire, and born in this country 25 years, but was not a citizen. He was held in \$500.

In addition to a wagonload of literature, the raid disclosed two bombs, a quantity of caps said to be timed from two to five hours and an automatic fire-lighter. He said the literature found in his rooms, containing numerous references to "destructive warfare on society" and "concerted action" was merely advertising matter for his auto-

mobile fire-lighter. This device is admittedly causing the police much uneasiness as they fear it has been widely sold.

The literature describing the possibilities of the fire-lighter took the form of a four-page circular. One paragraph said:

"It undoubtedly equips the individual with an effective means of carrying on a destructive warfare against society if he so chooses, with relatively a high degree of safety to himself."
"The moral effectiveness of self-defense (the fire-lighter) is an every day fact. Ignorance in the struggle against greed, cunning and exploitation of the masses and not merely in a military exigency. Every adult living in a moral effective should have one or more."

12 Die in New York Fire

Continued
His little son, Hyman, who also had been awakened, crawled on his hands and knees behind him. Mandelbaum placed the youngster on the fire escape and told him to jump down and wait for the firemen. He was rescued, holding flaming furnace.
When Mandelbaum reached the burning "Fire" turned back to look to his apartment he was shocked to see flames shooting from the door. Valiantly he tried to get into his apartment, but the flames beat him back. He was staggered in again when a woman, summoned on three alarms, tried to get to safety. By this time the building was a roaring furnace, and the women were driven out of the building.
The Knix family which occupied an apartment opposite the Mandelbaums,

was trapped. Mrs. Brownstein was pulled out of the room unconscious by firemen, and taken to a hospital where she died.

Died Trying to Save Wedding Dress
Bertha Kluxis, who was to have been married June 17, lost her life because she went back to her apartments for her wedding dress.

Two policemen, James Conner and John Malone, a taxicab driver, Lou Moskowitz and a local pundit, "Mankie" Freeman made heroic rescues. The policemen carried Mrs. Annie Solomon, an aged invalid, down a flaming stairway.
Moskowitz drove his cab under a fire escape and with the aid of Freeman caught the frightened men, women and children as they leaped to the top of the ed. Sixty persons were rescued in this manner.

CRESCENDO CLUB HAS MONTHLY MEETING

The regular monthly meeting of the Crescendo club took place Wednesday evening, at 224 Merrimack street. During the business meeting plans were made for the national convention which is to be held in Boston, May 10. The annual contest will be held at Steinert hall in the morning, and the regular convention and luncheon will take place at the Crystal Plaza in the afternoon. Margaret Martin of this city, is among those taking part in the entertainment. Leona Giff and Mildred Denyer are the delegates from Lowell. After the business meeting adjourned, a very unique program was carried out, every member on the program being spring music.

POLICE MAKE BIG RAID AT HOUSE IN TROTTER PARK ROAD

Behind the Hill They Found a Still Where Moonshine Was Made on the Sly—John Endyk Was Arraigned in District Court Today, But John Says He Doesn't Own the Still or the Moonshine—Police Will Proceed to Do a Little Probing

In the quiet recesses of secluded Trotter Park road, off Vermont avenue, Capt. Palmer, Sergt. Winn, Officer Abdrich, Molony, Cossato and Killen of the local police squad yesterday afternoon raided the innocent-looking dwelling of John E. Endyk and found a 100-gallon still, over 1000 gallons of mash 23 gallons of alleged moonshine and several empty bottles of jugs and other illicit paraphernalia used in the manufacture of the forbidden drink.

The still was located in the cellar of the house, neatly set on a stove with a huge condenser 10 feet away. A waste pipe extended from the condenser along the ceiling to an outlet at the farther end of the room. Endyk was not at home when the first visit was made to the premises. His wife and four small children were the only occupants when the officers arrived and were greatly excited during the process of investigation. Officer Molony was sent back

to the police station to secure the proper papers and was hearing the place of seizure on the return trip when he encountered a man unconcernedly driving a horse in the direction of his destination.

"What's your name?" demanded the officer. "John Endyk," was the reply, and when he admitted being the tenant of the Trotter Park road home, Officer Molony escorted his vehicle and accompanied him for the remainder of the journey.

Approaching the house, a woman, Endyk's wife, was seen standing on the veranda frantically waving her arms in an effort to attract her husband's attention and warn him of the presence of the police. She did not know that her husband's companion was Officer Molony.

Questioned as to the ownership of the still, Endyk said that it was the property of a Greek resident of Lowell whose name he did not know. He said he has been living with his family in Trotter Park road only two weeks and when questioned further, he stated he could not understand the officers, nor could they understand him.

In the district court this morning, Endyk was continued in \$500 bonds until May 4 to give the officers sufficient time to investigate as to the real owner of the property.

ATTOS IN COLLISION

Arthur H. Nadeau of 11 Fairmount street, Lawrence, reported that while driving up Sixth street at 9:45 this morning, his machine collided with one driven by J. M. Burke, which was coming down Main street. Mr. Burke's machine was quite seriously smashed, while Mr. Nadeau's was but slightly damaged.

BUSINESS IS BOOMING

Continued Increase in Industrial Production—Building Operations, Etc.

WASHINGTON, April 27.—Continued increases in industrial production, further expansion in building operations and freight movements heavier each week than in any corresponding week in four years, were reported as among the outstanding features of business conditions this month in a statement today by the federal reserve board.

General production, the statement announced, was eight per cent. higher on the board's index ratio than the high peak of 1920 and 47 per cent. above the low point of 1921.

The board's statement was devoid of

comment as to the length to which business expansion may go. It was ascertained, however, that in some "official quarters the belief is held that pyramiding of orders is developing and some alarm was expressed as to the significance of this condition.

There has as yet been no reflecting in the rediscounts by the Federal Reserve banks of the reported heavy borrowings from member banks of the reserve system. The loans of member banks for commercial purposes increased \$18,000,000 in the 30 days prior to April 11. The increase, however, has not been reflected in the rediscounts of reserve banks largely as a result, the statement explained, of withdrawal of funds from investments and the continued inflow of gold. This condition also has resulted in more or less stable money rates.

March sales by department stores as reported to the reserve banks, were about 22 per cent. greater than a year ago. Sales by mail order houses were reported as larger than in any month since November, 1920, and 35 per cent.

larger than March of last year. In both the mail order and retail establishments, the sales were said to be including in April at rates that indicated equally high totals.

ELECTRICAL BOYS WIN
VOCATIONAL MEET

The first annual indoor track meet was held by the Boys' Vocational school yesterday afternoon at the drill shed in Paige street. The meet was held as a completion of the indoor physical work and the competitors were the four departments of the school, automobile, woodworking, electrical and machine.

The first event was a basketball game between the Monday and Friday

groups. It was won by the Friday group, 3 to 2. Laflamme was captain of the winning team. The next event was a 30 yard dash for class 1 boys. This was run in two trial heats. The final heat won by Laflamme, of the automobile department, second Horne, also of the automobile department.

Then came the 30 yard dash for Class 2 boys. After the trial heats, the final heat resulted in a win for Sullivan, Electrical; McMorow, electrical, second, and Murphy, carpentry, third.

Next came the 600 yard run for Class 1 boys. This was won in two heats against time and was won by Laflamme, auto department, with Kinch of the carpentry department, second. In the 600 yard run for Class 2 boys,

the winner was Murphy, of the carpentry department; Francoeur, of the carpentry department, second, with Dupont and Boisvert, of the auto department, tied for third place.

In the 35 yard hurdles, after the trial heats, the final was won by Cullinan, of the machine department. For Class 2 boys the hurdles were won by McMorow, electrical, first; Mansell, automobile, second, and Lavole, electrical, third.

In the basketball game between the winners of the first game and the Wednesday group, the final score was 5 to 3 in favor of the Wednesday group. Welch, captain.

This was followed by the one-lap relay for Class 2 boys, four boys from

each department running one lap each. The electrical department was the winner in this, the auto coming second, and the carpentry third. The two lap relay for class 1 boys, four from each department was won by the machine department with the carpentry department second, and the automobile third.

The last event was the high jump. In Class 1 Laflamme and Teabody of the automobile department were tied with Cullinan of the machine department for first place, giving six points to the automobile and three points to the machine. High jump for Class 2 boys was won by Sullivan, of the electrical department, second, with Francoeur, of the carpentry department, third.

each department, McMorow, of the electrical, second, with Francoeur, of the electrical and Murphy, of the electrical, tied for third, giving the electrical department also points.

The meet was won by the electrical department with a final score of 32, auto department second, with 28, and the carpentry and machine departments with 16 points each, tied for third place.

The faculty and members of the girls' school attended the meet and it is needless to say they enjoyed it.

GIRLS DRAW FOR HUSBANDS

Love and Courtship Have No Place in Marriages in House of David Colony

Girls Mated by System of Lottery, Witnesses Tell Judge Dingeman

ST. JOSEPH, Mich., April 27.—Love and courtship have no place in marriages at the House of David colony at Benton Harbor, but instead marriageable girls are mated by a system of lottery in accordance with the rules of the cult, witnesses have told Judge Harry Dingeman, presiding at a grand jury.

The system was told yesterday by Benjamin Hill, 34, a life-long member of the colony, who was called before the grand jury after he had been intercepted in an attempt to leave the colony with a woman companion from the House of David.

husbands by drawing from a hat names of men members of the colony. After the lottery, the girls and the lottery bridegrooms were married in a group.

Hill told of his own romance with the woman who accompanied him. They had been sweethearts for years, he said, but his name was drawn by a 15-year-old girl whom "King" Benja-

min caused him to marry. Just recently, he said, his name was drawn in another marriage lottery, his wife having divorced him after departing from the colony. The second girl was Marietta Smith, Hill said, but he protested so strongly that she drew again. Her marriage to her second choice was halted by Attorney General Daugherty this week.

Hill said he had heard stories of alleged immoral practices indulged in by the cult leader and gradually lost faith in the teachings. His mother's death he said, shattered what little belief remained. Purnell teaches, he said, that those "in the faith" are immortal and only those who do not keep the faith die.

Lillian Hinnaford, 32, who was Hill's companion in his night flight from the colony, said she knew little about any incidents that transpired at Shiloh.

ORDERS CHURCH CLOSED NOT FIT TO BE AT LARGE

Pastor Had Issued Divorce to Former U. S. Senator Hollis of New Hampshire

ST. JOSEPH, Mich., April 27.—(By the Associated Press)—The high administrative court of Bulgaria has handed down a decision involving the definite closing of the Unitarian church at Dubnitz, the pastor of which, M. Topilsky, issued a divorce to former United States Senator Henry F. Hollis of New Hampshire. The Unitarian church at Dubnitz, Bulgaria was closed not long after its pastor granted former Senator Hollis a divorce in March, 1922. The department of religion and education of the Bulgarian foreign office, in taking this action, announced that the church was not officially recognized by the state. The department also said that the divorce possessed no legal force.

On March 21, 1922, Mr. Hollis was married to Miss Anne White Hobbs of Concord, N. H., at the American Methodist church in Rome. The civil rites were performed by Municipal Councillor Serru, as acting mayor of Rome.

Maj. Daugherty Committed to Sanitarium as "Habitual Drunkard"

STAMFORD, Ct., April 27.—Maj. Draper M. Daugherty, son of United States Atty. Gen. Harry M. Daugherty, was yesterday afternoon formally committed to Stamford Hall sanitarium by Floyd D. Hartman, judge of probate, for not less than four months or more than one year.

Judge Hartman found Maj. Daugherty an habitual drunkard or inebriate, as set forth in the petition for Daugherty's commitment filed by his wife, Mrs. Daugherty of New York, and his uncle, M. S. Daugherty of Washington Court House, O. It was stated that Atty. Gen. Daugherty is in entire sympathy with the proceedings.

The commitment was made after testimony by Dr. Graeme M. Hammond of 60 West 65th street, New York, a noted alienist who figured in the Thaw case, and by Dr. John J. Staub of Stamford to the effect that, in their opinion, Maj. Daugherty is an habitual drunkard and is not fit to be at large.

Dr. Hammond testified that if he were allowed to remain at large he "will continue to drink to excess and probably perpetrate other acts of a criminal nature."

FOIL HUNGER STRIKERS

Dail Eireann Proposes Vote to Stop Releases—May Free Mary MacSwiney

DUBLIN, April 27. (By A. P.)—Miss Nellie Ryan and Miss Annie O'Neill, released from prison by the Free State government yesterday after hunger strikes lasting more than a month, were in actual danger of death by starvation, according to medical evidence, it was announced last night. Miss Ryan

the minister of defense. In announcing the release of the two women, a government communiqué says the decision was taken following the discussion in the Dail Eireann Wednesday night, when Dr. Patrick McCartan gave notice that he would move a resolution next Wednesday providing that: "In the opinion of the Dail any prisoners who decide, after the passing of this resolution, to go on hunger strike in order to secure their release should be allowed to take the full consequences of their act." It is expected the Dail will adopt the resolution, which will thereupon become the basis of the government's policy. Meanwhile it is believed other hunger strikers will be released, including Miss Mary MacSwiney and Mrs. Kate O'Callaghan, widow of the lord mayor of Limerick.

CHANGE COPYRIGHT LAWS

Music Broadcasting Injunction Causes Demand for Change

The long fight for the amendment of our copyright laws may be hastened considerably by the present difficulty encountered in the broadcasting of radio music.

Action on the part of the Society of Authors, Composers and Publishers, in stopping broadcasting stations from transmitting music within their control, has brought on such severe criticism and objections by broadcasters generally, that this may result in a demand for a change in our copyright laws for the benefit of broadcasters and radio listeners.

"This action will certainly react in a very unfavorable way in so far as the great radio audience and public opinion are concerned," says George Schuchel, secretary of the Radio Broadcasting Society, referring to the injunction against broadcasting copyrighted music.

Monopoly Charged

"This copyright group, we are informed, enjoys a monopoly of about 95 per cent of copyrighted music and musical productions in the United States. If it were to be universally successful in its intention to levy a tax on broadcasting stations, it would act as a financial pall upon all broadcasting activities and would drive out of existence many of those independent stations which need to be encouraged as the only bulwark against a possible monopoly of radio broadcasting in the future."

"No one wants to deprive an author, composer or publisher of the fruits of his labor. He has a right to ask return on his copyrights, but congress, in establishing a copyright law had in mind protection and not extortion. The moment such a right, conferred by the American people, is used as a weapon of monopoly and aggression against them, then the American people have it in their power to take away this right, and they certainly will, through their congress, take such action."

Despite this injunction against broadcasting copyrighted music without permission, the Society of Radio Artists and Audiences in continuing to broadcast music through station WJIN at Ridgewood, N. Y.

Defy Composers

"This society does not and never did operate for profit," declares James J. Foley, its president, "and for this reason it does not infringe on any copyright. Believing it is entirely within its rights, it will continue to broadcast as in the past."

The Society of Radio Artists and Audiences consists of lecturers, musicians and singers who have volunteered their services for broadcasting purposes. According to its constitution it has dedicated itself to "the advancement of American ideals in music, language and song through radio."

It is Foley's opinion that the injunction obtained by the authors and composers will react against them. They are losing invaluable publicity for the sale of their compositions, he affirms.

SUEDE COATS

Suede jackets of Luvlin green are very popular this season. They achieve a softness and suppleness which is almost unbelievable.

WARNING

GUARD THE LUNGS THROUGH APRIL

April is a treacherous month with its frequent changes of weather. A month when pneumonia stalks the land.

Even the ordinary cold develops into an obstinate, lingering cough at this season.

If you ignore a cold or a cough now, in the belief that it will wear off during the mild weather, you are liable to pay a severe penalty.

ALLEN'S LUNG HEALER

Protects the lungs from attack, warding off pneumonia when used in season, and banishes the obstinate bronchial cough. Not infallible, but it seldom fails.

Sold in Lowell by A. W. Davis & Co., L. H. Brunelle, E. J. Campbell, Sam McNeill, Lower McNeill, J. J. Brown, William H. Noonan, T. C. Walker, Fred Howard, F. H. Butler—Adv.

NEW LADIES' SHOP ON MERRIMACK STREET

Tomorrow morning the Ladies' Ready-to-Wear Store of W. W. Poole at 123 Merrimack street, opposite Steinert's, will open. Mr. Poole has been in the ladies' apparel business for 15 years or more and comes here from Newport, Rhode Island, where he was born and with one of the largest stores in that city. He will carry a most complete line of ladies' coats, suits, dresses, skirts, etc. It is his most sincere desire to give the women of the city and surrounding towns the most satisfactory service in every respect. The merchandise he will carry

will stand the test and a varied and splendid assortment in every line will be found there. For the opening tomorrow they have been fortunate in purchasing some exceptional values in ladies' suits, coats and dresses, and the women of the city will do well if they drop in and see for themselves the display of ready-to-wear apparel.

ENTERTAINMENT IN CHURCH VESTRY

The Amica class of the Pawtucket Congregational church conducted its annual entertainment in the church vestry last evening and the attendance numbered several hundred. The program included vocal and instrumental

selections as well as the presentation of a comedy sketch, "The Last Rehearsal." Those who took part in the program were Doris Howker, Vesta Carson, Frances Mitchell, Lillian Lewis, Hope Eddison, Textile Students' orchestra, Rebecca Fish, Ida Cross, Bertha Olsen, Rita Thompson, Lillian Lodge, Haskell and Dorothy Morris. During intermission a candy and apron sale was conducted, these in charge being as follows:

Apron table: Helen Hawker, chairman; Hannah Hall, Dorothy Richards, Irene Trull and Mabel Olsonman. Candy table: Bertha Carson, chairman; Helen Mansfield, Marion Swann, Margaret Seaton, Mabel Armstrong, Rita Graft, Mollie Varnum, Mrs. A. Gladys Braden and Ruth Lackey.

Are Women Naturally Despondent?

A prominent writer so claims. Women are constituted with a delicate organism and in nine cases out of ten mental depression may be attributed to an abnormal condition of the system, which expresses itself in nervousness, sleeplessness, headaches, aches, causing constant misery and as a result despondency. Lydia E. Pinkham's Vegetable Compound, a simple remedy made from roots and herbs, is the one great remedy for this condition. It goes to the root of the trouble and overcomes despondency.—Adv.

FRECKLES AND HIS FRIENDS

INDOOR CARNIVAL

CHURCH VESTRY

An indoor carnival, furnishing all the amusements of the one-ring circus and the side-shows, was given in the vestry of the First Congregational church yesterday afternoon and evening.

Have You Piles?

Then You Have Something to Learn

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonard was first to find the remedy. His prescription, HEM-ROID, is now sold by all druggists. Dr. Leonard tried it in 1000 cases with the marvelous record of success in 98 per cent, and then decided it should be sold under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Green's drug store today. It has given safe and lasting relief to thousands and should do the same for you—It seldom fails—Adv.

being by the young people of the church.

The afternoon show started at 4 o'clock. Balloons and other favors were given away and attractions consisting of free movies, fish pools, treasure hunts, and others of like nature kept the spirits of the children soaring until it was time to return home to supper.

The evening show included, in addition to the attraction features, a singing chorus, staged by the members of the Epworth League, with Joseph Hollingsworth as manager, a fortune teller, an African dancer and others.

The committees in charge of the various amusements were as follows:

General committee: Miss Blanche Alexander, chairman; Marion Purcell, Helen G. Black, Mrs. Walter L. Muzzey, Mrs. Harry Kershaw, Miss M. Elizabeth Patterson, Mrs. Herbert J. Ball, Mrs. A. E. Webb, Mr. Ottmar H. Held.

Japanese bowling, marble rolling, bean bag, Miss Winifred L. Davis; Candy table, Mrs. George Upson; class; fish pond, Mrs. Walter L. Muzzey's class; African dancer shooting gallery, Edward R. Cornell's class; quoits, John Osgood's class; one ring circus, up-streamers; mass games, Clara R. Towne, Miss Mildred Macfarlane; arrangements, Mrs. Herbert J. Ball; hunts, Miss Edith Spencer.

AMUSEMENT NOTES

D. F. KEITH'S THEATRE

The all-star bill of the current week at the D. F. Keith theatre is featured by several acts of more than ordinary drawing power. Master Gabriel in the fantasy, "Capt. Kidd," is very naturally the big novelty, but Panton & Fields, in their dancing-talking-comedy turn rate up as one of the week's best cards. Not a whit behind them, either, in ability to interest are Ed. Brady and Allen Cross, singers of modern songs in a way which gives undiluted pleasure. These two men are rattling good entertainers. Rolland & Ray, in "By Appointment," have a snappy little comedy which pleases. Other acts which are rated high of the week's allotment of good things are: Peggy Brooks, singing comedienne; M. E. G. Line, trio of acrobats, and the Farrells, makers of rag pictures.

THE STRAND

Dorothy Phillips in "Hurricane's Gal," is the feature picture on the program at The Strand for the week-end. It's a story of seafaring and contains an interesting series of thrilling events that will hold interest from beginning to end. Frank Mayo in "The Alibi" will also contribute very materially to the pleasure of the offering, while the comedy and Weekly are always interesting.

SUNDAY AT THE STRAND

Five acts of big time vaudeville and

a super-photoplay constitutes the program scheduled for presentation at the Strand for Sunday. "Poor Men's Wives," a Gasnier creation, is to be the picture offering, while the vaudeville contributions include some of the best vaudeville entertainers to be had in the east. The Strand management makes every effort to produce for its patrons only the best, and its efforts thus far have been most successful. Come early and avoid disappointment of being turned away.

CROWN THEATRE

Pola Negri, star of "Passion," "Gypsy Blood," "One Arabian Night" and numerous other photoplays which have raised her to the pinnacle of cinema fame, will be seen at the Crown theatre for two days, beginning today in

a new picture, released by Goldwyn,

called "Mad Love." This is said to be a high-powered emotional drama which gives the famous Polish beauty even better opportunity than did the great picture that hurried her into world-wide fame. The star herself has declared that "Mad Love" and "Passion" are her two best pictures.

MERRIMACK SQUARE THEATRE

"Bella Donna," the greatest passion play of the season, starring Pola Negri, the noted Polish actress, has only a few more performances to run at the Merrimack Square theatre. Don't miss seeing this. The other feature of the current program is "The Blacksmith," starring Buster Keaton. "Oliver Twist," Charles Dickens' noted novel, will be

the feature attraction for Sunday, Monday, Tuesday and Wednesday, with little Jackie Coogan in the role of "Oliver."

LOWELL OPERA HOUSE

Just one day more left to see that big success, "Nothing But the Truth," William Collier favorite play, in which Arthur DeFord is being featured this week at the Opera house. Those who haven't as yet seen this play can still get tickets if they don't wait too long. There are still a few good seats left for Saturday's performances, but the demand to see this show has been very large and unless you get quickly you are going to be among those listed as wishing to see it and not among those who have already seen it and who feel better for having seen it. The play tells the story of a young man who

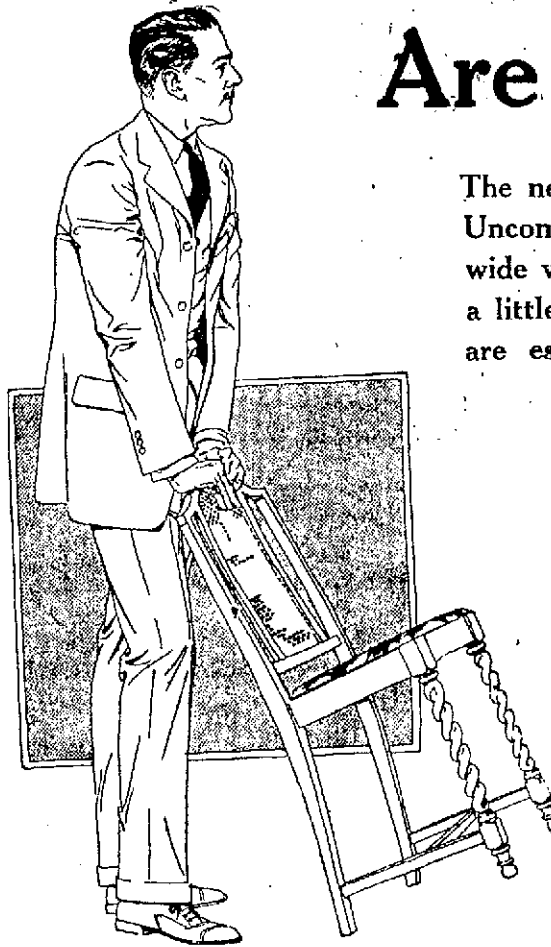

makes a wager that he will tell nothing but the truth. In order to accomplish this he has to overcome many obstacles which seemed almost impossible. The play was written for laughing purposes and from the way the audiences have received it this week, the writer has accomplished what he intended to do. You will laugh from the time that you go into the Opera house until the curtain goes down. And then you will still chuckle to yourself the next day when you think over some of the amusing situations.

CONVENTION OF UNIVERSALISTS

The annual convention of the Universalists of Massachusetts will be held at Malden May 15-17. Delegates from the First Universalist and the Grace Universalist churches of this city will attend and they will be chosen in the near future.

Blues, Greys, Tans

Are First Favorites

The new color tones for spring suits are very pleasing. Uncommon effects in stripes, checks and plaids offer a wide variety for you to choose from. The suit lines are a little fuller, less shapely. The Kuppenheimer models are especially fine.

All of Last Year's Officers Re-elected by Delegates to the Swedish Lutheran Conference in Local Church

OFFICERS OF THE SWEDISH LUTHERAN CONFERENCE AND THE LOWELL PASTOR

Left to right—Rev. P. E. Nordgren of the Lowell church; Rev. A. M. L. Herenius of Brookline, statistician; Rev. F. W. Lindstrom, of Pawtucket, R. I., treasurer; Rt. Rev. Dr. S. G. Hagglund, of Boston, president; Rev. Julius Hulteen of Hartford, Conn., secretary; Rev. J. A. Ekstrom of Worcester, vice president.

The delegates to the Swedish Lutheran conference in session at the Lutheran church on Meadowcroft street, re-elected all of last year's officers to their same positions at the business session yesterday afternoon. The officers are: Rt. Rev. S. G. Hagglund of Boston, president; Rev. J. A. Ekstrom of Worcester and vice president; Rev. Julius Hulteen of Hartford, Conn., secretary; Rev. P. E. Nordgren of Lowell, R. I., statistician; Rev. F. W. Lindstrom of Pawtucket, R. I., treasurer; Rev. A. M. L. Herenius of Brookline, Mass., vice president.

Dr. C. G. Erikson, president of Upsala college, read a very encouraging report of conditions at the conference college. He stated that the campaign started to raise \$500,000 had brought in \$400,000 of this amount, the remainder is promised in the near future. Several four-year scholarships were received from the various conferences during the past year, for the purpose of aiding deserving students. About 200 students are enrolled in the college. The number is constantly growing, necessitating additional room, stated the president. The matter of transferring the college to Naugatuck, Conn., was discussed at the afternoon session.

The following delegates were appointed to attend the Augustana Synod, which will be held at Rockford, Ill. Boston district, Rev. Dr. C. P. Johanson of Boston, Rev. Hanning Jacobson of Cambridge, Rev. J. Hokenson of Quincy, Anton Anderson of Lynn, Conrad Peterson of Brockton and Albert Carlson of Brighton.

Hartford district: Rev. Luther Malmberg of West Haven, Conn., Rev. T. J. Ekstrom of South Manchester, Conn., Rev. Gustave Carlson of Branford, Ct., and Virgilus Fern of Ansonia, Conn.

A grand festival service was held last evening and the church was filled. The musical program was excellent and the addresses which were delivered were inspiring and helpful. The program was as follows: Organ prelude, Cressendo, Rogers hymn by congregation. Altar service. Conducted by Rev. A. M. Bannader of Boston and Rev. William Frendberg of Montello, Mass. Hymn by congregation. Address: "The Sunday School Morning Service of the Lutheran Church—Its Liturgical Meaning." Rev. Dr. Abel Ahlquist of New Britain, Conn. Solos, Psalms of David, Wennerberg Thure Gillinson. Address: "The Evening Service of the

Presidence district—Rev. Carl Johanson of Providence, R. I., Rev. F. W. Lindstrom of East Greenwich, Conn., Axel E. Johnson of Providence, Carl Moberg of Crompton.

Worcester district—Rev. Hans Persson of Springfield, Rev. George Rindahl of Worcester, and Ernest Gustafson of Brattleboro, Vt.

The "Women's Home and Foreign Missionary Society" met in session for the first time this morning. President Mrs. Leander Hakenson presided. Other officers present were Mrs. J. A. Ekstrom of Worcester, vice president; Miss Hilmer Larson of Naugatuck, secretary; and Mrs. C. B. Schulberg of Worcester, treasurer. Discussion of plans relative to raising money for the missions was the principal business of the meeting. The women will have charge of the program at the church tonight.

Saco-Lowell Remonstrants Send Statement to Council

Continued
divided into four substantial propositions.

1. That the city council has authority to discontinue the streets in question, as they are town ways.
2. That these streets cannot be discontinued for the purpose of benefiting the Saco-Lowell company.
3. That in order to discontinue these streets, there must be an adjudication on the part of the council that common convenience and necessity require the closing of these streets.
4. That the petitioners are required to provide a bond to indemnify the city for such damages as may be suffered by the petitioners, due to the closing of these streets.

The remonstrants do not now, nor have they at any time, disputed these propositions, but their position has been and is today that, inasmuch as the petitioners successfully stated in the petition before the council that the purpose for which it is sought to have these streets discontinued is to provide for the Saco-Lowell company additional area for plant operations, it necessarily follows that the only question raised by the petition, as advertised for hearing and now open to adjudication by the council, is whether or not public interests require the closing of Worthen and New Kilson streets to provide the Saco-Lowell company with additional land for expansion. Even though the council favored the closing of these streets for this purpose, the remonstrants claim, and their claim now seems to be upheld by the court, that the city collector, the proponent of the Saco-Lowell company with additional area for plant operation is not a lawful purpose and would not warrant the council in discontinuing these streets.

In reference to the form of the vote suggested by the city collector to accomplish this purpose, was invited your attention to the proposition that the petition before the council is the foundation of all its proceedings in this relation. (See Commonwealth vs. Cambridge, 7 Mass. 158, at p. 163), that there is no allegation, in terms or by implication, in the original petition that these streets are no longer required as town ways by common convenience and necessity; that no hearing has been had on such question; and that the council would be acting irregularly by attempting to adjudicate such question in the absence of a petition and properly advertised hearings thereon.

In addition to the foregoing considerations, the remonstrants have claimed, and still claim, that an adjudication that common convenience and necessity require the closing of these streets is the equivalent of determining in some form of words that the streets in question "had become useless."

Commonwealth vs. Roxbury, 8 Mass. 467.
The adjudication of public convenience and necessity must relate itself solely to the use of the street for the purposes of travel and it has been held that such a determination is a matter of degree, and that a number of cases that an adjudication based even in part upon a desire to confer a private advantage will quashed on certiorari. Commonwealth vs. Swain, 5 Pick. 547.

Parks vs. Boston, 5 Pick. 218.
Jones vs. Andover, 5 Pick. 116.
It has further been held that certiorari will lie to quash proceedings to lay out or discontinue streets where the adjudication that the same is required by public convenience and necessity is in apparently proper form but where the record discloses the fact that private persons or corporations have prevailed upon the city to lay out or discontinue a way "colorably for the use of the inhabitants, but really for their own benefit."

Commonwealth vs. Cambridge, 7 Mass. 158, at p. 167.

The remonstrants therefore urge that inasmuch as the city collector's opinion does not advise the council in relation to the particular matters upon which the remonstrants' legal objections have been and still are based, a further opinion be requested from the city collector covering these matters before the council takes its final action.

Respectfully submitted,
ATTORNEYS FOR THE REMONSTRANTS.

it unsafe and unsanitary and a menace to the district and the lives of the children who attend it. Proponents of the bill admitted that no site had been selected for a new school or had any plan been drawn, but they explained this by saying that they felt they could not go ahead until given some assurance as to whether the money would be forthcoming.

the report the delegates returned to the Memorial Auditorium for the entertainment.

LAST NIGHT'S ENTERTAINMENT.
At the entertainment of the Royal Arcanum, complimentary to the visiting delegates and their friends, held in the Memorial Auditorium last night, Mr. Hugh Walker, chairman of the general committee, in charge of the convention, opened the speaking program. He made an appeal to the young

NEIL A. CLARK
Grand Secretary

men of the city to join the Arcanum as a means of protection to the family or other dependents. He stated that it

was fitting that the society with its three ideals of mercy, charity and virtue should hold its convention in this hall erected in memory of those who made the supreme sacrifice. Dr. Walker closed his introductory remarks with the statement that the Arcanum had never failed on a contract in its 46 years of existence.

The president of the evening, the Hon. Jas. E. O'Donnell, was introduced and he assumed charge of the program. He opened his remarks with a brief summary of the credit and honor that the committee in charge of planning the Memorial Auditorium had brought upon the city, and his people through this splendid structure. The Hon. John J. Donovan, mayor of Lowell, was introduced to the gathering.

The mayor stated that it was a great privilege for him to bring the delegates of the city of Lowell to the delegates of the Arcanum. He extended the freedom of the city.

The Myrtle Jordan, wife of Miss Jordan at the piano, Miss Cornelia Appleton at the violin, Miss Madeline, Rich, and Miss, won liberal favor with the appreciative audience, with splendidly interpreted selections. Miss Helen E. Cannon, recently proved to be a very interesting and amusing young man. She made a marked impression with "East is West" as an opening selection. Her portrayal of the various characters in the short sketch was very good. "Tony at the Baseball Game" and "Jenny at the Baseball Game" put the crowd in a jovial mood. The impressions of the great crowd at her first baseball game were immense.

Grand Regent Henry L. Hines of Springfield received a royal welcome from the members of the Arcanum when he stepped to the side of the platform. He stated that the organization had protected thousands of homes in the 46 years of its existence, paying out millions of dollars in benefits, and that it had been of value in serving as a combating influence against the hordes of certain classes of people in the country, who were trying to undermine the government. It is not the poor ignorant class of ignorant anarchists who are to be feared, but the educated classes who are poisoning communists, asserted the grand regent. He closed his talk with an appeal for new members, and congratulated the people of Lowell on their splendid temple.

The Hon. Howard G. Avery of Norfolk, Va., deputy supreme regent, and installing officer of the convention, was introduced as the last speaker of the program. The visiting speaker from the south proved to be a silver-tongued center of the old school of speakers. He spoke of the good fellowship of the Royal Arcanum, what it meant in protection to the home, and the good to the country, as an uplifting and steady influence. What the world needs is not additional armaments, but a

disposition on the part of the men to act nobly and to make others happy, declared the deputy grand regent. The future of the country is not dependent on wealth, prosperity and fame, he asserted, but on the spirit of true fraternalism. Mr. Avery paid a stirring tribute to the men of the country who had sacrificed everything for the welfare of the government, in whose honor the Auditorium had been built.

Routine business and the reports of various committees occupied the attention of the delegates at the opening business session yesterday afternoon. Members of the lodge from all parts of the state were registered with the committee for credit—excellent. Grand Regent Henry L. Hines conducted the affairs of the business meeting.

PAUL PRY

Here's our old friend, Paul Pry, the chronic snob, inspecting a fine statue of the great Abraham Lincoln to see if he can find a flaw to complain about. In drawing this pen-picture, Artist Satterfield symbolizes one of the meanest of human tendencies.

Why is it that most of us, whenever we see something attractive, immediately begin to look for defects? The greater and grander the thing or person we are examining, the more closely we search for a flaw to justify a complaint.

The whole field of narrow-minded criticism is based on "picking holes in it."

An actor does a wonderful bit of work on the stage. Unable to find fault with the acting, some people resort to complaining because he stepped out of his character to make a certain speech.

A great man in public life has to be constantly on his guard. The least

slip, however, thoughtless—and the Paul Pry is after him.

The greater the man becomes, the more closely he is watched for a slip, and the more distressing the slip seems. David Gilmour, business writer, once commented: "The trace of much fruit gets the most clubs."

In forever finding fault about trivialities, we waste a lot of time and make this life miserable in varying degrees for others as well as ourselves. Enjoy the statue. Forget the flaw.

PEOPLE SHOULD SUPPORT LIBRARIES

HOT SPRINGS, Ark., April 27.—Our libraries need a large body of self-appointed patrons, distinct from borrowers; successful, influential business and professional men and women, who believe in the mission of the library to perform a great educational and social service, and who will make

it their business to see that the library is given a chance to make good in a large way. I. R. Bundy, of Jefferson City, Mo., told the American Library Association here today.

"Many of our libraries are hampered by the lack of one or all of the following essentials," said Mr. Bundy. "Adequate income, say a dollar a year a person for the population served; a wide awake board of trustees actually interested in their problem, and a competent librarian."

"To win the support of these active, successful and influential people, libraries should plan and carry out a

determined campaign of service to business and professional people. When the value of modern, expertly administered library service has been demonstrated to those strategic groups they will enthusiastically give their moral and financial support."

"The American Bankers association has declared itself interested in library development, and the readiness of progressive business men to welcome such service is indicated by the plan of the National Association of Credit Men to interest its members in the reading of books on business, economics and public questions."

Taste What Bakers

are baking fresh for you each week

TASTE a luscious raisin bread that they are making for you in sanitary modern ovens, in scientific ways.

Real "old-fashioned" full-fruited raisin bread, the kind you've waited for.

Count the raisins—at least eight delicious fruit-meats in each slice.

We've arranged with bakers in almost every town and city to bake this full-fruited raisin bread.

When bakers bake bread like it, there's no need to bake at home. You'll say so when you taste it. Try it now. Made with Sun-Maid Raisins.

Just 'phone a grocer or neighborhood bake shop to send a loaf today. Learn how convenient to get good raisin bread.

Use Sun-Maid Raisins also in your puddings, cakes and cookies—for raisins are both good and good for you.

You may be offered other brands that you know less well than Sun-Maid's, but the kind you want is the kind you know is good. Insist, therefore, on Sun-Maid brand. They cost no more than ordinary raisins.

QUIMET IN ENGLAND BIG RELAY CARNIVAL AT PHILADELPHIA

Boston Golfer First Amateur to Win National Open Championship

NEW YORK, April 27.—(By the Associated Press) Francis Quimet, of Boston, veteran star of the American amateur golf team, now seeking new laurels in England, holds the distinction of being the first amateur to win the national open championship. He accomplished this feat in 1912, when but a youth of 20 years. Two other amateurs, Jerome Travers and Chick Evans, have since won the title, the former in 1915, and Evans in 1916.

The Brooklyn star won the national amateur title in 1914. He was runner-up to Evans in 1915, and was runner-up to Evans in 1920. He captured the western amateur championship in 1917 and held the French amateur title in 1914. He won both his singles and doubles matches in the Walker cup play in this country last year, defeating Ayler in the singles, 8 and 7, and paired with Jesse Gulliver in the doubles, "doubles" from Talley and Darwin, also by 8 and 7.

Quimet's greatest golfing feat was his victory in the open championship at Brookline, Mass., in 1912, when he finished in a tie with Harry Vardon and Ted Ray, professional masters of Great Britain. Each had a 72 hole score of 301. In the 15-hole playoff, the American youngster, outplaying his famous English rivals with all clubs, turned in a card of 72 to Vardon's 77 and Ray's 78.

ST. HILAIRE AND TANSEY DRAW

SOMERSWORTH, N. H., April 27.—Joe St. Hilaire, of this city, and Young Tansy of Roxbury, Mass., who appeared in the main bout of the K. C. A. A. boxing show here yesterday afternoon, fought to fast rounds to a draw.

In the eighth-round semi-final, Young Desautels of Dover defeated Kewpie Roy of Manchester.

TO STOP SMOKING
LYNN, April 27.—Smoking at the boxing of the Casino A. C. will probably be stopped in the near future, according to a statement issued by Pres. Joseph Murray of the club. Plans in the balance at two recent shows are said to be the cause of Pres. Murray's action. Police and fire officials have pointed out the danger in case a serious fire should result.

BASEBALL IN LIVERPOOL
LIVERPOOL, April 27.—Baseball is becoming increasingly popular in this district where a baseball league is already in existence. So enthusiastically is the game being taken up by schools in South Wales and Monmouthshire, that in many districts cricket has been ousted. AMATEUR BASEBALL

The Textile Juniors defeated the White Sox Saturday afternoon in a one-sided game by a score of 15 to 1. Pitcher O'Connor was the outstanding feature for the winners with 22 strikeouts to his credit. He also elbowed the ball for two homers and two triples out of five chances with the willow. The Textile Juniors are anxious to arrange games with teams in their class. Address all communications to Manager Edgar Dunn on Oliver street or call 4021-M. Challenges sent through the sport columns of The Sun will be considered.

As a result of their 15 to 1 victory over the White Sox, the Cardinals are anxious to meet any 11 or 12 year old club in the city. Manager Naylor of the Cardinals can be located at the corner of Perry street between six and seven every evening. The players are anxious to play the best in their class.

The newly organized P. K. Stars wish to arrange for games with any 10-12-year-old team in the city. Address all challenges to Captain Leo Mullen, P. K. Smoke shop, city.

The Hudson A. C. is anxious to arrange a game for Sunday afternoon with any 14 or 15 year old team in Lowell with a baseball valued at \$150 as an incentive to win. Teams desiring to accept the above challenge are requested to make known their desires through the sport columns of this paper. The Hudsons will start a three game series with the Spauldings Monday night, with a 75 cent baseball as a prize.

The Emeralds and the Ford A. C. will clash tomorrow afternoon at 2 o'clock on the North common. Striks will be on the mound for the Emeralds.

The Emeralds challenge Far-N. Shamrocks, Pawucket Tigers, Beldere Pirates, Y.M.H.A. Juniors, Jewett

A. C. Young Nationals and Hainbow's Answer through this paper or call 6222-11 any evening between 6 and 7 o'clock.

The Y.M.H.A. accepts the challenge of the Morse 7th grade team to a game to be played any day during the spring vacation next week. Games are also wanted with any 12-15-year-old team in the city. Answer through this paper or call 262-V and ask for Manager S. Solomon.

The Harps of Lawrence have written to this office seeking games with the Belmonts and other Lowell teams, between the ages of 17 and 20. William O'Connell, manager of the Harps, receives his mail at 6 A Salem street, Lawrence. His phone number is 4770-W.

The Seminoles want a game for tomorrow morning with a strong 12-13 year-old team. Tel. 1433-W and ask for "Reddy."

ENJOYABLE PARTY
The choir of the First Congregational church and their friends held one of the most enjoyable parties of the season at the Marlborough hotel last night. Many social games and stunts were performed and the climax of the evening was the presentation to all present of gifts from "King Tull's" tomb. Following the games, refreshments were served and dancing enjoyed for the remainder of the evening. Those in charge of the affair were Miss Frances M. McLeod, Miss Ethel Kenworthy and Harry Hopkins.

AT BALMORAL FIELD
At Balmoral field, Shawshen village tomorrow afternoon, the Massachusetts Mills soccer team will play the American Woolen team of Lawrence in an industrial league contest. All local players are requested to report at the Mass. mills at 2 o'clock. W. Huber of Lawrence will referee.

MEETING OF TWILIGHT LEAGUE MANAGERS

At a meeting of the Twilight league managers last night, it was voted that managers be allowed to draw playing material from Billerica, Pelham, Dracut, Granville, Tewksbury, Chelmsford, Westford, Forge Village, Pepperell and Dunstable. Smith of the Highland Daylights and Whitney of the Centralvilles will be carried along as usual by mutual agreement.

Present at last night's meeting was Supt. Kernan of the park department who, stated that his department is ready and willing to co-operate with the officials in upholding the high standard of the league. Bleachers will be erected on the Summer street slope and a regulation score board will be built in a conspicuous section. It was voted to defer action on the proposed split-season. If the proposition is accepted two championships will be in order, one about July 1 and the other about August 25, the winner of the local series to play the champions of Lawrence. The next meeting will be held Tuesday evening May 1.

ASCENSION SOCIETY TAG-DAY TOMORROW

The Ascension society will hold a tag-day tomorrow for the purpose of raising funds to replace their equipment burned in a storehouse fire last summer. Major Dunne has given permission to the society for this purpose and numerous young ladies have volunteered to assist the officers of the society by selling tags on the streets in the downtown section of the city.

For about 40 years this society has been working among families who are in want and has been doing its work in such a quiet way that the general public has heard little if any concerning their efforts. The society now deems it necessary to ask the people of Lowell for assistance and they figured that a tag-day would be the best way of doing this.

IN SEMI-PRO CLASS NOW
The Tyler A. C. has entered the semi-pro class and wishes games with the strongest teams in and around Lowell. Joseph Demers has been appointed manager and may be reached through this column.

Another \$1409 and Exterminator Will Pass Man o' War

EXTERMINATOR, WHO HAS BROUGHT HOME A FORTUNE IN PURSES, WITH JOHNSON UP

"Come on, you Exterminator!" For years that has been the college yell of the running track.

"Come on, you Exterminator!" Right nobly has the great eight-year-old responded to that yell. As a result Exterminator by winning one more

race will be in a position to take away a record now held by Man o' War. When Man o' War was retired from the track his winnings amounted to \$349,486, nearly a quarter of a million dollars. Such winnings gave Man o' War the ranking of the champion

money winner of the American turf. On April 21, at Havre De Grace, Md., Exterminator won the Philadelphia handicap, worth \$3350. In doing so he beat such good horses as Paul Jones, Fair Phantom, Irish Kiss, Cornie Song and Roulou. That win brought Exterminator's money winning total to \$245,000, just \$1409 less than Man o' War's record.

153,000 AT BIG LEAGUE GAMES

Opening Games in Six Major League Cities Yesterday Drew Great Crowds

Ken Williams Poled Third Homer—Mathewson Honored at Polo Grounds

NEW YORK, April 27.—An aggregate total of approximately 153,000 baseball fans witnessed yesterday, the opening game in six major league cities, four in the American and two in the National. The teams opened the season away from home and had just returned from the road.

Attendance honors went to Detroit, where 36,000 persons saw the home team lose a hard-fought contest to St. Louis, 4 to 3. Thirty thousand fans filed past the turnstiles in both the New York Giants and Chicago American ball grounds, while 23,000, including President and Mrs. Harding, turned out at the Washington ball park. The Boston Americans played before 20,000 and the Philadelphia Quakers catered to 15,000.

Ken Williams, premier 1922 American league home run hitter, and Babe Ruth's keenest rival, contributed to the St. Louis team's victory over Detroit by poing out his third circuit clout of the season. He is one ahead of the Babe.

Ovation for Mathewson

The outstanding feature at the Polo Grounds was the tremendous ovation accorded Christy Mathewson, president of the Boston Braves. The peerless "Big six" came back to the scene of his greatest playing triumphs, which he left nearly three years ago. His charges were beaten by the world champion Giants, 1 to 3.

Although the Yankees tied the game in the first half of the ninth, the two run tally the Boston Red Sox retaliated with a hit barrage and walked off with a 3 to 4 victory and shunted the New Yorkers to second place in the league standing.

Indians Resume Lead

Stanley Clevastick's superb twirling carried his teammates to a 3 to 0 victory over the Chicago White Sox, and the Cleveland Indians again resumed the leadership in the league race. Umpire Kowland, one-time manager of the White Sox, was presented with flowers by Chicago fans.

Washington defeated the Athletics, 2 to 1. The Red Sox scored its second successive victory over the Chicago Cubs, 7 to 2.

The St. Louis Cardinals defeated Cincinnati, 3 to 1. The hitting of Eddie Roush, the Red outfielder, was a bright spot in his team's downfall. He poled out four safeties in five times at bat, two of them doubles.

FIREMEN ORGANIZE BASEBALL TEAM

A crack baseball team has been organized among members of the first platoon of the local fire department, and the players will be given their first try-out on the South common tomorrow forenoon.

The team will be captained by Warren White, while James T. McCready will be its manager. The first game on the schedule is for April 30, when the Lowell players will journey to Brockton to cross bats with the fire fighters of that city. It is expected that a large number of rooters will accompany them.

The team lineup is as follows: Capt. Warren White c. John Quinn p. Archie Kenefick 1b. Edward Sullivan 2b. Jas. Neilligan 3b. George Cummings lf. Joseph Ready cf. John Moran rf.

LOWELL HIGH WILL MEET ST. JOHN PREP

B HD-SPORT—LOWELL HIGH. The Lowell high school baseball nine will travel down to Danvers tomorrow to meet the St. John's Prep. school team in one of the big games of the season. Coach Johnston is confident that his team can defeat St. John's as it did Nashua, and the only change he plans on making in his lineup is the substituting of Gibbons in place of Davis in right field, and starting Smith in the box. The trip will be made via truck, leaving Lowell at noon, and many of the students at the school are planning on taking in the game, and lending their support to their team.

GUERIN MILLS, INC. BUYS ANOTHER PLANT

WOONSOCKET, R. I., April 27.—The Guerin Mills, Inc., of this city, have purchased the plant and interests of the French River Textile Co., at Mechanicville, Conn., and will take over control of the plant there May 1. It was announced here today.

The purchase was made from the estate of the late Frank A. Sayles of Pawtucket. The mill will be the seventh in the Guerin chain and will be known as the Beaumont Worsted Mills. It will be operated in the manufacture of worsted goods. It is a plant of 252 looms and employs about 450 hands.

SPORTS OF ALL SORTS

The calling off of last night's boxing bouts by the Moody club brought considerable disappointment to local fans. The original card of Lew Fubee vs. Earl Haid had been changed the night before when Fubee's manager announced his withdrawal. Harold Paresse was announced as a substitute and while he has never shown here he enjoys a good reputation and fans looked forward to an interesting bout between Baird and Paresse. But yesterday afternoon word came that Paresse couldn't make the grade. Not desiring to attempt to make another substitution from another Dodge decided to call off the entire show. It's a tough game, and commissions or no commissions, a promoter is never sure of a bout until the boys get into the ring and start battling.

Postponements, "run outs," alleged injuries etc. have done the same great harm, but there appears to be no alternative. Postponements have been tried. It has been successful in some cases. But to get some boxes or their managers to come across with a real forfeit, a certified check or its equivalent, the cash, is a difficult, yes almost an impossible task.

Young Manty, who is scheduled to box Billy Murphy at the Olympic club show Monday night, and who has already sent along a check for \$200 guaranteeing his appearance is due to arrive in Lowell tomorrow. Meanwhile Murphy is training daily and is reported to be in great condition. He is confident that he will be able to "knock" Manty and his many friends throughout the city are planning to be on hand to lend him every encouragement.

Sam Whitehead, who defeated Archie Walsh in the bowling championship match, is busy receiving congratulations on his great achievement. Already many local bowlers are planning to challenge the new champ. No doubt Sam will accommodate them.

Bruce Douglas, who captained the winning Highland quintet basketball team in the recent championship series with the St. Patrick's, is one of the

best all-around athletes in Lowell. Besides leading his team to a championship, Douglas has the reputation of being the champion singles and doubles tennis champion of this city the highest point-getter in a recent Y.M.C.A. pool tournament, a member of the champion church league basketball team and runner up to Jim Ardredman in hexathlon events at the "Y."

During the basketball season just closed, Douglas made 144 baskets from the floor for a total of 233 points in 21 games as a member of the Highland Quintet, and 120 points as a member of a church league team.

Amateur baseball is in for a banner year, judging by the unusually large number of challenges coming in to this office. The Sun evidently produces the results desired by managers and captains. Have you sent yours in yet?

FOURNIER READY TO SIGN
ST. LOUIS, April 25.—Jacques Fournier, first baseman, who was traded to the Brooklyn Nationals by the St. Louis Cardinals but refused to report there, today declared he would sign a Brooklyn contract provided it contained a clause preventing the Dodgers from disposing of his services without his permission.

BIG AGRICULTURAL FAIR MICHAEL HYLAND DEAD

Lowell Driving Club Active—
Eleanor Sears Will Show
Thoroughbred Horses

Lowell will have an agricultural fair August 30, 31 and September 1, according to the announcement of the officials connected with the Lowell Driving club, now called the Lowell Driving club and Agricultural Fair, Inc. Arnold J. Hyland, former secretary of the club, states that the Golden Cove Park race track, and grounds under the nucleus for the opening of a fair, that in times should rival the Brockton and Springfield expositions.

The grounds are valued at more than \$6,000 and are large enough to handle a crowd of nearly 5,000 people. The men connected with the club have horses that insure capable attractions for every racing event. Eleanor Sears, prominent owner of thoroughbred horses and many owners from Boston have promised to show at the fair.

Special interest will be created in the agricultural exhibits, by means of an attractive premium list. The mid-way and riding concessions found at the big fairs will be in evidence. No attempt will be made this year to engage tent attractions, such as high class vaudeville, balloon ascension and other specialties, but if attendance warrants, and indications seem to be favorable, these features will be part of the future fair plans.

A public meeting will be held at the Memorial Auditorium May 17, with Senator David I. Walsh as the principal speaker, states Mr. Hyland. Other prominent men in public affairs will be asked to attend this meeting. In order to arouse interest in the plans for putting the fair across. The officers of the Lowell Driving club are: Oscar Jewell, president; Wesley M. Wilder, vice president; Lewis C. Clark, treasurer; Isaac E. Wotton, secretary. The directors are Harry M. Parker and Clinton Coffin.

Lowell Man Injured in Auto
Accident Dies at Lawrence Hospital

Without having regained consciousness since a serious accident on the Lowell-Andover highway near Haggitt's pond last Sunday afternoon, Michael Hyland of 25 Ash street, this city, died yesterday afternoon in the Lawrence General Hospital. He was taken to the down-river hospital after the machine in which he, Mrs. Hyland and two companions were riding, had turned turtle on the highway as the party was returning to Lowell.

Mr. Hyland was well known and highly respected here, as a faithful parishioner of the Immaculate Conception church and in the Talbot mills in No. Billerica, where he was employed. He was a member of the Holy Name society of the Immaculate Conception church, and Lowell Aeris, 223, Fraternity Order of Eagles. He leaves his wife, Mrs. Bridget (Travers) Hyland; three sisters, Mrs. Thomas Mitchell of Winthrop, and Mary and Katherine Hyland of Ireland. The body was removed to the undertaking parlors of James W. McKenna and later to his late home, 25 Ash street.

PAVING PROGRAM WILL START MONDAY

The city's 1923 paving program will start next Monday when the street department will begin ripping up cobble stones in Lakeview avenue in preparation for smooth black paving from Cohorn street to Aiken avenue. At the same time the local division of the Eastern Massachusetts street railway company will renew its tracks in that section of the street.

Decision to launch the summer's work next Monday was made at a meeting of the board of public service yesterday afternoon at 4 o'clock, prior to which the board members made an inspection of the Aiken street bridge and agreed that repairs should be made there this year, estimated cost of which is \$25,000.

It was the sense of the board that further loan orders covering black paving, macadam, sewers and sidewalks totalling \$110,000 should be prepared for presentation to the city council next Tuesday night. It was explained that most of the \$160,000 worth of loans approved at the last meeting of the council actually will be spent before the money is at hand.

The board heard Councilors Daly and McFadden relative to paving in upper Lawrence street this year and it was decided that an order for \$8000 to cover the cost of the work desired will be introduced in the council by Mr. Daly.

The following persons appeared before the board relative to abatement of water bills: M. J. McOwen, 100 South street; Mary Manning, 77 Wilbur street; Nellie Gilroy, 61 Butterfield street; Amelia Cerette, 39 Cedar street; Michael Cullen, 50 Claire street; Vasilios Anastasios, 35 Lagrange street; Elizabeth A. Teague, 63 Parkview avenue; Patrick McElahan, 43 Crosby street; Martha E. Haworth, 1250 Gorman street; Charles A. Howard, 158 Fayette street; U. S. Bunting club, Circut avenue; Vincent Silva, 9-10 Mill street; Jeremiah J. McGlinchey, 328 Fletcher street.

RUTHENBERG TESTIFIES IN OWN DEFENSE

ST. JOSEPH, Mich., April 27.—(By the Associated Press) David Damon was the alias used by Charles L. Ruthenberg on trial here for alleged violation of the state's criminal syndicalism law, in his activities connected with the communist party of America.

Ruthenberg revealed that while on the witness stand in his own defense denying, however, that at any time he advocated illegal measures for the overthrow of the government he contended that the Communist party was made an illegal organization by persecution by government agents.

Again, as in the Foster trial Ruthenberg detailed the tenets of the communist party explaining its development from the theory of Karl Marx. He testified his purpose in attending the communist convention here last August was to put forward a plan to legalize the party.

MATRIMONIAL

LOOKS LIKE GREAT SHOW ANNUAL "GYM NIGHT" BY GIRLS' BATTALION

Lowell Contractors Discuss
Plans for Home Beautiful
Exposition at Auditorium

The Lowell Contractors' association held a meeting last night in their rooms in the Donovan block, to act on plans for the Home Beautiful exposition which is to be held in the Memorial Auditorium for four days beginning May 5. President Chester Tunels was chairman and a buffet luncheon had been enjoyed, he called the meeting to order and Secretary George Stewart reported on the booths at the show. His report showed that more than half the booths had already been taken and more were being bargained for. Alvin H. Weaver, chairman of the decoration committee, reported that the decorations would be simple and in keeping with the style of the booths. The pergola effect between the two circles of booths on the main floor will be entwined with flowers and soft drapings will line the corridors.

The secretary stated that 20,000 tickets had been printed for the exposition and that quantities of cards, auto shields and stickers were now available and will soon be sent out through the district advertising Lowells exposition and her building trades. Members of the association who have attended the exposition in Boston, state that Lowells show will rival theirs, judging from the standpoint of beauty rather than size. One of the big reasons for this is that the Auditorium lends itself admirably to an exposition and it is for this reason that the contractors believe the show will excel Boston's in beauty.

ANNUAL "GYM NIGHT" BY GIRLS' BATTALION

The girls' battalion at the high school will hold their annual "Gym Night" in the high school annex tonight. This affair is the annual exhibition of the physical training classes at the school and is under the direction of Miss Frances R. H. Leggat, assisted by Miss G. Myrtle Rooney. Mrs. Bertha C. Huse is the accompanist for this occasion.

The program is as follows: Assembly; Swedish and corrective exercises, freshmen; folk dancing, sophomores and juniors; rings, sophomores; freshmen dance; Highland fling, Greta Russell, marching tactics, officers; acrobatic dancing, sophomores and juniors; club drill, juniors; apparatus drill, all classes. Last's Librarian, interpreted by Katherine Harrington; Easter Bunny, Annabel Perry, Margaret Holgate, Helen Readon, Margaret Breton, Catherine Walsh and Anna McCarthy; Language of the flowers, rose, Winifred Lester, Gladys Thurston and Dora Dewara; Dendrons, Estelle Buckley and Jean Chapman; Tulips, Anita Alberg and Alice Buchner; Wooden Soldiers, Sarah O'Brien, Margaret Flynn, Josephine Parke, Edith Farrington, Elita Flynn, Gertrude Quirke and Antigone Taoggas; relay race, seniors, juniors, sophomores and freshmen.

The ushers for the affair are the Misses Edith Perkins, Millie Severance, Louise McKenna, Alice Stuckney, Gladys Mevis, Elizabeth Irish, Helen Choate and Mary Tobin.

VISITORS ENTERTAINED CLOSE WORTHEN STREET

Tour of Inspection and
Luncheon at the Chelmsford Street Hospital

Representatives of many Lowell churches, charitable and civic organizations and city officials visited the Chelmsford Street hospital yesterday and after an inspection tour were entertained at luncheon by Supr. and Mrs. Joseph H. Gormley, who were most gracious hosts. Orchestral music was enjoyed during the luncheon and a social hour was featured by songs by Francis A. Connor and Mrs. Joseph W. Green.

The object of the visit was to afford many persons interested in the work of the hospital an opportunity to assist in the co-ordination of charitable effort so as to prevent duplication and so that various charitable organizations may assist poor families in need.

The conference, held at city hall, was followed by a visit to the Worthen street district and the entire area under discussion was gone over to allow all persons interested to visualize the proposition while actually standing on the property it is the intention of the Saco-Loewell Co. to develop.

In addition to Mayor John J. Donovan and city council members, the following men attended the conference: City Auditor J. J. O'Sullivan, City Engineer Stephen Kearney and Hon. Dennis J. Murphy and Fred P. Leary of the board of public service, Street Superintendent Harry P. Doherty, Patrick O'Heare, Dr. S. Pouzner, Clarence M. Weed, Dr. George O. Lavallee, Michael Lee and Raymond M. Humphreys of the planning board, Asst. George J. Foster of the Saco-Loewell, Atty. Gen. C. Reilly and William E. Badger of the Locks and Canals.

James J. Gallagher, council president, presided at the meeting and stated its purpose was to acquire all possible knowledge concerning the proposition and urged the general asking of questions as the best means of bringing out points of interest.

Councilor McGovern asked if it would be possible to obtain the names of all abutters who might claim damages if the petition is granted and President Gallagher replied the city solicitor has been requested to furnish such a list to the council at its next meeting.

Mr. Gallagher raised the question of damages on the part of the Locks and Canals to assist the city in closing and Mr. Badger replied that his company has nothing to offer in opposition and will not seek any land damages.

Councilor Moriarty asked Agent Feaster if the automobile parking now prevalent in Dutton street might be done away with if Worthen street is closed and the reply was that adequate parking space for machines owned by employees could be found within the new mill area.

In answer to a question by Councilor McFadden, Mr. Reilly, speaking for the Saco-Loewell corporation, said the company is ready and anxious to file a bond with the city against any damages that might result. "It is an absolute obligation on the part of the company to do this," declared Mr. Reilly.

Councilor O'Sullivan asked for Mayor Donovan's views on the entire matter and his Honor replied that his consideration of the project would come after it had passed through the hands of the council. "I promise you to give the matter my deepest consideration," he added.

Councilor Daly questioned Agent Feaster about letting a contract for the erection of the first new manufacturing plant and whether the contract has been awarded to an outside firm, but Mr. Feaster said he was not empowered by the board of directors to make any statement on that phase of the matter. He did say, however, that Lowell contracting firms had been given an opportunity to present bids and that he had copies of some proposals that he had made.

After the conference the entire party spent some time in going over the area and then were taken on an inspection tour through the buildings of the present plant in Dutton street.

CONFERENCE ON PETITION OF SACO-LOWELL SHOPS TO CLOSE PORTION OF STREET

William E. Badger, representing the Locks and Canals Corp. told city officials yesterday afternoon at a conference on the Saco-Loewell petition to close a portion of Worthen street that his company is not opposed to the project in any way and will not seek or ask any property damages if the proposition goes through.

This statement and the declaration by James C. Reilly, representing the Saco-Loewell Shops, that the petitioners are ready to file a bond with the city to cover any damages that might arise from two land clearing was satisfactory so far, as this particular part of the question is concerned.

The conference, held at city hall, was followed by a visit to the Worthen street district and the entire area under discussion was gone over to allow all persons interested to visualize the proposition while actually standing on the property it is the intention of the Saco-Loewell Co. to develop.

In addition to Mayor John J. Donovan and city council members, the following men attended the conference: City Auditor J. J. O'Sullivan, City Engineer Stephen Kearney and Hon. Dennis J. **BOLD HOLDUP AND ROBBERY IN
WESTFORD STREET TODAY****Gunmen Accost Francis J. Roane and
Get Away With \$1100 in Cash—
Men Jump From Behind House
With Guns Drawn**

Levelling revolvers and sternly com-
manding him to "throw up his hands,"
Francis J. Roane, of 46 Burrill street,
was held up on Westford street, by
two unidentified men at 4:15 a. m. to-
day and relieved of \$1100 in cash. The
gunmen did not take Mr. Roane's dia-
mond ring as originally stated.

According to the story as told by
the victim to the police, Roane had
motored with a friend from Associate
hall with the receipts of a dancing
party and at a point about 100 yards
from the corner of Burrill street, he
alighted from the machine and started
to walk the remainder of the distance.
Suddenly two men jumped from behind
a house and with drawn revolvers de-
manded his money. Going through his
pockets they found \$1100. The holdup
men beat it down Westford street in
the direction of the armory.

Upon arriving at his home, Roane
immediately notified the police and
Officers Paul Spillane and Owen Con-
way were detailed to the scene in a
police automobile. The only descrip-
tion given is that one of the men was
about 5 feet, 11 inches in height and
the other about 5 feet, 6 inches. Both
wore caps drawn over their eyes and
were without overalls.

**BILL AUTHORIZING CITY OF LOWELL
TO BORROW \$700,000 BEYOND
DEBT LIMIT IS KILLED BY
COMMITTEE ON RULES**

(Special to The Sun)
BOSTON, April 27.—The bill author-
izing the city of Lowell to borrow
\$700,000 outside the debt limit for the
erection of a new grammar school in
the South End district was killed today
when the house committee on rules
after a hearing submitted an adverse
report.

The bill went before the rules com-
mittee on the question of admittance
inasmuch as it came in under the head
of tardy legislation.

Speaking before the committee in fa-
vor of the bill were Mayor John J.
Donovan, Thomas R. Delaney, James
J. Rubin, Dr. Emma Y. Slaughter and
James H. Riley of the school commit-
tee; Leo A. King, master of the Edison
school, and Major Walter R. Jeyes,
supervisor of accident and fire preven-
tion.

Present at the hearing in addition
to the speakers named were Eugene
Mullin of the school committee, Supt.

**Second Day of Royal Arcanum
Convention in Memorial Auditorium
Next Convention in Boston**OFFICERS OF THE 46TH ANNUAL CONVENTION OF THE ROYAL ARCANUM
IN SESSION HERE

Left to right, front row—John F. McGarran of Boston, grand guide; John M. Brennan
of Nantasket, grand vice regent; Henry L. Himes of Springfield, grand regent; John T. Friary
of West Roxbury, past grand regent; Charles H. Holgate of Dorchester, grand orator; Silas
R. Keith of Palmer, grand chaplain. Back row, from left to right—Neil A. Clark of Lowell,
grand sentry; William L. Kelt of Allston, grand secretary; George E. Hill of Worcester, grand
treasurer; and William C. Root of Pittsfield, grand warden.

The delegates to the 46th annual
session of the Royal Arcanum in
session at the Memorial Auditorium
voted this morning to hold the next
convention in Boston. The motion
to hold the annual session in Bos-
ton was made by Grand Secretary
William L. Kelt of Allston.
Interesting reports of progress in
Arcanum affairs were read by District
Manager Frederick Goodwin of East
Milton, a member of the supreme coun-
cil, and from Hon. Michael J. Murray,
chairman of the committee on council
work. The morning session was de-
voted to the discussion of amendments
and reports of various committees, that
had previously been detailed to in-
vestigate resolutions. The nomina-
tion, election and installation of officers
will take place this afternoon.
Hon. Howard G. Avery of Norfolk,
Va., will have charge of the installa-
tion. Samuel N. Hoag of Newton, su-
preme secretary of the Arcanum, will
be present to assist. All unfinished busi-
ness will be completed this afternoon.
Past Grand Regent Albert W. David
of this city presented William L. Kelt,
grand secretary of the convention, with
a handsome bouquet of pinks, the gift
of four Lowell councils at the banquet
held last night in the Memorial hall of
the library building.
Mr. Kelt has served for 25 years on
the grand council, 11 years as grand
treasurer and the past 14 years as the
grand secretary. The presentation was
made in appreciation of his faithful
service. Hon. Howard G. Avery, Henry
L. Himes and John M. Brennan made
short responses at the banquet. After

200 Cases of Scotch Whiskey
on Board Truck on Way
From Atlantic City Seized

Coast Guardsmen Seize Motor
Boat With Cargo of
16,000 Cases of Liquor

ATLANTIC CITY, N. J., April 27.—
Federal agents and state police con-
fiscated 200 cases of Scotch whiskey
valued at \$25,000 on board a truck
near Hammonton today. The truck was
on its way from Atlantic City to Phila-
delphia, and officials believe its cargo
was landed from a schooner near here.

Seize 100,000 Cases
HIGHLANDS, N. J., April 27. (By the
Associated Press.)—Coast guardsmen off
Sandy Hook today seized the motor
lighter "Napoeque" with a cargo of
nearly 16,000 cases of liquor. The boat
was en route from the rum fleet to a
point off the New Jersey shore when
the seizure was made.

The cargo consisted mostly of eye
whiskey with an estimated retail value
of more than \$150,000. The "Napoeque"
had made several trips seaward in the
last few days and aroused the suspi-
cion of Keeper Tilton of the Sandy
Hook coast guard station.

**DROPS SUIT
AGAINST RUTH**

Dolores Dixon, Who Sued
"Babe" for \$50,000, With-
draws Her Case

Withdrawal Made Just as
Robert McChesney Was to
Have Been Examined

NEW YORK, April 27. Miss Dolores
Dixon, who recently brought a suit for
\$50,000 damages against "Babe" Ruth,
the New York Yankees' home run king,
alleging seduction and assault, with-
drew her case today. The withdrawal
was made just as the case of Robert
McChesney, who was to have been
examined in supreme court as to the
record of Miss Dixon, was about to be
called.

McChesney did not appear when
called, and Hyman Bushel, Ruth's so-
ciety, asked that the case be dis-
missed. He produced a stipulation,
signed by Miss Dixon, her guardian al-
item, Barbara V. Escoe, and her at-
torney, George Feinberg, withdrawing
the suit.

Bushel announced he also had ob-
tained a confession signed by Miss
Dixon, in which she admitted the suit
was the result of a frameup in which
several persons were involved. Ruth's
secretary declined to reveal the story,
saying he would show it to Babe
in Boston today, then turn it over to
the district attorney here for investi-
gation.

When the suit was announced, Ruth
vigorously denied that he ever knew
or had seen Miss Dixon and was joined
by Mrs. Ruth in denying the case as
a blackmail scheme.

**SERIOUSLY INJURED IN
FALL FROM BOX**

Charles Clavin, about 20 years old,
of 171 Pawtucket street, was found in
an unconscious condition in an alley
beside the Opera House shortly after
11 o'clock last night. He was first
noticed by Officer James Considine, who
called for the ambulance and had the
man removed to St. John's hospital,
where he was still unconscious at an
early hour this afternoon and his name
has been placed on the dangerous list.

It is believed that it was while at-
tempting to mount a box in the alley-
way, by the aid of which he sought
to gain admittance to a neighborhood
club to which he belonged, that the ac-
cident occurred. It is assumed that he
slipped from the box, striking his head
on the ground.

Members of the election commission were officially informed this morning of the city solicitor's opinion relative to their salary for the year 1923, which, according to the opinion will be the same as last year, \$1200 for the chairman and \$1000 each for the other members of the board. The information came from the office of the city auditor.

STATEMENT TO COUNCIL**

John M. O'Donoghue and William A. Hogan, counsel for the remonstrants to the Saco-Lowell shops' petition to the city council relative to the closing of Kilson street and a part of Worthen street, have sent to the city council a copy of their reasons for the statements made by them before the council, that the petition could not legally be granted, and they further present another opinion from the city solicitor on the ground that his personal opinion did not advise the council in relation to the particular matters upon which the remonstrants' legal objections are based.

New Representations on Rum-Running

WASHINGTON, April 27.—New representations on the subject of rum smuggling have been made by the state department to the British government which is requested in friendly terms to co-operate in preventing vessels flying the British flag from engaging in liquor traffic between American and foreign ports.

**GENERAL PERSHING
VERY MUCH PLEASED**

Francis B. Laughlin, well known life insurance man, located in the Hildreth building, who has been closely interrogated by the local committee of the organized Reserves and who has forwarded every newspaper clipping concerning the reserve to General Pershing, received the following personal letter from the general today:

"The clippings regarding the Patriots day celebration in Lowell interested me very much and I am glad to have this evidence of the keen interest the citizens of Lowell are taking in matters concerning the national defense. Your courtesy in sending me the clippings is much appreciated. Cordially yours, John J. Pershing, General of the Armies."

Mr. Laughlin, while not a member of the reserve, is a firm believer in the national defense and believed that the head of the army should know what Lowell is doing along this line. General Pershing evidently was pleased to receive the clippings for his letter came in a personal envelope and was signed by the general himself.

AMERICANISM DAY OBSERVED

Legion Official Warns of
Plans for Radical Demonstration on May 1

Communists and Other
Organizations Concentrate
Against Law and Order

INDIANAPOLIS, Ind., April 27.—A radical demonstration on May 1 that would display the nation if achieved, is developing under direction of Communist and revolutionary organizations in this country, declares Frankard W. Powell, national director of the American Legion, in a statement concerning the observance of Americanism day today by all local organizations of the Legion.

Americanism day was established by the fourth, national convention of the Legion for the Friday preceding the first of May of each year, as an offset to the "May Day" of the radicals. "The Communist and revolutionary party of this country, nine-tenths of which is composed of foreign-born, has fixed this annual observance of May Day as the time for concentration

propaganda against law and order," says Powell. "The I.W.W. have called a general strike all over this country. In the Pacific northwest the men are to strike for white shirts and yellow slips in all lumber camps and for the release of all so-called political prisoners by the federal government. A recent I.W.W. bulletin discloses that the real object of the strike is to paralyze the lumber industry and strike a heavy blow at law and order in the Pacific northwest. In New York, Boston, Baltimore, Los Angeles and San Francisco, the revolutionaries have posted their slogan on all waterfronts. It reads: 'Let us awaken, rise up and show the night that is ours.' The aim is to confuse, delay and, if possible, paralyze ocean traffic.

"This is just one fraction of the revolutionary May Day program. The officers of the Third International, inspired from Moscow, are designed to start walkouts and revolutionary disorders all over the world, wherever

settled government and orderly society prevails."

HELD FOR MURDER OF PATROLMAN WELCH

PRAMINGHAM, April 27.—Salvatore Letteri, arrested in Cambridge yesterday, pleaded not guilty to a charge of murder in the district court here today in connection with the shooting

of Patrolman William H. Welch in the Saxonville district of this town, on February 23. The case was continued until May 4, and Letteri was remanded without bail to the East Cambridge jail.

Charges of breaking and entering a dwelling in Saxonville, on December 23 last and stealing two gold watches and a ring also were preferred against Letteri. Welch was shot at a lodging house while apparently starting to telephone to police headquarters after arresting a man suspected of burglary at South Sudbury.

DEATHS

QUALEY—Michael A. Qualey, a widely known resident of this city and for many years a resident of the South End district died last evening at his home, 682 Chalmers street, after a long illness. Mr. Qualey was a man of splendid habits, high ideals and of a quiet disposition. He was of fine physique and a lover of many sports. He was a player on the famous "Turks" basketball team. For the past 17 years he had been employed as a cable splicer for the New England Telephone Co. He is survived by his wife, Katharine (Cassidy) Qualey; one son, Francis; his father, James J. Sr.; three sisters, Bridget and Margaret Qualey and Mrs. Frank P. Cain and one brother, James J. Qualey, Jr.

WAGNER—Alexis Wagner, aged 67 years, died this morning at his home, 288 West Sixth street. He leaves his wife, Mrs. Octavia (Deannant) Wagner; six sons, Gordon, Joseph, Albert, Raymond, Evangelista and Leo; seven daughters, Mrs. Alvin Blanchette of Fall River; Mrs. Anna Gorman of Bedford; Mrs. Eva Maffie, Mrs. Loreta Noll, Mrs. Louise Ouellette, Mrs. Albertina Desmarais and Miss Dora Wagner, all of this city.

JENKINS—The many friends of Frank H. and Dorothy D. (Westbrook) Jenkins of 5 Green avenue, Braintree, will regret to hear of the death of their only daughter, Helen R. Jenkins which occurred yesterday at St. John's hospital at the age of 1 year, 20 months and 7 days. Besides the

parents, one brother, Robert W. Jenkins, survives. Her body was removed to Saunders' funeral home, 217 Appleton street.

HORAN—Agnes T. Horan, for 22 years bookkeeper for the L. A. Derby company in Middle street, and well and favorably known in every section of the city, died last night at the home of her sister, Mrs. George P. Keefe, 95 Myrtle street. She is survived by one brother, John J.; two sisters, Mrs. Minnie F. Keefe and Anna J. Horan, and two nephews, George H. and Fred H. Funeral notice later.

DAIGNAULT—Mrs. Agnes (Saucier) Daignault, wife of Pierre Daignault, died yesterday at her home, 81 Adams street, aged 35 years. Besides her husband she is survived by four daughters, Vinny, Lena, Marie A. and Michel Daignault; one sister, Mrs. Della Lemelin, and four brothers, Archie, Fred, Charles, and Aime Saucier, all of this city.

DAY—Mrs. Grace E. Day died yesterday morning at her home in Billerica Centre, aged 51 years. She had been a resident of Billerica for the past 16 years. She was a member of the Golden Cross of West Medford, and also a member of the Baptist church of Salem. She is survived by her husband, Frank L. Day.

HOLMES—Miss Persis A. Holmes died this morning at the home of Mr. and Mrs. A. E. Kidder, 61 Twelfth street, aged 85 years. She had been a resident of this city for a number of years and leaves no near relatives. Funeral notice later.

CENTRALVILLE REBEKAH LODGE ANNIVERSARY

Centralville Rebekah Lodge, 187, celebrated the 104th anniversary of Odd Fellowship in this country by staging an entertainment and get-together in their hall on Bridge street last night. "The feature of the evening was a three-act drama, "The Doctor," put on by the Pawtucketville Dramatic club, and the Centralville Rebekah orchestra also entertained with several selections.

Mrs. L. A. Ayer was in charge of the play, the production was under the direction of Miss Marion Gervais, and Miss Frances Marion was stage manager. The play reflected great credit upon the members of the cast and the

"TIZ" PUTS JOY IN SORE, ACHING FEET

"TIZ" makes sore, burning, tired feet fully dance with delight. Away go the aches and pains, the corns, callouses, blisters and bunions.

"TIZ" draws out the acids and poisons that put up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. "TIZ" is wonderful for tired, aching, swollen, smarting feet. Your feet just tingle for joy; shoes never hurt or seem tight.

Get a box of "TIZ" now from any drugstore or department store. And foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy.—Adv.

directors and added to the already great reputation which the club has won for its dramatic ability.

The cast was as follows: Dillingham Hopper, a New York stock broker, who wants some fun, and gets it. Charles R. Estabrook, Thomas Platon, his friend, who wants peace and doesn't get it. Winthrop Bartlett, Crumley Chugger, a nice old man who wants the widow and gets her. Richard Chadwick, Napoleon B. Plunkett, an inventor, who wants the earth, and keeps on wanting it. Arthur Lyons, Jr., Mrs. Panny Mayfair, a dashing widow, who wants a "hurl" and has it. Mrs. L. A. Ayer, Mrs. Anastasia Bellowby, another widow, who wants to elope, and is disappointed. Effie M. Park, Effie Platon, Tom's wife, who wants revenge, and then there's trouble. Frances Graves.

The committee in charge of the entertainment was as follows: Miss Beale Merrill, chairman; Miss Mary Hill, Mrs. Ethel Atwood, Mrs. Mabelle Sanders, Mrs. Helen P. Lacey, Mrs. Elizabeth Suckney, Mrs. Elsie MacLeod and Mr. Linwood Sanders. The members of the lodge orchestra are Mr. and Mrs. Joseph H. Ridings, Miss Louise Drew, Mr. Robert Parker, and Miss Bernice Russell.

SPRINGTIME DANCING

The spacious hall of the Highland clubhouses will be the scene of a very pretty dancing party tonight, when the Sonoras will hold their springtime dancant. The many friends of this popular organization have been looking forward eagerly to this affair and all indications point to a very enjoyable evening. The music for the dancing will be furnished by Campbell's band orchestra. Arrangements have been made for car service after the party. The affair is in charge of Daniel J. O'Connor and Edward J. Flynn.

WILL HOLD SPECIAL TOWN MEETING

A special meeting for the voters of the town of Tewksbury will be held at the town hall, Centre village, next Wednesday evening. The warrant, which has been posted, contains seven articles, most of which have to do with the schools of the town. The articles of the warrant are as follows:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the town will vote to accept the report of the school and advisory committee, appointed at the last annual meeting, or act in any way relative thereto.

Article 3. To see if the town will vote to build two additional rooms at the Foster school, or act in any way relative thereto.

Article 4. To see what sum the town will vote to raise and appropriate by loan or otherwise, for the purpose of building an addition to the Foster school, or act in any way relative thereto.

Article 5. To see if the town will authorize the board of selectmen to sell its interest in the Wamegat schoolhouse lot, or take any other action relative thereto.

Article 6. To see if the town will authorize the selectmen to sell the Delco lighting plant, or take any other action relative thereto.

Article 7. To see if the town will vote to raise and appropriate the sum of \$500, to maintain the electric lights, voted at the annual town meeting, or take any other action relative to same.

KNIGHTS WILL NOT GO TO LAWRENCE

At the regular meeting of Lowell Council, Knights of Columbus last night, it was announced that the tour-nament with the members of Lawrence council in the down-river city sched-

uled for this evening, had been called off owing to the futile attempts of the latter to procure a suitable hall. Tonight's contests were to be in the nature of a return engagement for a visit paid to Lowell by Lawrence men last Monday evening. Friday evening, May 4, has been set as the date for the tournament.

The annual communion Sunday of Lowell council will be observed on May 10 when the members will march from the council rooms to St. Peter's church and return to the Dubon street rooms for a communion breakfast. Several prominent speakers will address the members after the breakfast.

ST. JOSEPH'S COLLEGE ALUMNI

President Joseph P. Montminy occupied the chair at last evening's general meeting of the members of St. Joseph's college alumni, which was held at the college hall in Merrimack street. There was a large attendance and considerable business was transacted. It was announced that "Simon Le Voleur," a drama, will be presented at the school hall Sunday and Monday evening for the benefit of the association. It was voted to hold the annual election of officers at the next general meeting instead of at the annual outing as heretofore. Routine business was transacted and Rev. Lucien Brassard, O.M.I., of Notre Dame de Lourdes parish addressed the gathering.

MILLINERY CLASS CLOSING

The closing session of the Mrs. Agnes Dalton millinery class held in the Edison school building Wednesday evening was marked with an interesting literary and musical program. Among the entertainers were Master Joseph Walsh at the piano, William Cahill at the violin, and Miss Eastman who sang a solo.

The Cream Pitcher

TODAY'S club column is written at the special request of Jane Ellison, who is the secretary of the Borden Recipe Club. When Jane Ellison was a little girl, she and her brothers and sisters were never allowed to buy candy.

But every Saturday afternoon, Jane Ellison's mother would make some special kind of candy for them. It was a genuine treat for everybody, and on that one day, the children could have all that they wanted.

Some dietitians favor giving a child one or two pieces of candy after dinner every day. But Jane Ellison's mother's plan was a very happy one after all. You are absolutely sure of what goes into the candy you make yourself. Also it really satisfies the child to have all that he wants—within reason, of course—once in a long time.

Here are Jane Ellison's mother's favorites. If you know any better recipes than these won't you let us have them?

UNCOOKED FONDANT

White of 1 egg
1 tablespoon evaporated milk
1 teaspoon cold water
1 teaspoon vanilla
Confectioner's sugar

Put egg white, water, milk and flavoring into a bowl and beat until well blended. Add the sugar, a little at a time, beating until well mixed before each addition. Continue adding a little sugar at a time until the mixture is stiff enough to knead. Take out on a board and knead until smooth. This fondant may be used as a stuffing for nuts or for fruits or centers of chocolates and bonbons. In making bonbons, the fondant may be colored green, pink, lavender or orange with a vegetable paste and other flavors substituted for the vanilla.

WALNUT CREAMS

Fondant, English walnut meats. Shape fondant in balls. Flatten and place halves of English walnuts on each side. Pecan meats may be used in place of walnuts.

STUFFED DATES

Dates, Fondant, Granulated Sugar. Remove stones from dates. Roll fondant in small cylinders and place in dates where stone was removed. Roll in granulated sugar.

ALMOND CREAMS

Blanched Almonds, Fondant, Granulated Sugar. Cover almonds with fondant. Shape like a very small egg and roll in granulated sugar. Fibert meats may be substituted for the almond if desired.

FRUIT CREAMS

Candied or Maraschino Cherries or Candied Pineapple, Fondant. Roll out fondant about 1/4 inch in thickness. Cut into rounds about 1 1/2 inches in diameter. Roll around small piece of pineapple or candied cherry, leaving a small portion exposed. 3 cups maple sugar.

MAPLE CROQUETTES

3 cups maple sugar
1/2 cup evaporated milk
1/2 cup water
2 tablespoons butter
1 cup broken pecan meats

Boil together the sugar and diluted milk until the mixture forms a soft ball when dropped in cold water. Remove from fire, cool, and beat until creamy. Add nut meats and drop in spoonfuls on waxed paper.

DATES STUFFED WITH NUTS

Wash dates, remove the pits. Fill with pecan or hickory nut meats and roll in granulated sugar.

Because of its creamy richness, Borden's Evaporated Milk is particularly good for uncooked fondant. It gives the fondant a flavor and consistency that you can get in no other way.

For cooked candies, such as the maple croquettes above, or for ordinary fudge, it is superior to ordinary bottle milk because it has less tendency to curdle.

If you would like to be a member of the Borden Recipe Club write to Jane Ellison and send her your name, the Borden Recipe Club, 350 Madison Ave., New York.

FOIL WHOLESALE JAIL BREAK

Six Prisoners Shot and Several Others Severely Beaten by Guards at St. Louis

ST. LOUIS, April 27.—Six prisoners were shot and several others beaten severely when guards frustrated a wholesale escape at the city workhouse, early today.

About 15 prisoners sawed through bars in the cell room and let themselves into the prison yard by a rope. One of the prisoners with a clever imitation of a pistol carved out of wood attempted to hold up Fred Gies, 50-year-old guard, and obtain his keys. Gies opened fire and two of the group fell. The shots attracted five other guards who sent volleys into the crowd of prisoners, wounding four

more. A police riot call was sounded, but by the time the officers arrived, the guards had subdued the prisoners. The other prisoners of the group which attempted to escape later were found hiding in the yard.

REBELS ATTACK DOCK YARD IN CORK HARBOR

CORK, April 27.—(By the Associated Press)—Irregular forces made an abortive attack on the Haulbowline island dock yard in Cork harbor, early today, pouring a hail of machine gun bullets into the buildings on the island from two points on the mainland.

The Free State troops replied and after the firing had been in progress two hours succeeded in clearing the attacking parties from their positions. The irregulars eluded troop reinforcements for the garrison, sent from Quinagowna. There are no reports as to the casualties. Houses in the vicinity of the irregulars' positions were damaged by the fire of the defenders.

CHILDREN AND MATCHES CAUSE OF FIRE

Three children, aged between 2 and 5 years, playing with matches and paper, were responsible for an alarm from box 34 at 8:45 this morning. The children were playing in the attic of a house numbered 592 Middlesex street, occupied by Joseph Brown, and set fire to the paper. The flames quickly spread to the wall of the house and burned a blind of the rear window. The house is situated over the rear of a garage in a congested area, but the prompt action of the fire department quenched the blaze before it spread from the room.

CASES IN THE DISTRICT COURT

Joseph Taveris was fined \$100 in the district court this morning, on his plea of guilty to a complaint charging him with illegal keeping of intoxicating liquors. He was arrested last night following a suc-

cessful raid on his premises at 22 Bradford street, by Sgt. Winn, Officers Moore, Conroy, Griffin, Kelly and Federal Agents Sullivan and Hall. A large hole had been dug in the cellar presumably for the purpose of installing an underground still.

GILLET TO SUPPORT WORLD COURT PLAN

SPRINGFIELD, April 27.—Alfing Gillett, president of the Springfield chapter of the League of Nations, today declared his support of the world court plan. He said in a speech that he was a member of the league and that he was a member of the league and that he was a member of the league.

Meeting the object of such a course would make the United States a participant in the League of Nations. Mr. Gillett said that his objection is imaginary, for the nation would not be compelled in any way to be even a partial member of the league.

Mr. Gillett believed that the nation that are eager to obtain the moral and financial support of the United States for the world court, would acquiesce in a plan to have this nation participate in the selection of judges without becoming in any sense a member of the league.

He warned the republican party against the danger of being driven by the taunts of its opponents and the urgency of a few extremists into an indefensible hatred of the league and all its works.

"All efforts toward a cooperation of nations to do away with the resentment and irritations that lead to war, we want to encourage and participate in," he said in closing, and "we don't want the name 'League of Nations' to be a bogey to prevent our cooperation when assured that it involves no departure from our traditional policy."

CITY OF LOWELL MAY HAVE TO PAY BACK \$114,000 IN TAXES TO NATIONAL BANKS

(Special to The Sun.)
STATE HOUSE, Boston, April 27.—Unless legislation, which was sponsored by practically every city and town in the state before the house ways and means committee yesterday, is enacted into law the city of Lowell will be compelled to pay back to national banks \$114,000 in taxes that it has collected since 1917.

The measure, which was introduced by John A. Sullivan, special counsel for the city of Boston, will validate all taxes that have been collected by the state, cities and towns since 1917 from national banks. The measure will also allow national banks or their shares to be taxed by some method that will come within the limitation of a federal statute relating to the taxation of such banks. The federal act was passed when the United States supreme court ruled that the present

method of collecting such taxes is illegal.

"The national banks claim that since the passage of the state income tax law in 1915 the taxes have been illegal. Unless the law is enacted, according to its advocates, all the cities and towns and the state itself will have to refund these taxes."

Denouncing the action of the national banks at the hearing yesterday, Mayor James M. Curley of Boston, in a brilliant speech, declared that their attempts to recover the taxes "is a paid on the commonwealth, the cities and towns by interests whose financial status does not justify this piling."

He declared that if a measure to validate the taxes was not adopted by the legislature the state would have to pay back \$14,370,720.46. "These banks have shouldered the tax for fifteen years and they should continue to

shoulder it," he declared. "I am unalterably opposed to any plan which would give them back a part of the taxes that have been collected or would reduce the amount in the future."

"Rents will be raised if this law is not adopted. National bankers ought to be ashamed of themselves in trying to avoid this just tax. There is no surer way to make Holshelists than to have the banks escape from paying this tax and let it fall on the public. It is a raid on the treasury and nothing else."

Special Counsel Sullivan declared that all the state has to do is to utilize the act passed by congress.

"This commonwealth," he said, "ought to have a decent regard for the general taxpayers of the state. I have never heard of a case where anyone ever became popular by robbing the poor and bestowing it on the rich. Despite the claim of the national banks that they were discriminated against when the income tax law was passed in 1915 because private bankers were not taxed as highly as them the national banks have not suffered in dollars and cents. They have no moral right to institute suits for the recovery of these taxes."

"It is not right for them to claim that private bankers are in competition with them because it is well known that the amount of business

How To Put A "Kick" In It

—A tip for "wets" and "drysl"

We are all liable to feel "out of sorts" at times—need something with a "kick" in it to clear the brain, brighten the eye, put "pep" in the system.

Best way to do this is to take—with, or without, a "chaser"—that harmless yet thoroughly efficient family medicine, Beecham's Pills.

done by the private banker is negligible when compared with that done by the national banks.

"The scale of public expenditures has been rising. They will not consent to economies which will reduce public service. Where shall we put these taxes if we take them off the national banks? From 1917 to 1922 the capital of national banks in Massachusetts has increased \$10,418,000; their surplus has increased \$10,436,000; their undivided profits have increased \$3,255,000 and their deposits have increased \$235,471,000.

"There has not been a failure of a national bank in the state since 1917 while there have been 3352 business failures. National banks have had so much business that they can't accommodate people. Does this show evidence of poverty? Their action in asking that the taxes be shifted onto other shoulders, far less able to bear them, exhibits something that closely approaches insolence. There is no doubt that the state can pass a retroactive law.

"The present chief justice of the United States supreme court, on the floor of congress, lobbied in favor of a retroactive law. The principle is recognized. It is permissible when necessary and public necessity now certainly requires it."

BIBLICAL AND LATIN STUDENTS IN DISPUTE

NEW YORK, April 27.—An old controversy flared up today among biblical and Latin scholars over the assertion of Dr. E. S. Buchanan, former manuscript curator of the Hispanic society of America, that he has discovered a second-century version of the new testament. The New York Times today quoted Dr. Buchanan as saying that the new version furnished no basis for belief in the day of judgment, the end of the world, baptism and hell and assigns to woman a more superior place than previously accepted versions.

Dr. Buchanan's text was taken from a vellum manuscript known as the Codex Bezae Cantabrigiae. Palimpsestus, supposedly brought here after it was stolen from a Spanish monastery. His assertion that he deciphered the text after months of patient reading of a disintegrating parchment which had been washed out by acid but which was indelibly imprinted by a steel instrument by the original writer, is contradicted by others who say they carefully examined the manuscript.

MACMILLAN ORATOR AS WELL AS EXPLORER

Donald B. MacMillan, the famous explorer, will deliver the Macmillan orator as well as a good explorer. The combination makes for a delightful evening, and those who attend his lecture on Monday are promised a genuine treat.

The title of MacMillan's latest lecture is "In Unknown Baffin Land." It is a recital of his latest trip to the Arctic regions and he is well equipped with a wealth of material to speak interestingly upon it. There is no man who has spent such time in the frozen region as MacMillan has and the fact is reflected in his lecture work.

The coming to Lowell of this well known explorer has been received with great pleasure on the part of many Lowell educational institutions and many reservations have been made for students. The Downtown Men's club has applied for a large section of the floor and the schools have also taken it up. The Ad club is interested to a good extent and will be well represented. Edward J. Cooney spoke yesterday before the Normal school girls and this morning he went to the Lowell Textile school.

Tickets may yet be secured at Steiner's for the Macmillan lecture.

FEARS FOR BAY STATE

Cong. Upshaw of Georgia Assails Tinkham and Gallivan, "Wet Twins"

BOSTON, April 27.—Congressman William D. Upshaw of Atlanta, Ga., in the People's Temple on Columbus avenue last evening, pretended to be very much exercised over the idea that Massachusetts is contemplating secession from the union because the state legislature is considering a referendum on the liquor question.

The thought—or the idea—furnished him an opportunity to indulge in a tirade of faction rhetoric which should be the means of selecting him to Congress.

For as a southerner who fully appreciated the consequences of secession he was able to warn Massachusetts of her impending fate if she dared bolt from the "Prohibition Union of States." And he did not forget the "wet Boston twins"—his colleagues in Congress—the "Terrible Tinkham and Gymnastic Gallivan."

There were only about 300 present at the meeting to hear Congressman Up-

HARVARD MEN DENY CHARGE OF DRINKING

BOSTON, April 27.—Harvard men are incensed at the statements of Exchange Professor Henry Hauser of France, in an article in a Paris newspaper, in which he intimated that drinking is prevalent among Harvard students.

A poll of opinions from representative students in Harvard college last night showed the practically unanimous opinion that, while there is drinking at Harvard, it is not indulged in to any greater degree than in any other section of the population of the country and probably to a less extent. Prominent men in the senior and junior classes stated that about half of the student body drink on rare occasions, such as social functions and celebrations, and that a small but conspicuous minority drink to excess more often than this.

MATRIMONIAL

Mr. Ralph Arthur Berg and Miss Ruth Emerson, both of Chelmsford, were married last evening at the home of the bride's parents in Bartlett street, the ceremony being performed by Rev. L. L. Greene, pastor of the Chelmsford Unitarian church, assisted by Rev. C. H. Ellis of the Central Baptist church. Mr. Henry Carl Berg, a brother of the groom, was best man, while the bridesmaid was Miss Dorothy Chambers Emerson. After July 1 the couple will be at home to their friends at the Westlands, Chelmsford.

PATROLMAN SUSPENDED FOR SIX MONTHS

Patrolman John Mahan has been suspended from the department for a period of six months for conduct unbecoming an officer of the law on the evening of April 20, the suspension to take effect immediately. It was only a few days ago that the same officer was publicly commended for his capture of a clothing-store thief in this city.

Election Commissioners Want More Pay

Continued
ing that in his opinion there can be no redress from the council, for there is nothing in the city charter empowering the municipal council to increase salaries after the budget is made out. "Although we may feel that the members of the election commission are entitled to more pay," he said, "because of additional work through the listing board we are powerless."

It was intimated at city hall this morning that the case of the election commissioners may be taken to court on the ground that it was the intent of the legislature in enacting the bill to make the salary of the board \$2000 a year for each member, and that inasmuch as the work of the board has been increased 100 per cent, its members are entitled to a higher salary.

Assessors' Department
The work of assessing real estate is about half finished and has been dropped temporarily in order that the temporary clerks in the office may be given something to do. The clerks have caught up with the work that is being given them by the listing board and today they started on the compiling of statements that are being filed by taxpayers of the city. These statements are gone over carefully by the board of assessors, checked up and then turned over to the clerks who make final disposition of them. As soon as the assessors are through with the statements they will resume their task of assessing real estate.

Memorial Drive
Invitations to attend the exercises which will be carried out in Knapp avenue tomorrow in conjunction with the planting of trees for the so-called Memorial Drive have been sent out to the G.A.R., Spanish-War Veterans, American Legion, Disabled Veterans and Foreign War Veterans. The plant-

ing of the trees will be under the direction of the park department, while the exercises will be in care of the Legion. The program will be carried out at 3 o'clock.

ANOTHER CUT IN GASOLINE
NEW YORK, April 27.—The Standard Oil Co., of New Jersey today announced another cut of one cent a gallon in the price of gasoline. This is the second cut within a week, and the company states to a surplus plus production.

The Texas company and the Gulf Refining Co., also announced reductions of one cent a gallon in the price of gasoline in their territories.

COURT DENIES PETITIONS FOR NEW TRIAL

According to a notification received at the office of Donahue and Donahue, this city, Judge Cox of the superior court, has overruled the petition of Quis, Howard and Rogers, for a new trial in the case of Andrew Jones vs. the B. F. Butler Co-operative bank for breach of contract. Donahue and Donahue appeared for the plaintiff in the original trial and Quis, Howard and Rogers for the

complainant, and after a verdict of \$1400 had been returned, Mr. Rogers asked for the new trial.

FASCISTI ATTACK PALERMO CHAMBER

PALERMO, Sicily, April 27.—(By the Associated Press) The Fascisti here, indignant at a Communiqué issued by the socialists and communists denouncing the action of the government for suppressing the labor holiday of May 1, attacked the Palermo chamber of labor last night. GREATER FREEDOM FROM TARIFF URGED

LONDON, April 27.—Viscount Leverhulme, who started his business life wrapping soap in his father's grocery store and who now is one of the greatest business merchants in the world, today voiced his ideas regarding Anglo-American trade before the American Society.

be the goal of the business men of both countries, he said. There was a time, he continued, "when England was a protectionist country, but she found it did not pay, for the home market of any country is easily supplied. Care must be exercised, or overseas opportunities will be neglected and lost."

LAW CHALLENGED
WASHINGTON, April 27.—The constitutionality of the law establishing the Kansas Court of Industrial Relations, was challenged in the supreme court today by the Charles Wolff Packing Co. of Topeka.

STOCK MARKET

NEW YORK, April 27.—Conflicting price movements took place at the opening of today's stock market. Slewart-Warner, Spectrometer advanced a point and Rudebaker, Baldwin, Consolidated Gas, Long, American Tobacco and Norfolk & Western improved fractionally. Bethlehem Steel B yielded slightly on publication of a report showing that the dividend for the first three months had not been earned. Corn Products, Corden, Texas Company and Missouri Pacific preferred also receded slightly.

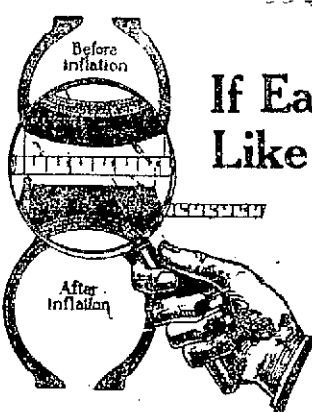

Price changes continued mixed in the later trading with marked strength being shown by the tobacco and food shares and a selected list of specialties. American Tobacco B. Consolidated Gas and the United Retail Stores each advanced one point and Tobacco Products, the last named at a new high record. Gains of a point or more also were registered by Chandler Motor, DuPont, American Waterworks, Matheson Alkali, Simmons Hat and Sias and Hosiery. Baldwin cancelled its early gain and dropped a point below last night's final figures. Losses of 1 to 2 points also were recorded by American Zinc, American Ice, Crucible Steel, West Penn Power & American Beet Sugar. Foreign exchanges opened irregular. Demand sterling dropped half a cent to \$4.62 1/2, the lowest price of the year and French francs advanced 3 points to 63 1/2 cents.

The closing was irregular. Short interests again attacked the oil group in the late dealings, and succeeded in knocking off some orders which resulted in declines of 1 to 3 points in a number of the popular issues. Motor shares were strong.

ROSWELL R. ROBINSON DEAD
Was Trustee and Associate Founder of Boston University—Retired Soap Manufacturer and Banker
MALDEN, April 27.—Roswell R. Robinson, trustee and associate founder of Boston university and for many years a prominent member of the Episcopal church, died at his home here today. Mr. Robinson, who was born in Taunton, in 1856, was a retired soap manufacturer and banker. He had been a generous contributor to Boston university and to various church bodies. He was a delegate to the general Methodist conference at Baltimore in 1908.

TO OBSERVE PRIEST'S GOLDEN JUBILEE

Plans are under way among the residents of St. Paul de Joliette, Que., for a big celebration in the Canadian town next August on the occasion of the golden jubilee of Rev. Antoine A. Amyot, O.M.I., of St. Joseph's parish, this city, dean of the Oblate Fathers of Lowell and former pastor of St. Marie's church in South Lowell.

Rev. Fr. Amyot was born and christened at St. Paul de Joliette and the residents of the quaint old Canadian village will not allow such an occasion as the golden jubilee of a priest who was born in their midst to go by unheeded and hence the plans, which have already been started.

On Oct. 26 next Rev. Fr. Amyot will round up a half century as a priest and it is very probable that an appropriate celebration will be held in this city at that time. But in August the venerable priest, accompanied by his provincial, Very Rev. J. E. Turcotte, O.M.I., will journey to his native town, where the big celebration, in which it is expected all the residents will take part, will be carried out. While in the Dominion, Rev. Fr. Amyot will also visit his alma mater, the Assumption college at Farnham, Que., and will also be the guest of a great number of relatives in the surrounding towns, whom he has not seen for a great many years.

Rev. Fr. Amyot observed his 75th birthday anniversary last Feb. 6 and despite his advanced age he is still enjoying the best of health and is quite alert. Last summer he celebrated the 50th anniversary of his entrance into the Oblate order with a solemn high mass at St. Jean Baptiste church, which

was celebrated by Rev. Leonore Perreault, assisted by Rev. Adrien Perreault, O.S.A., as sub-deacon, all three nephews of the Lowell priest.

Every Church in Boston To Be Guarded

Continued
and two bombs found with it in his South End rooms. At the same time department of justice agents conducted an inquiry into his alleged radical activities, because of which a charge of distributing anarchistic propaganda was joined with that of having explosives in his possession.

Among Blamfield's effects in his South End apartment were scores of daily papers with detailed accounts of various Catholic church fires. It was also discovered that Blamfield sold one of his fire starters to a suspicious-looking character an hour before the fire that threatened St. Peter's Catholic church in South Boston.

Blamfield told the court when arraigned yesterday that he was a native of the British empire, had been in the country 23 years, but was not a citizen. He was held in \$3500.

In addition to a wagonload of literature the raid disclosed two bombs, a quantity of caps said to be timed from two to five hours and an automatic fire-thrower. He said the literature found in his rooms, containing numerous references to "destructive warfare on society" and "concerted action" was merely advertising matter for his auto-

matic fire-thrower. This device is admittedly causing the police much uneasiness as they fear it has been widely sold.

The literature describing the possibilities of the fire-thrower, took the form of a four-page circular. One paragraph said:

"It undoubtedly equips the individual with an effective means of carrying on a destructive warfare against society if he so chooses, with relatively a high degree of safety to himself."

"The moral effectiveness of self defense (the fire-thrower), is an every day, plain fact, important in the struggle against greed, cunning and exploitation of the masses and not merely in a military exigency. Every adult believing in a moral effective should have one or more."

12 Die in New York Fire

Continued
name. His little son, Hyman, who also had been awakened, crawled on his hands and knees behind him. Mandelbaum placed the youngster on the fire escape and told him to climb down and wait for the firemen. He was rescued. Building Rearing Flaming.

When Mandelbaum, meanwhile, shouting "Fire!" turned to look back to his apartments he was horrified to see flames shooting from the hall. Vainly he tried to get into his rooms, but the flames beat him back. He was staggering in again when firemen summoned on three alarms, pulled him to safety. By this time, the building was a roaring furnace, and the firemen were driven out of the building.

The Kluxis family which occupied an apartment opposite the Mandelbaums,

was trapped. Mrs. Brownstein was pulled out of the room unconscious by firemen, and taken to a hospital where she died.

Died Trying to Save Wedding Dress
Bertha Kluxis, who was to have been married June 17, lost her life because she went back to her apartments for her wedding dress.

Two firemen, James Charnan and John Malone, a taxicab driver, Louis Moskowitz and a local pugilist, "Mandy" Freeman, made heroic rescues. The bluecoats carried Mrs. Annie Solomon, an aged invalid, down a flaming stairway.

Moskowitz drove his cab under a fire escape and with the aid of Freeman, caught the frightened men, women and children as they leaped to the top of the cab. Sixty persons were rescued in this manner.

CRESCENDO CLUB HAS MONTHLY MEETING

The regular monthly meeting of the Crescendo club took place Wednesday evening, at 224 Merrimack street during the business meeting plans were made for the national convention which is to be held in Boston May 10. The annual contest will be held at St. Albans hall in the morning, and the regular convention and luncheon will take place at the Copple-Plan in the afternoon. Margaret Leach of this city, is among those taking part in the entertainment. Leona Cuff and Mildred Dever are the delegates from Lowell. After the business meeting adjourned, a very unique program was carried out, every member on the program being spring music.

POLICE MAKE BIG RAID AT HOUSE IN TROTTER PARK ROAD

Behind the Hill They Found a Still Where Moonshine Was Made on the Sly—John Endyk Was Arraigned in District Court Today, But John Says He Doesn't Own the Still or the Moonshine—Police Will Proceed to Do a Little Probing

In the quiet recesses of secluded Trotter Park road, off Varnum avenue, Capt. Palmer, Sgt. Winn, Officers Alrich, Molony, Cossette and Killy of the local liquor squad yesterday afternoon raided the innocent-looking dwelling of John E. Endyk and found a 100-gallon still, over two gallons of mash, 23 gallons of alleged moonshine and several empty bottles, jugs and other illicit paraphernalia used in the manufacture of the forbidden liquor.

The still was located in the cellar of the house, neatly set on a stove with a huge condenser 10 feet away. A waste pipe extended from the condenser along the ceiling to an outlet at the farther end of the room. Endyk was not at home when the first visit was made to the premises. His wife and four small children were the only occupants when the officers arrived and were greatly excited during the process of investigation. Officer Molony was sent back

to the police station to secure the proper papers and was nearing the place of seizure on the return trip when he encountered a man unconcernedly driving a horse in the direction of his destination.

"What's your name?" demanded the officer. "John Endyk" was the reply, and when he admitted being the tenant of the Trotter Park road home, Officer Molony ascended his vehicle and accompanied him for the remainder of the journey.

Approaching the house, a woman, Endyk's wife, was seen standing on the veranda frantically waving her arms in an effort to attract her husband's attention and warn him of the presence of the police. She did not know that her husband's companion was Officer Molony.

Questioned as to the ownership of the still, Endyk said that it was the property of a Greek resident of Lowell whose name he did not know. He said he has been living with his family in Trotter Park road only two weeks and when questioned further, he stated he could not understand the officers, nor could they understand him.

In the district court this morning, Endyk was continued in \$300 bonds until May 4 to give the officers sufficient time to investigate as to the real owner of the property.

AUTOS IN COLLISION

Arthur H. Nadeau of 11 Fairmount street, Lawrence, reported that while driving up Sixth street at 9:45 this morning, his machine collided with one driven by J. M. Burke, which was coming down Myrtle street. Mr. Burke's machine was quite seriously smashed, while Mr. Nadeau's was but slightly damaged.

CIVIL SERVICE EXAMINATION

A civil service examination for applicants for positions in the railway mail service will be held at the postoffice on May 28, 1923. Information concerning the qualifications necessary for competition in this examination may be had at the office of the examiner at the postoffice, or from the headquarters of the civil service in Boston.

BUSINESS IS BOOMING

Continued Increase in Industrial Production—Building Operations, Etc.

WASHINGTON, April 27.—Continued increases in industrial production, further expansion in building operations and freight movements heavier each week than in any corresponding week in four years, were reported as among the outstanding features of business conditions this month in a statement today by the federal reserve board. General production, the statement announced, was eight per cent. higher on the board's index ratio than the high peak of 1920 and 67 per cent. above the low point of 1921.

The board's statement was devoid of

comment as to the length to which business expansion may go. It was ascertained, however, that in some official quarters the belief is held that pyramiding of orders is developing and some alarm was expressed as to the significance of this condition.

There has as yet been no reflecting in the rediscounts by the Federal Reserve banks of the reported heavy borrowings from member banks of the reserve system. The loans of member banks for commercial purposes increased \$18,000,000 in the 33 days prior to April 11. The increase, however, has not been reflected in the rediscounts of reserve banks largely as a result, the statement explained, of withdrawal of funds from investments and the continued inflow of gold. This condition also has resulted in more or less stable money rates.

March sales by department stores as reported to the reserve banks, were about 22 per cent. greater than a year ago. Sales by mail order houses were reported as larger than in any month since November, 1920, and 35 per cent

ELECTRICAL BOYS WIN
VOCATIONAL MEET

The first annual indoor track meet was held by the Boys' Vocational school yesterday afternoon at the drill shed in Paige street. The meet was held as a completion of the indoor physical work and the competitors were the four departments of the school, automobile, woodworking, electrical and machine.

The first event was a basketball game between the Monday and Friday groups. It was won by the Friday group, 3 to 2. Laflamme was captain of the winning team. The next event was a 30 yard dash for class 1 boys. This was run in two trial heats, the final heat won by Laflamme, of the automobile department, second Horns, also of the automobile department. Then came the 30 yard dash for Class 2 boys. After the trial heats, the final heat resulted in a win for Sullivan, electrical; McMorow, electrical, second, and Murphy, carpentry, third. Next came the 600 yard run for Class 1 boys. This was won in two heats against time and was won by Laflamme, auto department, with Kinch group, Welch, captain.

This was followed by the one-lap relay for Class 2 boys, four boys from

the winner was Murphy, of the carpentry department; Francoeur, of the carpentry department, second, with Dupont and Boisvert, of the auto department, tied for third place.

In the 35 yard hurdles, after the trial heats, the final was won by Cullinan, of the machine department. For Class 2 boys the hurdles were won by McMorow, electrical, first; Mannel, automobile, second, and Lavoie, electrical, third.

In the basketball game between the winners of the first game and the Wednesday group, the final score was 6 to 3 in favor of the Wednesday group, Welch, captain.

This was followed by the one-lap relay for Class 2 boys, four boys from

each department running one lap each. The electrical department was the winner in this, the auto coming second, and the carpentry, third. The two lap relay for class 1 boys, four from each department was won by the machine department with the carpentry second. The two lap relay for Class 2 boys was won by the electrical department with the machine second and the automobile third.

The last event was the high jump. In Class 1 Laflamme and Peabody of the automobile department were tied with Cullinan of the machine department for first place, giving six points to the automobile and three points to the machine. High jump for Class 2 boys was won by Sullivan, of the electrical department, second, with Ferras, of the electrical and Murphy, of the electrical tied for third, giving the electrical department nine points.

The meet was won by the electrical department with a final score of 32, auto department second, with 28, and

the carpentry and machine departments with 16 points each, tied for third place.

The faculty and members of the Girls' school attended the meet and it is needless to say they enjoyed it.

GIRLS DRAW FOR HUSBANDS

Love and Courtship Have No Place in Marriages in House of David Colony

Girls Mated by System of Lottery, Witnesses Tell Judge Dingeman

ST. JOSEPH, Mich., April 27.—Love and courtship have no place in marriages at the House of David colony at Benton Harbor, but instead marriageable girls are mated by a system of lottery in accordance with the rules of the cult, witnesses have told Judge Harry Dingeman, presiding at a grand jury.

The system was told yesterday by Benjamin Hill, 34, a life-long member of the colony, who was called before the grand jury after he had been intercepted in an attempt to leave the colony with a woman companion from the House of David.

"King" Benjamin Purnell, the cult's leader, he said, decreed the marriages and girls ordered to wed selected their

husbands by drawing from a hat names of men members of the colony. After the lottery, the girls and the lottery bridegrooms were married in a group.

Hill told of his own romance with the woman who accompanied him. They had been sweethearts for years, he said, but his name was drawn by a 15-year-old girl whom "King" Benja-

mina caused him to marry. Just recently, he said, his name was drawn in another marriage lottery, his wife having divorced him after departing from the colony. The second girl was Marietta Smith, Hill said, but he protested so strongly that she drew again. Her marriage to her second choice was halted by Attorney General Daugherty this week.

Hill said he had heard stories of alleged immoral practices indulged in by the cult leader and gradually lost faith in the teachings. His mother's death he said, shattered what little belief remained. Purnell teaches, he said, that those "in the faith" are immortal and only those who do not keep the faith die.

Lillian Hanford, 22, who was Hill's companion in his night flight from the colony, said she knew little about any incidents that transpired at Shiloh.

ORDERS CHURCH CLOSED NOT FIT TO BE AT LARGE

Pastor Had Issued Divorce to Former U. S. Senator Hollis of New Hampshire

LOWELL, April 27.—(By the Associated Press)—The high administrative court of Bulgaria has handed down a decision involving the definite closing of the Bulgarian church at Dubinitza, the pastor of which, M. Topilsky, issued a divorce to former United States Senator Henry F. Hollis of New Hampshire.

The Bulgarian church at Dubinitza, Bulgaria was closed not long after its pastor granted former Senator Hollis a divorce in March, 1922. The department of religion and education of the Bulgarian foreign office, in taking this action, announced that the church was not officially recognized by the state.

The department also said that the divorce possessed no legal force.

On March 21, 1922, Mr. Hollis was married to Miss Anne White Hobbs of Concord, N. H., at the American Methodist church in Rome. The civil rites were performed by Municipal Councilor Ferrao, as acting mayor of Rome.

Maj. Daugherty Committed to Sanitarium as "Habitual Drunkard"

STAMFORD, Ct., April 27.—Maj. Draper M. Daugherty, son of United States Atty. Gen. Harry M. Daugherty, was yesterday afternoon formally committed to Stamford Hall sanitarium by Floyd B. Bartram, judge of probate, for not less than four months or more than one year.

Judge Bartram found Maj. Daugherty an habitual drunkard or insubordinate, as set forth in the petition for Daugherty's commitment filed by his wife, Mrs. Daugherty of New York, and his uncle, M. S. Daugherty of Washington Court House, O. It was stated that Atty. Gen. Daugherty is in entire sympathy with the proceedings.

The commitment was made after testimony by Dr. Graeme M. Hammond of 60 West 55th street, New York, a noted alienist who figured in the Shaw case, and by Dr. John J. Staub of Stamford to the effect that in their opinion, Maj. Daugherty is an habitual drunkard and is not fit to be at large.

Dr. Hammond testified that if he were allowed to remain at large he "will continue to drink to excess and probably perpetrate other acts of a criminal nature."

FOIL HUNGER STRIKERS

Dail Eireann Proposes Vote to Stop Releases—May Free Mary MacSwiney

DUBLIN, April 27. (By A. P.)—Miss Nellie Ryan and Miss Annie O'Neill, released from prison by the Free State government yesterday after hunger strikes lasting more than a month, were in actual danger of death by starvation, according to medical evidence, it was announced last night. Miss Ryan

the minister of defense. In announcing the release of the two women, a government communiqué says the decision was taken following the discussion in the Dail Eireann Wednesday night, when Dr. Patrick McCartan gave notice that he would move a resolution next Wednesday providing that: "In the opinion of the Dail any prisoners who decide, after the passing of this resolution, to go on hunger strike in order to secure their release should be allowed to take the full consequences of their act."

It is expected the Dail will adopt the resolution, which will thereupon become the basis of the government's policy. Meanwhile it is believed other hunger strikers will be released, including Miss Mary MacSwiney and Mrs. Kate O'Connell, widow of the lord mayor of Limerick.

VETERAN LOSES PENSION

Grant for Bunion Withdrawn
When Amputation Removed
Original Disability

ABERDEEN, Scotland, April 27.—The inexorable logic of "red tape" has played a trick on an Aberdeen veteran. The man was incapacitated during the war through an injury to his foot and when a large pension appeared on the affected member, a grateful country rewarded the veteran with a small pension. However, the bunion in time developed into a more serious disability, and a few weeks ago it was found necessary to amputate the foot at the ankle.

The former soldier has just been notified by the ministry of pensions that his grant has been withdrawn because the original disability had passed away.

Have You Piles?

Then You Have Something to Learn

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

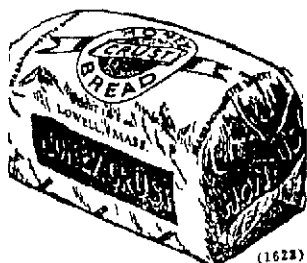

Pain and irritation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonard was first to find the remedy. His prescription, HED-ROLD, is now sold by all druggists. Dr. Leonard tried it in 1000 cases with the marvelous record of success in 95 per cent, and then decided it should be sold under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HED-ROLD from Green's drug store today. It has given safe and lasting relief to thousands and should do the same for you—it seldom fails.—Adv.

8 Arrests in I. W. W. Strike at New Orleans

NEW ORLEANS, April 27.—Eight arrests as a result of the strike here of transport workers of the I. W. W. were made by the police last night and early today. The men were picked up near the waterfront and charged with loitering. Steamship operators declared that the labor supply was plentiful and they had adequate applications to fill any gaps caused by the strike.

Bomb Wrecks Buildings in Dublin

DUBLIN, April 27.—Three men and a woman drove up to the Central cinema theatre on Sackville street today, placed a mine outside the building and then hastened away. The explosion that followed only damaged the front of the theatre but wrecked the nearby drugstore and seriously damaged shops on the other side of the street. One of the miscreants is believed to have been injured. No other casualties were reported.

Orders Probe of Firing on U. S. Schooner

WASHINGTON, April 27.—Frederick M. Ryder, American consul at Vancouver was instructed by Secretary Hughes today, to investigate the firing on the American schooner Siloam, by a Canadian Fisheries patrol, which resulted in the death of J. M. Yorke, a member of the Siloam's crew.

Steamer Ashore and Hemmed in by Ice

HALIFAX, N. S., April 27.—Wireless messages today reported the British steamer Cymric Queen ashore and hemmed in by an ice pack in latitude 45.35 north and longitude 60.38 west, estimated to be about five miles from Point St. Esprit on the Cape Breton coast. The government steamer Sydney picked up distress signals from the Cymric Queen but could not respond as she was bottled up by drift ice in Bras d'Or lakes. The Cymric Queen is a 2400 ton vessel.

Refuses \$100,000 for Infielder Boley

BAITIMORE, April 27.—An offer of \$100,000 from the Brooklyn Nationals for Joe Boley, of the Baltimore Orioles, star infielder of the International league has been refused by President-Manager Jack Dunn. It was announced by the local club management last night. It was added that Dunn plans to keep his club intact in an effort to win his fifth consecutive pennant this season.

INDICTED FOR KILLING FATHER

ELLSWORTH, Me., April 27.—Halsea E. Chubbuck of Carroll, pleaded guilty in the supreme court today to an indictment reported under a special statute, for carelessly and negligently killing his father, Harvey Chubbuck, while hunting deer early in December. He will be sentenced later. He has been in jail since his arrest on December 3.

CANNING SEASON ON

PITTSBURGH, Pa., April 27.—Seven recruits were released by Pittsburgh today to Williamsport, in the newly organized New York-Pennsylvania league. Those given their walking papers were Pitchers Caffery, Fulweller, Manning and Fulk; Outfielders Haas and Leavitt, and Infielder Schwab.

Rowson Held for \$30,000 Ransom

HONGKONG, April 27.—(By the Associated Press)—H. C. Rowson, a member of the staff of the British-American Tobacco Co., has been captured by robbers at Moli, north of the port of Pakhoi in the south-west of Kwang Tung province, and is held for \$30,000 ransom, according to representations made by the company to the British consular authorities today.

3 Boats From Portuguese Steamer Found

WALFISH BAY, Southwest Africa, April 27.—(By the Associated Press)—Three boats belonging to the wrecked Portuguese steamer Massamedes have arrived at Port Alexander, Angola.

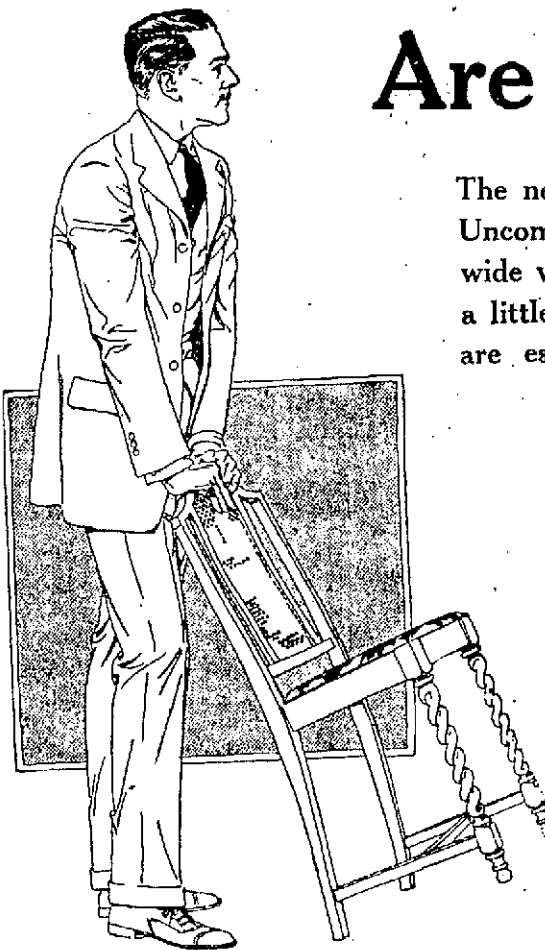

15 Men Steal 20 Barrels of Whiskey

LOUISVILLE, Ky., April 27.—Fifteen men held up guards at the W. B. Samuels Distillery, near Bardstown, Ky., early today, and carried away 20 barrels of whiskey in a stolen truck, according to reports received by federal prohibition officers here.

Report Bergdoll in Lower California

LOS ANGELES, April 27.—Reports that Grover Cleveland Bergdoll, sought by federal authorities for years as a draft dodger, is in the northern part of lower California and spends his time between Ensenada and Tijuana, were brought today to Los Angeles by private individuals. He fled to Germany from the United States.

FOUR SHIPS IN FLAMES

GIJON, Spain, April 27.—(By the As-
sociated Press.) Fire starting on the
sailing vessel Itaplo, with a cargo
of fuel oil, spread today to two other
sailing vessels and a steamer.

It seems probable that all 11 of the ves-
sels which were anchored in the har-
bor would be destroyed.

SEEK TO BREAK DEADLOCK

LAUSANNE, April 27.—(By the As-
sociated Press.) The principal allied rep-
resentatives of the near east peace
conference today conferred with Janel
Pasha, head of the Turkish delegation,
in an effort to break the deadlock on
most of the questions that have been
arising and get the conference into
real motion.

BRIEF BUT IMPORTANT WIRE DESPATCHES

WASHINGTON, April 27.—Conditions
under which the shipping board will
offer for sale all its ships and prac-
tically all going routes were approved
by Chairman Lasker today and will be
announced publicly within the next 24
hours.

NEW HAVEN, Conn., April 27.—Er-
nest W. Brown, professor of mathemat-
ics, and Yandell Henderson, profes-
sor of applied psychology at Yale, have
been elected to membership in the Na-
tional Academy of Sciences, it was an-
nounced today.

CHICAGO, April 27.—Albert Baillin,
also known as Balano, self-confessed
agent provocateur in connection with
espionage of radicals, today was
rested and taken from a bed in a hos-
pital here upon information that he
had been indicted in New York city
yesterday on a charge of sending
threatening letters through the mails.

MARION, Ill., April 27.—Witnesses
who displayed a seeming reluctance
to answer questions were threatened with
imprisonment for contempt today by
the sub-committee of the Illinois
house of representatives appointed to
investigate the Harrin riots.

NEW YORK, Pa., April 27.—Cashier
Thomas E. Baird accused of embezz-
ling \$500,000 of City bank funds from
his cell in the county jail today is-
sued a statement denying that he
helped to back a bootlegger's ring
with the stolen money.

SPRINGFIELD, April 27.—Charles E.
Bailey, 27, an auto mechanic was sen-
tenced to four years' imprisonment
today after he had confessed to the
police the robbery of eight automob-
iles between Oct. 25 and Jan. 10 last.

LAFALETTE, Ga., April 27.—
George Baker was hanged here today
for the murder of Deputy Sheriff J.
W. Morton at Durham, in this county,
in March of last year.

NEW YORK, April 27.—Matthew
D. Blundell, who pleaded guilty to
participation in the robbery of \$300,-
000 worth of jewels from Mrs. Irene
Schnecko of Buffalo, after a gay
New Year's party, was sentenced to-
day to six years' imprisonment by
General Sessions Judge Crain.

WASHINGTON, April 27.—The
Right Rev. Alfred Harding, Episco-
pal bishop of Washington, is seriously
ill here.

SALEM, April 27.—Hyman B. Mil-
ler, 40, a baker, and Joseph A. Le-
Blanc, 24, a chauffeur, were arrested
today on a charge of burning an old
motor truck belonging to Miller, April
17, "knowing it to be insured." Bail
was set at \$5000 each. Both deny their
guilt.

TO MERGE TROLLEY AND MOTOR BUS SERVICE

CLEVELAND, Ohio, April 27.—C. E.
Emmons of Baltimore, President of the
American Electric Railway association,
speaking before the Society of Auto-
mobile Engineers today, said that the
ultimate solution of transportation
problems would be the co-ordina-
tion of electric railway and motor bus
service. No conflict exists between the
motor and electric railway industries,
he declared, although some railways
are suffering from the competition
engendered by individuals. Leaders of
both industries, he added, are working
together to determine the best meth-
ods of co-ordinating local service.

Mr. Emmons quoted Alfred Reeves,
general manager of the National Auto-
mobile Chamber of Commerce, as de-
claring that bus and truck lines should
be operated by railroad men as feeders
to trolley and steam lines.

URGES INTERVENTION IN RUSSIA
NEW YORK, April 27.—During his
tour of America, Lord Robert Cecil,
League of Nations champion, today ex-
pressed before an audience at Town
hall a wish that some great power
would ask the league to intervene in
the Ruhr.

Lord Robert declared the time was
ripe for the league to take up discus-
sion of the Ruhr situation, the resolu-
tions question involved and the de-
mands of France that her safety be
definitely and specifically guaranteed
by the other major powers.

Blood Pressure Down Five Degrees

Mrs. Charles Whitney of Troy Tells
How to Quickly Reduce High
Blood Pressure

"I have suffered from high blood
pressure since last July with a pressure
of 238. I would have those severe
headaches that come with high blood
pressure, such as dull, throbbing pain,
and ringing in my ears. I had ter-
rible dizzy spells, at times when I
would have to grab hold of something
to keep from falling. I would be-
come very weak and often I would
faint away. Finally, I became nervous
and could not sleep at night.

"I heard of NORMA and decided to
give it a trial and I'm certainly glad
I did. Why, you know the first day
my pressure went down five degrees
and I slept fine, getting a good night's
rest. Those dizzy spells have left and
I haven't had a weak or fainting spell
since the first few days. To be rid
of those headaches alone is worth a
fortune for they were torture. I can
recommend NORMA highly to anyone
suffering as I did. Mrs. Charles Whit-
ney, Troy, N. Y., Feb. 25, 1922.

NORMA is the new discovery for high
blood pressure that A. W. Howe & Co.
is selling in the month of 20 years. It
was first prescribed by a Buffalo physi-
cian with remarkable results. All first
class druggists sell and guarantee it.

PRESENTED D. S. CROSS

PARIS, April 27.—American Amba-
sador Herrick today presented, in the
name of President Harding, the Dis-
tinguished Service Cross to Col. Blanton
Winship, now attached to the repatri-
ation commission for "extraordinary and
heroic action as colonel of the 110th In-
fantry near Lachauze on Nov. 3, 1918."

The ambassador also conferred the
Distinguished Service Medal upon Col.
Nelson Dean Jay, "for exceptionally
meritorious and distinguished services"
the ceremony took place at the amba-
sador's residence in the presence of the
embassy staff and friends.

MOODY SANDBAGGED

Son of Late Dwight L. Moody,

Evangelist, Found Uncon-

scious in Doorway

CALEXICO, Cal., April 27.—Robert
Moody, said to be a son of the late
Dwight L. Moody, the evangelist, was
found unconscious in a doorway of a

business house here last night. The
police said he apparently had been
sandbagged and pronounced his con-
dition serious. He was taken to a
hospital where efforts to restore con-
sciousness were unsuccessful.

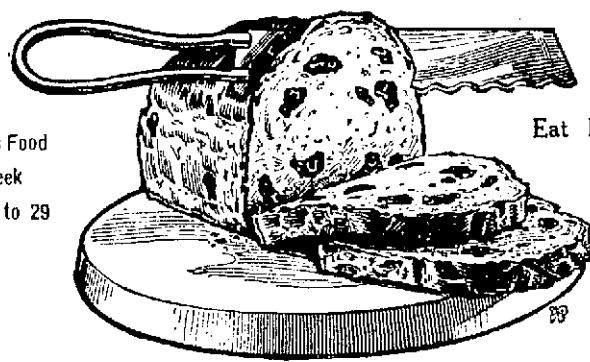

This is the third time within a year
that Moody has been found in a sim-
ilar condition. The police say they
have no clue to his assailant but
press the opinion the same man was
responsible for all three attacks.

Taste What Bakers are baking fresh for you each week

TASTE a luscious raisin bread that they
are making for you in sanitary modern
ovens, in scientific ways.

Real "old-fashioned" full-fruited raisin
bread, the kind you've waited for.

Count the raisins—at least eight deli-
cious fruit-meats in each slice.

We've arranged with bakers in almost
every town and city to bake this full-fruited
raisin bread.

When bakers bake bread like it, there's
no need to bake at home. You'll say so
when you taste it. Try it now. Made
with Sun-Maid Raisins.

Just 'phone a grocer or neighborhood
bake shop to send a loaf today. Learn how
convenient to get good raisin bread.

Use Sun-Maid Raisins also in your pud-
dings, cakes and cookies—for raisins are
both good and good for you.

You may be offered other brands that
you know less well than Sun-Maids, but
the kind you want is the kind you know
is good. Insist, therefore, on Sun-Maid
brand. They cost no more than ordinary
raisins.

QUIMET IN ENGLAND BIG RELAY CARNIVAL AT PHILADELPHIA

Boston Golfer First Amateur to Win National Open Championship

NEW YORK, April 27.—(By the Associated Press.) Friends of the American amateur golf team, now seeking new laurels in England, holds the distinction of being the first amateur to win the national open championship. He accomplished this feat in 1912, when he was a youth of 20 years. Two other amateurs, Jerome Travers and Chick Evans, have since won the title, the former in 1915, and Evans in 1916.

The Brooklyn star won the national amateur title from Jerome Travers in 1914, and was runner-up to Evans in 1920. He captured the professional championship in 1917, and held the French amateur title in 1914. He won both his singles and doubles matches in the Walker cup play in this country last year, defeating Aylmer in the singles 5 and 7, and paired with Jesse Crawford winning in the "doubles" from Talley and Darvill, also by 5 and 7.

Quimet's greatest golfing feat was his victory in the open championship at Brookline, Mass., in 1913, when he finished in a tie with Harry Vardon and Ted Ray, professional masters of Great Britain. Each had a 72 hole score of 354. In the 18-hole playoff, the American youngster, outplaying his famous English rivals with all clubs, struck in a card of 72 to Vardon's 77 and Ray's 75.

ST. HILAIRE AND TANSEY DRAW

SOMERSWORTH, N. H., April 27.—Joe St. Hilaire, of this city, and Young Tansey of Roxbury, Mass., who appeared in the main bout of the K. of C. A. A. boxing show here yesterday afternoon, fought 10 fast rounds to a draw.

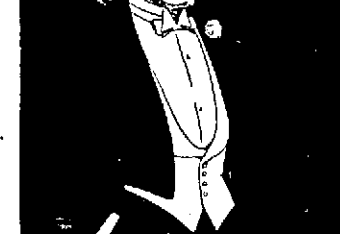

In the eighth-round semi final, Young Desautelle of Dover defeated Kawale Roy of Manchester.

TO STOP SMOKING

LYNN, April 27.—Smoking at the boxing of the Casino A. C. will probably be stopped in the near future, according to Joseph Murray of the club. Fires in the balcony at two recent shows are said to be the cause of Pres. Murray's action. He and fire officials have pointed out the danger in case a serious fire should result.

BASEBALL IN LIVERPOOL

LIVERPOOL, April 27.—Baseball is becoming increasingly popular in this district where a baseball league is already in existence. So enthusiastically is the game being taken up by schools in South Wales and North Wales, that in many districts cricket has been ousted. Efforts are being made to inaugurate an international schoolboy baseball match.

MANTY AND MURPHY BOUT MONDAY NIGHT

Charlie Manty of New Bedford will arrive in Lowell tomorrow morning for his bout with Billy Murphy, of Lowell, for the New England featherweight championship in association hall next Monday night under the auspices of the Olympic club. According to an agreement entered into between those concerned in the bout, the winner must appear in this city at least 48 hours before the time of entering the ring. Taxes postponed, Monday night's bout should provide all the expected thrills that accompany a championship attraction. Both boys are in the best of condition for the match and local fans, men, boys, women and girls, are anxiously awaiting the outcome.

Besides the main bout, Matchmaker Eddie Lyness has arranged the following attractive card: Tipper Quinn vs. Jimmy Dennis, eight rounds; Johnny Peris of Lawrence vs. Arthur Gosselin of Lawrence, six rounds; Johnny Perry of the Highland Daylights vs. Bonnie O'Neil of the same, six rounds.

DANCING AT CASINO TOMORROW NIGHT

As previously announced, dancing will be resumed at the Casino tomorrow night. Much time and labor has been expended by the management to make this popular dance hall one of the best in the city and it was with this end in view that the floor surface has been scraped and repolished and is now in readiness for dance lovers to inspect. According to the plan, an admission charge of 10 cents will be charged and three dance checks will be sold for a dime. A view of the renovated hall is worth the price of admission alone.

AT BEATING PARK

The Massachusetts Cotton Mills Juniors will line up against the Arlington Mill Juniors of Lawrence at Beating park tomorrow afternoon. The kick-off to take place at 3:30 o'clock. Mass. players are asked to report at the grounds at 2 o'clock.

AMATEUR BASEBALL

The Textile Juniors defeated the White Sox Saturday afternoon in a one-sided game by a score of 15 to 0. Pitcher O'Connor was the outstanding feature for the winners with 23 strikes out to his credit. He also eluded the ball for two homers and two triples out of five chances with the willow. The Textile Juniors are anxious to arrange games with teams in their class. Address all communications to Manager Dunn on Oliver street 401-21. Challenges sent through the sport columns of The Sun will be considered.

As a result of their 13 to 16 victory over the Andovers Cardinals are anxious to meet any 11 or 12 year old club in the city. Manager Naylor of the Cardinals can be located at the corner of Perry street between six and seven every evening. The players are anxious to play the best in their class.

The newly organized P. K. Stars wish to arrange for games with any 10-12-year-old team in the city. Address all challenges to Captain Leo Mellen, P. K. Smoke shop, city.

The Hudson A. C. is anxious to arrange a game for Sunday afternoon with any 14 or 15 year old team in Lowell with a baseball valued at \$10 as an incentive to win. Teams desiring to accept the above challenge are requested to make known their desires through the sport columns of this paper. The Hudsons will start a three game series with the Spaulding Monday night, with a 75 cent baseball as a prize.

The Emeralds and the Ford A. C. will clash tomorrow afternoon at 2 o'clock on the North common. Striks will be on the mound for the Emeralds.

The Emeralds challenge Bar-X, Shamrocks, Pawtucket Tigers, Boyl's Pirates, Y.M.C.A. Juniors, Jewett

A. C. Young Nationals and Rainbows Answer through this paper or call 6262-11 any evening between 6 and 7 o'clock.

The Y.B.I.A. accepts the challenge of the Mary 7th grade team to a game to be played any day during the spring vacation next week. Games are also wanted with any 12-13-year-old team in the city. Answer through this paper or call 262-W and ask for Manager S. Solomon.

The Harps of Lawrence have written to this office seeking games with the Belmonts and other Lowell teams, between the ages of 17 and 20. William Owens, manager of the Harps, receives his mail at 48 Salem street, Lawrence. His phone number is 4779-W.

The Seminoles want a game for tomorrow morning with a strong 12-13 year-old team. Tel. 1459-W and ask for "Eddie."

ENJOYABLE PARTY

The choir of the First Congregational church and their friends held one of the most enjoyable parties of the season at the Marlborough hotel last night. Many novel games and stunts were performed and the climax of the evening was the presentation to all present of gifts from "King Tut's tomb." Following the games, refreshments were served and dancing enjoyed for the remainder of the evening. Those in charge of the affair were Miss Frances M. McLeod, Miss Ethel Kenworthy and Harry Hopkins.

AT BALMORAL FIELD

At Balmoral field, Shawheen village tomorrow afternoon, the Massachusetts Mills soccer team will play the American Wooden team of Lawrence in an industrial league contest. All local players are requested to report at the Mass. mills at 2 o'clock. Mr. House of Lawrence will referee.

MEETING OF TWILIGHT LEAGUE MANAGERS

At a meeting of the Twilight league managers last night, it was voted that managers be allowed to draw playing material from Billerica, Pelham, Dracut, Graniteville, Tewksbury, Chelmsford, Westford, Forge Village, Pepperell and Dunstable, Smith of the Highland Daylights and Whitney of the Centralvilles will be carried along as usual by mutual agreement.

Present at last night's meeting was Supt. Kernan of the park department, who stated that his department is ready and willing to co-operate with the officials in upholding the high standard of the league. Bleachers will be erected on the Summer street slope and a regulation score board will be built in a conspicuous section.

It was voted to defer action on the proposed split-season. If the proposition is accepted two championships will be in order, one about July 1 and the other about August 25, the winner of the local series to play the champions of Lawrence. The next meeting will be held Tuesday evening May 1.

ASCENSION SOCIETY TAG-DAY TOMORROW

The Ascension society will hold a tag-day tomorrow on the purpose of raising funds to replace their equipment burned in a storehouse fire last summer. Mayor Donovan has given permission to the society for this purpose and numerous young ladies have volunteered to assist the officers of the society by selling tags on the streets in the down-town section of the city.

For about 40 years this society has been working among families who are in want and has been doing its work in such a quiet way that the general public has heard little if any concerning their efforts. The society now deems it necessary to ask the people of Lowell for assistance and they figured that a tag-day would be the best way of doing this.

IN SEMI-PRO CLASS NOW

The Tyler A. C. has entered the semi-pro class and wishes games with the strongest teams in and around Lowell. Joseph Demers has been appointed manager and may be reached through the Centralvilles will be carried along as

Do you know Baseball?

by Billy Evans

Questions
ONE—Can the pitcher, if not on the runner, feel to deliver the ball to the batter?

TWO—If with a runner or runners on the bases the pitcher drops the ball while in the act of delivering it, what is the ruling?

THREE—What is the ruling if the pitcher drops the ball while in the act of delivering it to the batter if the bases are unoccupied?

FOUR—What is the required distance from the home plate to a stand or fence to constitute a legal home run?

FIVE—What happens, if while attempting a third strike, the ball touches the person of the batsman?

Answers
ONE—It is a balk if the pitcher makes such a move.

TWO—It is a balk whether accidental or intentional.

THREE—No penalty is imposed if the bases are empty.

FOUR—The required distance for a legal home run is 235 feet from plate to stand or fence.

FIVE—The batsman is out, whether the ball is caught or not.

BRADY ESTATE SOLD TO MRS. FITZGERALD

The three parcels of real estate owned by the P. M. Brady estate and located in Chapel and Keene streets, have been sold to Mrs. Margaret J. Fitzgerald of 28 Ash street. The property consists of three large blocks containing eleven tenements and two stores.

The property is considered among the best in that locality as each flat is modern in every way, and brings up a high yearly rental. The sale was effected privately between the purchaser and the administratrix of the estate, Miss Catherine P. Brady, and the price involved is said to be in the vicinity of \$35,000.

EDITORS IN SESSION AT WASHINGTON

WASHINGTON, April 27.—Editorial standards for the newspaper profession and other problems of practical journalism were on the program for consideration at the first annual meeting of the American Society of Newspaper Editors today.

An address by Casper S. Yost of the St. Louis Globe-Democrat, president of the organization and reports by officers and committees, occupied the program for the opening session.

President Harding and John W. Davis, president of the American Bar association and former ambassador to Great Britain, are among the speakers listed to address the meeting tomorrow night.

JUMPED FROM ROOF

Mrs. Anna McMannemon of Broadway is Removed to St. John's Hospital

Residents and passers-by in the vicinity of 447 Broadway were thrown into a state of excitement about 7:45 o'clock last evening when Mrs. Anna McMannemon, wife of Frank McMannemon of the above address, leaped from the roof of an ell at her home to the sidewalk below and sustained injuries which necessitated her removal to St. John's hospital in a passing automobile.

Mrs. McMannemon and her husband have been living at 447 Broadway for a year and a half and neighbors stated this morning that she has been subject to sick spells of late. It was during one of these spells, it is thought, that she opened a window, ascended the roof and jumped, despite the attempts of her husband to restrain her. She arose to her feet unaided and apparently unharmed. The ambulance was summoned, but the woman had been removed to the hospital before its arrival.

While the extent of her injuries could not be definitely learned today, hospital attaches stated that she passed a very restless night and forenoon.

GENERAL MOVEMENT OF NEGROES TO THE NORTH

WASHINGTON, April 27.—The general movement of southern negro farmers to northern industrial centers, shown by a recent survey of the department of agriculture, will, if continued, have a very marked effect both upon the labor supply in the south and upon the negro race itself, in the opinion of officials of the census bureau.

An analysis by the bureau of the 1920 census shows marked tendencies toward interstate migration and concentration in cities. During the decade nearly 235,000 negroes removed to cities in the south Atlantic states and nearly the same number in cities in the east north central states. The increase in these cities, averaging nearly 50 per cent, affords a vivid statistical picture in the opinion of census officials of a systematic effort in industry and commerce to supply with the negro worker the unskilled labor needs largely met by immigration before that was checked at the beginning of the war.

INDOOR CARNIVAL IN CHURCH VESTRY

An indoor carnival, furnishing all the amusements of the one-ring circus and the side-shows, was given in the vestry of the First Congregational church yesterday afternoon and evening by the young people of the church.

The afternoon show started at 4 o'clock. Balloons and other favors were given away and attractions consisting of free movies, fish pools, treasure hunts, and others of like nature kept the spirits of the children soaring until it was time to return home to supper.

The evening show included, in addition to the afternoon features, a one-ring circus, staged by the members of the Upstreamers class with Joseph Hollingsworth as mahager, a fortune teller, an African dodger and others.

The committee in charge of the various amusements were as follows: General committee: Miss Blanche Alexander, chairman; Marion Durrell, Helen G. Plack, Mrs. Walter L. Muzzey, Mrs. Harry Kershaw, Miss M. Elizabeth Patterson, Mrs. Horbert J. Ball, Mrs. A. B. Welds, Mr. Oltmar H. Field.

Japanese bowling, marble rolling, bean bag, Miss Winifred L. Davis class; Candy table, Mrs. George Up-ton's class; fish pond, Mrs. Walter L. Muzzey's class; African dodger, shooting gallery, Edward B. Cornell's class; quills, John Osgood's class; one-ring circus, up-streamers; mass games, Clara B. Towne, Miss Mildred Maerthis; arrangements, Mrs. Herbert J. Ball; hunts, Miss Edith Spencer.

153,000 AT BIG LEAGUE GAMES

NEW YORK, April 27.—An aggregate total of approximately 153,000 baseball fans witnessed yesterday, the opening game in six major league cities, four in the American and two in the National. The teams opened the season away from home and had just returned from the road.

Attendance honors went to Detroit where 36,000 persons saw the home team lose a hard-fought contest to St. Louis, 4 to 3. Thirty thousand fanned past the turnstiles in both the New York Giants and Chicago American ball grounds, while 23,000, including President and Mrs. Harding, turned out at the Washington ball park. The Boston Americans played before 20,000 and the Philadelphia Quakers catered to 16,000.

Ken Williams, premier 1922 American league home run hitter and Babe Ruth's keenest rival, contributed to the St. Louis team's victory over Detroit by poling out his third circuit-clout of the season. He is one ahead of the Babe.

Ovation for Mathewson
The outstanding feature at the Polo Grounds was the tremendous ovation accorded Christy Mathewson, president of the Boston Braves. The peerless "Big six" came back to the scene of his greatest playing triumph, which he left nearly three years ago. His charge won by the world champion Giants, 7 to 3.

Although the Yankees tied the game in the first half of the ninth with a two-run rally, Boston led 9 to 2, and with a hit barrage and walked off with a 5 to 4 victory and shunted the New Yorkers to second place in the league standings.

Indians Resume Lead
Stanley Coveleski's superb twirling carried his team to a 3 to 0 victory over the Chicago White Sox, and the Cleveland Indians again resumed the leadership in the league race. Umpire Kowalski, one-time manager of the White Sox, was presented with flowers by Chicago fans.

Washington defeated the Athletics, 2 to 1, in Pittsburgh, and the Athletics won a successive victory over the Chicago Cubs, 7 to 2.

The St. Louis Cardinals defeated Cincinnati, 3 to 1. The hitting of Eddie Roush, the Red outfielder, was a bright spot in his team's downfall. He poked out four safeties in five times at bat, two of them doubles.

FIREMEN ORGANIZE BASEBALL TEAM

A crack baseball team has been organized among members of the first platoon of the local fire department, and the players will be given their first try-out on the South common tomorrow forenoon.

The team will be captained by Warren White, while James P. McCready will be its manager. The first game on the schedule is for April 30, when the Lowell players will journey to Brockton to cross bats with the fire fighters of that city. It is expected that a large number of rooters will accompany them.

The team lineup is as follows: Capt. Warren White, c; John Quinn, p; Archie Schenck, 1b; Edward Sullivan, 2b; Jas. Nolligan, 3b; George Cummings, lf; Joseph Ready, cf; John Moran, rf.

LOWELL HIGH WILL MEET ST. JOHN PREP

The Lowell high school baseball nine will travel down to Danvers tomorrow to meet the St. John's Prep. school team in one of the big games of the season. Coach Linton is confident that his team can defeat St. John's as it did Nashua, and the only change he plans on making in his lineup is the substituting of Gibbons in place of Fox in right field, and starting Smith in the box. The trip will be made via truck, leaving Lowell at noon, and many of the students at the school are planning on taking in the game, and lending their support to their team.

GIRL SCOUTS AT WHITE HOUSE

WASHINGTON, April 27.—At the invitation of Mrs. Harding, extended honorary president of the organization, delegates attending the ninth annual convention of the national council of Girl Scouts held their concluding session today in the White House grounds. Financing and standards of conduct for the various decorations awarded Girl Scouts came up for discussion.

SPORTS OF ALL SORTS

The calling off of last night's boxing bouts by the Moody club brought considerable disappointment to local fans. The original card of Lew Paltrow vs. Earl Baird had been changed the night before when Paltrow's manager announced his withdrawal. Harold Faresse was announced as a substitute and while he has never shown here he enjoys a good reputation and has looked forward to an interesting bout between Baird and Faresse. But yesterday afternoon word came that Faresse couldn't make the grade. Not desiring to attempt to make another substitution Promoter Dodge decided to call off the entire show. It's a tough game, and commissions or no commissions, a promoter is never sure of a bout until the boys get into the ring and start battling.

Postponements "run out," alleged injuries etc. have done the same great harm, but there appears to be no alternative. Posting fights has been tried. It has been successful in some cases. But to get some boxers or their managers to come across with a red

felt, a certified check or its equivalent, the cash, is a difficult, yes almost an impossible task.

Sam Whitelock, who defeated Archie Walsh in the bowling championship match, is busy receiving congratulations on his great achievement. Already many local bowlers are planning to challenge the new champ. No doubt Sam will accommodate them.

Bruce Douglas, who captained the winning Highland quintet basketball team in the recent championship series with the St. Patrick's, is one of the

best all-around athletes in Lowell. Besides leading his team to a championship, Douglas has the reputation of being the champion singles and double tennis champion of this city. The highest point-getter in a recent Y.M.C.A. pool tournament, a member of the champion church league basketball team, and runner up to Jim Andromedae in hexathlon events at the "Y."

During the basketball season just closed, Douglas made 141 baskets from the floor for a total of 233 points in 23 games as a member of the Highland Quintet, and 120 points as a member of a church league team.

Amateur baseball is in for a banner year, judging by the unusually large number of challenges coming in to this office. The Sun evidently produces the results desired by managers and captains. Have you sent yours in yet?

FOURNIER READY TO SIGN
ST. LOUIS, April 27.—Jacques Fournier, first baseman, who was traded to the Brooklyn Nationals by the St. Louis Cardinals but refused to report there, today declared he would sign a Brooklyn contract provided it contained a clause preventing the Dodgers from disposing of his services without his permission.

Peculiar Complaint Yields To World War Antiseptic

Infection Due to Poisonous Soap Was so Severe That Boston Man Could Hardly Move Fingers

The following letter from Mr. R. Albert Boscoe, 157 Marion Street, Boston, Mass., describes a peculiar form of infection which was overcome by the use of Zonite, the World-War antiseptic.

"Not long ago I developed a very severe case of chapped hands, due, I believe, to a certain soap I had been using which must have had some poisonous substance in its composition. The back of my hands and between my fingers cracked open. I could hardly move my fingers because of the pain, and the trouble was getting worse. A friend of mine recommended Zonite to me, which I used with wonderful results. My hands were healed in a few days' time. I have since used Zonite for a bad burn on one of my children. It healed the burn in a few days and with

Zonite is an improved and perfected form of the Carrel-Dakin solution. It is non-poisonous, non-irritating and healing, yet possesses greater germicidal power than pure carbolic acid. Zonite is the last word of science on the subject of antiseptics. It is rapidly supplanting poisonous burning disinfectants and inefficient mouth washes and gargles throughout the United States. Zonite can be used on the most delicate membranes and tissues without harm.—Adv.

FOUR CALLED TO DOOR AND SLAIN

HAUWORTH, Okla., April 27.—Thomas Hammill, a planter, his wife and their daughter, a Mrs. Tope, and the latter's 10-year-old son were shot to death when they were called to the door of the Hammill home near here early today by two unknown men on horseback. A five-year-old daughter of Mrs. Tope was probably fatally wounded.

All of the persons shot were sleeping in a front room of the house when the horsemen called them to the door. Two boys in another room escaped injury.

Neighbors declared today they saw two men on horseback ride rapidly after they heard the shooting. They said Mrs. Tope and her husband were estranged and she had come to her father's home to live from Texas.

NEW YORK, April 27.—The Great Northern Paper Co., the Ontario Paper Co., and the St. Croix Paper Co., have granted union demands for a general increase of five cents an hour. It was announced today. Union officials declared they were confident that other leading American and Canadian paper companies would also make a similar increase.

FIRE IN VACANT BUILDING

An alarm from box 112, corner of Lewis and Little streets, at 1:40 this afternoon, was for a fire in a vacant building, next to the Whistler house, and in the rear of the Greek school. The fire was extinguished before much damage was done to the building.

OLD AGE PENSIONS

BOSTON, April 27.—The house of representatives today passed in concurrence with the senate, a resolve providing for appointment of a commission to investigate the subject of old age pensions and report to the legislature of 1925. The vote was 116 to 55.

Admits He Killed Wife

Carlson, who was charged with the murder of his wife, admitted today in court that he had killed her. He said he was driving the machine at the time. County and local police have conducted an investigation and last night they confronted Carlson with evidence that had gathered. Carlson then was said to have admitted the charge.

In his statement, the police say, Carlson told of driving to Hartford with his wife where they looked at fur coats in several stores. A quarrel followed his refusal to purchase a \$500 fur coat and finally she accepted a coat costing \$120. Carlson then was said to have told the police, the quarrel continued and he became more wrathful. At the foot of a hill, the police say, Carlson deliberately drove the car over an embankment. The machine overturned, and both were thrown into shallow water. Then, Carlson is said to have admitted, he placed a cushion on his wife's head and chest, and sat on it, holding her beneath the surface of the pond. He sat there until her struggles ceased, according to his statement, and then went to the highway and obtained an ambulance with his wife's body and told officers that the accident occurred when his wife lost control of the car. Carlson and his wife were married 24 years ago. Two sons, aged 19 and 15, live in this city.

SEC. HUGHES TO SPEAK

Will Discuss Proposal for American Membership in World Court

WASHINGTON, April 27.—Another address on the proposal for American membership in the permanent court of international justice, following that delivered at the opening session last night by Elihu Root, president of the society, will be made at tonight's session of the American Society of International Law by Secretary Hughes, who is expected to present in some detail the administration's attitude on the question.

Declaring his support of President Harding's stand for American participation in the court, Mr. Root said the proposal involved really a question of moral support for the "sanction of world peace which our government has been urging for a generation." "The court," he said, "presents the highest point yet reached by agreement of the nations in affording the same substitution for war by judicial decision of international cases that has been so effective in doing away with private war among individuals."

RESUMPTION OF MORSE TRIAL DECIDED UPON

WASHINGTON, April 27.—Resumption of the Morse trial interrupted yesterday by the question of qualification of a juror, was decided on today after a series of conferences between Justice Stafford and counsel for the prosecution and the defense. Whether the juror's eligibility was finally decided was not announced, although Nash Rockwood, defense attorney, resumed his outline of the case.

Mr. Rockwood told the court that the Emergency Fleet corporation had been responsible for delays in the execution of the ship contracts awarded Mr. Morse and had held up promised financial aid in completing the plant at Alexandria, Va., at a time when Morse was having difficulty in meeting his payroll and his bills for materials. After the armistice, Mr. Rockwood declared, the fleet corporation treated its contractors for ships at the Alexandria plant as "scams of paper" and made payments only "when they wanted to."

With respect to the charge of the government that Mr. Morse was engaged in "black killing," Mr. Rockwood said the evidence would show that the fleet corporation issued a check for \$100,000 to the Morse concern and that officials of the corporation called on the telephone and asked that the check be held as the corporation did not have the money in the bank.

MOVE FOR NEW TRIAL

Counsel for Pappas Presents Alleged New Evidence to Judge Keating

BOSTON, April 27.—Counsel for Paul Pappas, sentenced to death for the murder of Alice Arsenault and recently reprieved until May 1, presented to Judge Keating of the superior court today alleged new evidence upon which they seek a new trial. The defendant's motion asserted that a transfer of a lease on a piano had been found bearing the signature of the Arsenault woman and dated February 17, 1920, whereas the state contends that she was murdered on Dec. 25 or 26, 1919. It was alleged that her sister presented this transfer to a piano company, saying Alice Arsenault was in a hospital in Springfield.

Counsel contended that either the woman was alive in February or if the signature had been forged, Pappas' trial by her sister concerning bloodstained clothing found in Alice Arsenault's lodging house in the South End in January, 1920.

Counsel further alleged that the police had withheld from the district attorney information that a witness at the trial had contradicted testimony he had given concerning the defendant and the woman; that Pappas' wife was wrongfully permitted to testify against him and that Pappas was not informed that he had a right to testify and to accompany the jury to the scene of the murder.

The woman's body was found under a pile of ashes in the cellar of the lodging house about five months after what the state claimed was the date of the murder.

Official statistics show there were only 49 divorces in Moscow in January, as compared to 2214 marriages. The requirements both for making and separating couples are brief and simple. If a man and woman desire to be married, they go before a magistrate and declare their wish. If they desire a divorce, they go before a magistrate and say they cannot get along. If only one of the parties wishes a divorce, the questioning may take a few minutes longer.

BIG AGRICULTURAL FAIR MICHAEL HYLAND DEAD

Lowell Driving Club Active—
Eleanor Sears Will Show
Thoroughbred Horses

Lowell will have an agricultural fair August 30, 31 and September 1, according to the announcement of the officials connected with the Lowell Driving club, now called the Lowell Driving club and Agricultural Fair, Inc. Arnold J. Ryan, former secretary of the club, states that the Golden Cove Park race track, and grounds offer the nucleus for the opening of a fair, that in times should rival the Brockton and Springfield exhibitions.

The grounds are valued at more than \$5,000 and are large enough to handle a crowd of nearly 5,000 people. The men connected with the club have horses that insure capable attractions for every racing event. Eleanor Sears, prominent owner of thoroughbred horses and many owners from Boston have promised to show at the fair.

Special interest will be created in the agricultural exhibits, by means of an attractive premium list. The mid-way and riding concessions found at the big fairs will be in evidence. No attempt will be made this year to encourage feature attractions, such as high class vaudeville, balloon ascension and other specialties, but if attendance warrants, and indications seem to be favorable, these features will be part of the future fair plans.

A public meeting will be held at the Memorial Auditorium May 17, with Senator David I. Walsh as the principal speaker, states Mr. Ryan. Other prominent men in public affairs will be asked to attend this meeting, in order to arouse interest in the plans for putting the fair across. The officers of the Lowell Driving club are: Oscar Jewell, president; Wesley M. Wilder, vice president; Lewis C. Clark, treasurer; Isaac E. Wotton, secretary. The directors are Harry M. Parker and Clinton Coffin.

Lowell Man Injured in Auto
Accident Dies at Lawrence
Hospital

Without having regained consciousness since a serious accident on the Lowell-Lawrence highway near Haggitt's pond last Sunday afternoon, Michael Hyland of 25 Ash street, this city, died yesterday afternoon in the Lawrence General hospital. He was taken to the down-river hospital after the machine in which he, Mrs. Hyland and two companions were riding, had turned turtle on the highway as the party was returning to Lowell.

Mr. Hyland was well known and highly respected here, as a faithful parishioner of the Immaculate Conception church and in the Talbot mills in No. Hibernia, where he was employed. He was a member of the Holy Name society of the Immaculate Conception church, and Lowell Aerie, 223, Fraternal Order of Eagles. He leaves his wife, Mrs. Bridget (Travers) Hyland; three sisters, Mrs. Thomas Mitchell of Wintthrop, and Mary and Katherine Hyland of Ireland. The body was removed to the undertaking parlors of James W. McKenna and later to his late home, 25 Ash street.

PAVING PROGRAM WILL START MONDAY

The city's 1923 paving program will start next Monday when the street department will begin ripping up cobble stones in Lakeview avenue in preparation for smooth black paving from Coburn street to Alken avenue. At the same time the local division of the Eastern Massachusetts street railway company will renew its tracks in that section of the street.

Decision to launch the summer's work next Monday was made at a meeting of the board of public service yesterday afternoon at 4 o'clock, prior to which the board members made an inspection of the Alken street bridge and agreed that repairs should be made there this year, estimated cost of which is \$25,000.

It was the sense of the board that further loan orders covering black paving, macadam, sewers and sidewalks totalling \$110,000 should be prepared for presentation to the city council next Tuesday night. It was explained that most of the \$160,000 worth of loans approved at the last meeting of the council actually will be spent before the money is at hand.

The board heard Councilors Daly and McFadden relative to paving in upper Lawrence street this year and it was decided that an order for \$5000 to cover the cost of the work desired will be introduced in the council by Mr. Daly.

The following persons appeared before the board relative to abatement of water bills: M. J. McGowan, 190 South street; Mary Manning, 77 W. 11th street; Nellie Gilroy, 61 Butterfield street; Amelia Corbett, 39 Cedar street; Michael Cullen, 50 Claire street; Vasilius Anastasion, 30 Lagrange street; Elizabeth A. Teague, 53 Parkview avenue; Patrick McMahon, 43 Crosby street; Minnie B. Roark, 255 Fayette street; Martha E. Haworth, 1250 Gorham street; Charles A. Howard, 148 Fayette street; U. S. Bunting club, Circuit avenue; Vincent Silva, 9-10 Mill street; Jeremiah J. McGlinchey, 328 Fletcher street.

MORE MEN ENLIST WITH ORGANIZED RESERVES

Recruiting for the Organized Reserves received a decided boost by the mass meeting and parade held here on the 15th of the month. Major Francis J. Toohy, executive officer, enlisted three men yesterday for three year terms in this organization, and expects that the same number will be enlisted almost every day from now on until his units are complete. The three men inducted into service yesterday were James J. Glenison of 141 Cumberland road; John D. Percella, of 14 Dutton street; and Joshua Miller, of Dorchester, a student at the Lowell Textile school. Mr. Glenison is an old National Guard man, having served with Co. M of the old Ninth for top sergeant. Mr. Percella served with the 101st Supply Train overseas during the World war. He signed up for top sergeant. Mr. Miller served during the World war as a soldier at Fort Strong, and since the war has acted as a soldier at Camp Devens during the summer months. He signed up as a private, first class, specialist, 5th class. Mr. Miller served during the war with the Chemical Service division and has enlisted as a sergeant in the Quartermaster Corps. All three of these men were assigned to the Service Battalion of which Capt. Benjamin Moloney is commanding officer. Daniel B. Martin, city auditor, recently took the examination for appointment as second lieutenant in the reserves, and George W. Murphy, C.P.A. with offices in Lowell, also took a like examination, if they were successful they will soon receive their commissions.

RUTHENBERG TESTIFIES IN OWN DEFENSE

St. JOSEPH, Mich., April 27.—(By the Associated Press) David Damon was the alias used by Charles L. Ruthenberg on trial here for alleged violation of the state's criminal syndicalism law, in his activities connected with the communist party of America.

Ruthenberg revealed that while on the witness stand in his own defense denying, however, that at any time he advocated illegal measures for the overthrow of the government he contended that the Communist party was made an illegal organization by persecution by government agents.

Again, as in the Foster trial Ruthenberg detailed the tactics of the communist party explaining its development from the theory of Carl Marx. He testified his purpose in attending the communist convention here last August was to put forward a plan to legalize the party.

Lowell Contractors Discuss
Plans for Home Beautiful
Exposition at Auditorium

The Lowell Contractors' association held a meeting last night in their rooms in the Donovan block, to act on plans for the Home Beautiful exposition which is to be held in the Memorial Auditorium for four days beginning May 2. President Chester Tunels was chairman and after a buffet luncheon had been enjoyed, he called the meeting to order and Secretary George Stewart reported on the booths at the show. His report showed that more than half the booths had already been taken and more were being bargained for. Alvin H. Weaver, chairman of the decoration committee, reported that the decorations would be simple and in keeping with the style of the booths. The pergola effect between the two circles of booths on the main floor will be entwined with flowers and soft drapings will line the corridors. The secretary stated that 20,000 tickets had been printed for the exposition and that quantities of cards, auto shields and stickers were now available and will soon be sent out through the district advertising Lowells' exposition and her building trades. Members of the association who have attended the exposition in Boston, state that Lowell's show will rival theirs, judging from the standpoint of beauty rather than size. One of the big reasons for this is that the Auditorium lends itself admirably to an exposition and it is for this reason that the contractors believe the show will excel Boston's in beauty.

CONFERENCE ON PETITION OF SACO-LOWELL SHOPS TO CLOSE PORTION OF STREET

Representatives of many Lowell churches, charitable and civic organizations and city officials visited the Chelmsford Street hospital yesterday and after an inspection tour were entertained at luncheon by Supt. and Mrs. Joseph H. Gormley, who were most gracious hosts. Orchestral music was enjoyed during the luncheon and a social hour was featured by songs by Francis A. Connor and Mrs. Joseph W. Green.

The object of the visit was to afford many persons interested in the work of the hospital an opportunity, to assist in the co-ordination of charitable effort so as to prevent duplication and so that various charitable organizations may assist poor families in

William E. Badger, representing the Locks and Canals Corp., told city officials yesterday afternoon at a conference on the Saco-Lowell petition to close a portion of Worthen street that his company is not opposed to the project in any way and will not seek or ask any property damages if the proposition goes through.

This statement and the declaration by James C. Reilly, representing the Saco-Lowell Shops, that the petitioners are ready to file a bond with the city to cover any damages that might arise from the land clearing was satisfactory so far as this particular part of the question is concerned.

The conference, held at city hall, was followed by a visit to the Worthen street district and the entire area under discussion was given over to allow all persons interested to visualize the proposition while actually standing on the property it is the intention of the Saco-Lowell Co. to develop.

In addition to Mayor John J. Donovan and city council members, the following men attended the conference: City Solicitor J. J. O'Sullivan, City Engineer Stephen Kearney and Hon. Dennis J. Murphy and Fred P. Leary of the board of public service, Street Superintendent Harry P. Doherty, Patrick O'Hearn, B. S. Houzner, Clarence M. Wead, Dr. George O. Lavalley, Michael Lee and Raymond M. Humphreys of the planning board, Agent George B. Feaster of the Saco-Lowell, Allyn J. C. Reilly and William E. Badger of the Locks and Canals.

James J. Gallagher, council president, presided at the meeting and stated its purpose was to acquire all possible knowledge concerning the proposition and urged the general asking of questions as the best means of bringing out points of interest.

Councilor Cosgrove asked if it would be possible to obtain the names of all abutters who might claim damages if the petition is granted and President Gallagher replied the city solicitor has been requested to furnish such a list to the council at its next meeting.

Mr. Gallagher raised the question of damages on the part of the Locks and Canals in event the streets are closed and Mr. Badger replied that his company has nothing to offer in opposition and will not seek any land damages.

Councilor Moriarty asked Agent Feaster if the automobile parking now prevalent in Dutton street might be done away with if Worthen street is closed and the reply was that adequate parking space for machines owned by employees could be found within the new mill area.

In answer to a question by Councilor McFadden, Mr. Reilly, speaking for the Saco-Lowell corporation, said the company is ready and anxious to file a bond with the city against any damages that might result. "It is an absolute obligation on the part of the company to do this," declared Mr. Reilly.

Councilor Cosgrove asked for Mayor Donovan's views on the entire matter and his Honor replied that his consideration of the project would come after it had passed through the hands of the council. "I propose you to give the matter my deepest consideration," he added.

Councilor Daly questioned Agent Feaster about letting a contract for the erection of the first new manufacturing plant and whether the contract has been awarded to an outside firm, but Mr. Feaster said he was not empowered by his board of directors to make any statement on that phase of the matter. He did say, however, that Lowell contracting firms had been given an opportunity to present bids and that he had copies of some proposals they had made.

After the conference the entire party spent some time in going over the area and then were taken on an inspection tour through the buildings of the present plant in Dutton street.

JOSEPH H. GORMLEY,
Superintendent

Following temporary distress without having to resort to the charity department. Much can be done in this line by co-operation between the various charitable agencies and Supt. Gormley. In this respect the results attained were most satisfactory. Of particular interest to the visitors were the new maternity, operating and delivery rooms and lavatories which add greatly to the hospital's facilities for effective service and the proper treatment of patients.

During the luncheon brief remarks were made by Mayor John J. Donovan, Supt. Gormley, Dr. Michael M. Tighe, city physician; Miss Mary C. McNevin, J. Fred Gilmore, Humphrey O'Sullivan, Councilors James J. Gallagher and Donald M. Cameron, William G. Goodell, Miss Emily Skilton, Rev. Peter T. Linahan, Edmund Cheneay and Mrs. Eliza Beck.

Besides Mayor Donovan and members of the city government, Hon. James F. Lynch, Hon. A. B. Clarke and Rev. Peter T. Linahan, there were present representatives of the chamber of commerce, Rotary and Boys' clubs, State Patrol Officers Cheney and Gilmore, Probation Officer Joseph L. Cronin, all the local policewomen, Miss Mary C. McNevin and her staff of nurses, sisters of St. John's hospital, Lowell Guild, Lowell Corporation hospital, Social Service League, Calvary Baptist church, Chelmsford Street Baptist church, Ladies Aid society of St. Patrick's church, several physicians, Lowell state aid department, board of health and staff of nurses, Chelmsford Street hospital nurses, Girls' City club, Humane society, Teresopolis league, St. Vincent de Paul society, Knights of Columbus, Y.W.C.A., Middlesex Women's club, Associated Catholic league and the Institution Service league.
